Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Anna Walker did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Anna Walker, Super Brother, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing those evil dragons off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit those evil dragons and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings fired chains of gold energy that bound Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln attacked them with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan were on their last legs.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan, and he began absorbing them and he assimilated their Flight, Immortality, Inhuman strength, Inhuman durability, Sharp talons, Strong jaws with fangs, Ancient magics, and The Thuum which allows them to channel the elements thru their voice, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan began growing weaker as all their powers were being sucked out of them one at a time and was pumped into Lincoln.

Odahviing: (Groans) He's sucking us dry, we can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan Bu, and Lincoln sucked out all of the remaining energy in Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and

Bahlokdaan's souls and banished them to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Anna Walker's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long auburn wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded black gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded black gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and enormous black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large black angel wings underneath her enormous black angel wings are permanent.

Anna Walker: This where it ends for you, Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan, and this is goodbye and good riddance. Thanks for helping me get rid of those evil dragons, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Anna.

Me and Nico: Our pleasure, Anna.

Suddenly, Anna Walker wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Anna Walker's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Anna Walker sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Alduin's plan to reclaim the dragons' rule ended when I absorbed him, and when Odahviing, Durnehviir, Krosulhah, Mirmulnir, Naaslaarum, Nahagliiv, Sahloknir, Shulkunaak, Viinturuth, Voslaarum, Vuljotnaak, Vulthuryol, Nafaalilargus, Kaalgrontiid, Mulaamnir, and Bahlokdaan came after me, they met the same fate.

Me: You just prevented another threat from arising, that was so awesome. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Lakeside Lady.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Lakeside Lady.

Adara Vulcania: There's only one person who fits this: Kenna Vulcania, Avatar and Gene-Slammer of Laval Lakeside Lady, and you guys are going to love meeting her, Kenna Vulcania, Avatar and Gene-Slammer of Laval Lakeside Lady, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady. She's The Volcanic Lava Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Kenna Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Kenna Vulcania despises Lori, Lisa, and Luan with a bloody passion. Years ago, Kenna Vulcania's ex-boyfriend, Ryan Parsons, he knew he and Kenna were never meant to be boyfriend and girlfriend ever since he found out about hers and her sisters' secret and that they're Lincoln's Guardian Angels and destined to not only protect him, but also, marry him. They broke off their relationship on good terms and he wanted to participate in the future wedding between Kenna, her sisters, and Lincoln, but tragedy struck: Lori, Lisa, and Luan kidnapped Ryan Parsons and they beat him up severely to the point of death and threw him into The Kalamazoo River to die, but Lincoln and Kenna saved him and got him to the hospital where he was treated for his injuries, and as for Lori, Lisa, and Luan, those three conspirators not only got beaten to a bloody pulp, but they got thrown in jail for attempted murder!

WE GASPED!

Me: WHAT!?

Eli: My God!

Nico: Lori, Lisa, Luan, what you three did, that was disgusting. That sort of act would've gotten you three sent to prison for life for attempted murder.

Xaldin: That's the end of Bansheera.

Katnappe: And we proved that the Haunted Fire Engine isn't a thing.

Luan: Don't be too sure.

Roquefort: Why?

Luan: Just because we saw an Akuma that looks like it doesn't mean it's a myth.

Salami Swami: Well, we'll have to see for ourselves in the future.

Waffle Woman: For now, let's celebrate.

Me: Good idea.

Nico: Great job today guys.

Carter: (To the viewers) Bansheera is done for.

Me: Yep.

We went back home.

As we were leaving though, we were unaware of a Fire Engine with no driver driving nearby from us.

UH OH

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Queen Bansheera is finally gone forever!

Anna Anyanova: She finally got what she deserved, and soon, we'll send her evil son, Olympius, to join her in The Black Abyss, and we not only pissed him off, but we really pissed off Lord Zedd in The Book of Vile Darkness.

?: And when Jason's big day comes, Lord Zedd will finally get what he deserves.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Ace Bunny was looking out into the night sky.

Ace Bunny: So, Queen Bansheera has finally been taken care of, good riddance to that heartless demon. And yesterday, I hadn't forgotten of what Lincoln did to Catalyst, when I find out who's been sending the Akumas to help the villains, that guy's going straight to Hell for this.

THE CROW OST: BIRTH OF THE LEGEND PLAYS

Ace Bunny: Well, I've already transformed, and I can guess the next person to transform is Rev, and the next villain is gonna get their just desserts.

THE END

Another awesome chapter done.

Bansheera is gone for good.

She's The Volcanic Lava Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Kenna Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Kenna Vulcania despises Lori, Lisa, and Luan with a bloody passion. Years ago, Kenna Vulcania's ex-boyfriend, Ryan Parsons, he knew he and Kenna were never meant to be boyfriend and girlfriend ever since he found out about hers and her sisters' secret and that they're Lincoln's Guardian Angels and destined to not only protect him, but also, marry him. They broke off their relationship on good terms and he wanted to participate in the future wedding between Kenna, her sisters, and Lincoln, but tragedy struck: Lori, Lisa, and Luan kidnapped Ryan Parsons and they beat him up severely to the point of death and threw him into The Kalamazoo River to die, but Lincoln and Kenna saved him and got him to the hospital where he was treated for his injuries, and as for Lori, Lisa, and Luan, those three conspirators not only got beaten to a bloody pulp, but they got thrown in jail for attempted murder!

Next up is Wes Collins day to shine and we're going to battle Venomark!

See you all next time.

POISONOUS RAMPAGE OF VENOMARK

Venomark is back for Revenge

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a green St. Patrick's Day-themed planet of Celtic nature, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all Celtic Powers, all Celtic Magic, all the powers of St. Patrick's Day, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all Celtic Powers, all Celtic Magic, all the powers of St. Patrick's Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Irishvairaira, a green St. Patrick's Day-themed planet of Celtic nature, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all Celtic Powers, all Celtic Magic, all the powers of St. Patrick's Day, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The

Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all Celtic Powers, all Celtic Magic, all the powers of St. Patrick's Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A St. Patrick's Day-themed planet! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Irishvairaira.

Lincoln landed on Planet Irishvairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Irishvairaira, it truly is a planet of true Celtic Nature.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a green sun and moon on his chest, he has long green hair going down to his shoulders, green eyes, green angel wings, he has on a green loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Ian Irishvairaira, King of The Irishvairairans of Planet Irishvairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Ionna Irishvairaira. (GASPS) Now, I remember, I've been here before to Irishvairaira eight years ago.

Then, all of the other male Irishvairairans came to Lincoln.

Ian Irishvairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now taller than me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Ian Irishvairaira chuckled.

Lincoln: And there's something I need to tell you.

Ian Irishvairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Ian Irishvairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Ian Irishvairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Ian Irishvairaira and the other septillions of male Irishvairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, all Celtic Magic, all Celtic Powers, all the powers of St. Patrick's Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has an Irish Green aura with shamrocks surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Ian Irishvairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and

confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Irishvairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Irishvairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle

and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Irishvairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four

orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And

you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Irishvairaira, a green St. Patrick's Day-themed planet of Celtic nature, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all Celtic Powers, all Celtic Magic, all the powers of St. Patrick's Day, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all Celtic Powers, all Celtic Magic, all the powers of St. Patrick's Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! A St. Patrick's Day-themed planet in The Forbidden Zone, that's so awesome!

Nico: You said it.

Mudkip: Time for breakfast! It's your day today.

Wes: Oh man!

He went and got dressed and went to the table.

Me: Morning Wes!

Jen Scott: Morning kid.

Eric Meyers: Hey bud.

Wes: Hey guys.

We gave him a future breakfast. It was a capsule.

Wes: What's this?

Me: Watch.

I pulled out an eye dropper and dripped it on it.

POP!

It popped and out came pancakes and eggs.

Wes: Futuristic.

Me: It sure is. Jen showed me that many breakfasts and meals in the year 3000 come in either capsule or dehydrated powder. Just add water.

Nico: That is really cool!

Laney: Boy I don't think I want to imagine what would happen if I ate those in powder form and then chug a glass fo water.

Me: You would inflate and then explode.

WE LAUGHED!

Qin: (LAUGHS) That would be silly!

Nico: I remember seeing that in cartoons and that would be funny.

Marinette: Oh no, Furious Fu, the Akuma of Master Wu, and an evil version of Ransik.

Ransik: Which proved I was right about who we're facing for Wes' big day: Venomark, along with an evil version of me.

Rev Runner: Let me run circles around that evil version of you, Ransik, while the rest of you guys deal with Furious Wu.

Wes: Be careful, Rev. Now, where are they at?

Lincoln: I know where they're at, they're on the Forbidden Zone planet of Skyralaira.

Me: Skyralaira, that's home to The Kingdom of Skyangela, a Kingdom of Angel Warriors and Mages whose kingdom hasn't been touched by The Infernairans.

Lincoln: Yep, and where I've also been to before as well. You guys are in for one awesome meeting with the Skyralairans and my Guardian Angel who lives there along with her father. Alright, now let's finish breakfast and head for Skyralaira.

Nico: Right.

We finished breakfast, and we headed to Skyralaira to help Saffron Masala unlock her Rainbow Power and take down Furious Fu and the evil version of Ransik.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14242.6: The U.S.S. Valorous Phoenix is en route to the planet Skyralaira and we're going there to meet one of Lincoln's Guardian Angels as well as battle the Akuma of Marinette's master Master Wu, Furious Fu, as well as an evil version of Ransik. J.D. is looking forward to battling him.

Me: Boy I remember you were a brutal and formidable fighter Ransik.

Ransik: I was wasn't I?

Nadira: Daddy sure kicked butt.

Qin: He sure did.

Deadpool: Vernon Wells starred as him in Time Force back then and he got his ass whooped.

Jamesdean5842: It's true. Back in 1988, Vernon Wells was on the movie Commando as Bennett and he got his butt kicked by Arnold Schwarzenegger. It was a REALLY Brutal fight.

Nico: I remember that movie! That was intense.

Lola: Yeah!

Me: Guess that makes me Arnold and Evil Ransik as Bennett and I'm going to kick his ass.

WE LAUGHED!

Nico: (LAUGHS) That is true.

Qin: Funny

Crystal Snail: I'm ready for this too.

Nico: Crystal Snail, I want to thank you, Esccargoon, and your teams for coming.

Crystal Snail: No problem Nico. This will be fun.

Gary: (Meows)

SpongeBob: Gary is looking forward to this too.

Nico: (sighs) You know, Gary, sometimes, I wish I could know what you're saying.

SpongeBob: I can help with that.

SpongeBob put a belt on Gary's Shell.

Gary: (Voice sounds like Keith David) Now I can talk just perfectly.

Me: WHOA!

QIn: Cool belt!

SpongeBob: I bought that to help Gary Talk.

Lily: I remember that belt! Gary's voice sounded just like Keith David's.

Poromon: Good. Because most of the time, you meow like a cat.

Gary: (LAUGHS) I do little birdy. I do.

Lily: That belt made Gary talk really cool.

Nico: It sure did.

Lily: I caught Squidward trying to make Gary be bad by putting a radio on it that did that. But I stopped him back then.

Squidward: Lily knew I was doing that and beat me up really bad.

Me: Ouch.

Lily: Yeah I caught Squidward's hand in the cookie jar.

Leni: But he wasn't eating cookies.

Me: No Leni it's just an expression. It means he was caught in the act. Essentially he was caught red-handed. Er... Red

Tentacled in that case.

Squidward: Yeah not one of my proudest moments.

Poromon: One day, you'll make a nice mascot.

Gary: Indeed and be cool.

Me: Yeah you will.

Qin: Yep.

Vypra: I know. (Sighs in happiness) Now me, Loki, Jinxer, Diabolico and all of us can rest easy now that Bansheera is gone.

Dark Spicer: That is for sure.

Me: I'm glad she is gone.

Carter: Same here.

Me: Holy cow! That was intense! We both unleashed our power on her!

Vypra: We sure did. And J.D. you used all our powers on her really well.

Me: Thanks Vypra.

Naomi Necroshade: That was so epic!

Nico: That's a chapter of your life closed

Vypra: Thank goodness.

Ymir: Wow! That was an intense battle!

Me: And it erupted into an intense Kamehameha Wave struggle. Unreal!

Xenia: Yeah no kidding there!

Lola: Wow! Our combined power was enough to kill her times infinity.

Vypra: It sure was. Thank you guys for ridding us of her.

Me: Now we just have to destroy Olympius and the terror of Bansheera and her family will be erased from existance forever.

Noah: Just leave him to me.

Me: And all of us too.

Qin: Yep.

Carter: And man my Akuma was a REALLY insane firetruck!

Qin: No kidding! That was one nutsy cuckoo firetruck!

Me: I know!

Poromon: (GULP) Nico I hope there isn't a haunted firetruck out there.

Nico: (Spookily) I don't know... there may be one out there.

Poromon whimpered like Shaggy.

Lily: Maybe he'll eat your flesh if he's hungry

Poromon: (SCREAMS LIKE A LITTLE GIRL)

Qin: Maybe he'll blast you with fire and roast you like a chicken!

Poromon: (SCREAMS LIKE A LITTLE GIRL)

Xenia: Maybe he'll turn your hide into bones and take your wishbone!

Poromon: (SCREAMS LIKE A LITTLE GIRL)

Me: Guys knock it off!

Nico: Yeah!

Maria: It's probablty not real anyway

Nico: You never know.

Qin: Yeah.

Me: Lisa how come you weren't part of this?

Lisa Loud: I have no interest in such childish buffoonery.

Me: Yeah for a genius of your calibur you are well beyond that.

Qin: Yeah.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at the planet Skyralaira. It was a blue planet.

Me: WOW! So that's Skyralaira.

Xenia: Pretty.

Nico: Lets land.

We arrived on Skyralaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Skyralaira.

Qin: It's magnificent!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Skyralaira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels and mages, and there's the castle, the fortress of The Kingdom of Skyangela.

We saw the castle, and it was truly a magnificent fortress.

Nico: Wow! What a castle.

Lincoln: It sure is cool.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a golden yellow sun and moon on his chest, he has long brown hair going down to his shoulders, blue eyes, massive rainbow angel wings, he has on a sky blue loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Silas Skyralaira, King of The Skyralairans and the ruling monarch of The Kingdom of Skyangela.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Serena Skyralaira, and I've also been here to Skyralaira eight years ago.

Then, all of the other male Skyralairans came to Lincoln.

Silas Skyralaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Silas Skyralaira chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long brown hair, blue eyes, she was dressed in a beautiful sky blue dress, blue stockings, blue knee-high high-heeled boots, she has massive rainbow angel wings, and she has a greatsword in hand.

Lincoln: (GASPS) Serena Skyralaira, Queen of The Skyralairans of Planet Skyralaira and Princess of The

Kingdom of Skyangela.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, everyone, this is Serena Skyralaira, Queen of The Skyralairans of Planet Skyralaira and Princess of The Kingdom of Skyangela, Lincoln's Guardian Angel from the planet of Skyralaira in The Forbidden Zone, she's The Queen of The Skyralairans and she's the Princess of The Kingdom of Skyangela, a kingdom of Warrior Angels and Mages called The Skyralairans and it was untouched by The Infernairans, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of light, purity, magic, Holy Light, Holy Arts, Light Magic, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of light, purity, magic, Holy Light, Holy Arts, Light Magic, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Skyralaira where he would meet The Heavenairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Heavenairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of light, purity, magic, Holy Light, Holy Fire, Holy Arts, Light Magic, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Skyralaira and its core into his body and Skyralaira's Sun into his body to preserve their legacy, and it's also a blessing and wedding gift to Lincoln. Serena Skyralaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense Absolute Invulnerability, immense omnipotent powers of light, purity, magic, Holy Light, Holy Fire, Holy Arts, Light Magic, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense Absolute Invulnerability, and immense superhuman endurance, omnipotent power, immense omnipotent powers of light, purity, magic, Holy Light, Holy Arts, Holy Fire, Light Magic, and the ability to grow even stronger, and all the powers of The Skyralairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting especially using a sword and using magic and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Heavenairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense Absolute Invulnerability, immense superhuman endurance, immense omnipotent powers of light, purity, magic, Holy Light, Holy Fire, Holy Arts, Light Magic, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Skyralaira and its core and Skyralaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them incinerated by the holy fires of Skyralaira and banished forever to The Black Abyss with the power of Skyralaira.

Lincoln: And there's something I need to tell you.

Silas Skyralaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Silas Skyralaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Silas Skyralaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Silas Skyralaira and the other septillions of male Skyralairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of light, purity, magic, Holy Light, Holy Fire, Holy Arts, Light Magic, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a golden yellow aura with lights surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Silas Skyralaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Serena Skyralaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Serena.

Nico: Wow...!

Serena Skyralaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Serena Skyralaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serena Skyralaira with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened.

Serena Skyralaira: That's my special gift to him: Skyralaira's Blessing of Divine Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Serena Skyralaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Skyralrairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Serena Skyralaira: Let me show you guys around the castle.

Me: Sure.

Nico: Oh, today is the Anniversary for the War against Grandfather

Me: That's right! I was just gonna say.

Ace Ukiyo: We'll have to hear about it during whatever shenanigans the mascots do.

Poromon: We'll tell you what we have planned later.

We walked around.

Serena Skyralaira: This castle has been the very heart of my kingdom. Our people have been more than powerful enough to ward off the attacks of the Infernairans and it was more than enough to stop them.

Me: Wow that is amazing.

Qin: It sure is.

Arpina: I'm glad my people were warded off by you and your people Serena.

Serena Skyralaira: We are too Arpina.

Serena showed us around and it was an amazing castle.

We were sitting in the dining room.

Me: Boy your castle is amazing Serena.

Serena Skyralaira: We're glad you like it guys.

Nico: We can tell you about it now. Let's first go over the history of Grandfather.

Ace Ukiyo: Sure thing.

Me: Well Grandfather is the Progenitor of all the Adult Villains that the Kids Next Door have faced over the years. His name is Benedict Wigglestein Uno Sr.

Lola: The one that we fought on my day was his son Benedict Wigglestein Uno Jr.

I went over his history.

Benedict Wigglestein Uno Sr. also known as Grandfather, is the overarching antagonist of the Codename: Kids Next Door series, serving as the main antagonist of Cartoon Network's 3rd animated feature film Codename: Kids Next Door: Operation Z.E.R.O. He is by far the most cruel, feared, dangerous and evil villain that the KND has faced as a whole.

He is an extremely powerful and tyrannical being who once conquered the world before he was overthrown by his elder son, Monty Uno. Many years later, he was revived by his younger son and successor, Father, and began transforming humanity into Senior Citi-zombies. He is also the grandfather of Nigel Uno (Numbuh 1) and Number Zero/Monty Uno's father and arch-nemesis.

He was voiced by Neil Ross, who also voiced Norman Osborn/Green Goblin in Spider-Man: The Animated Series, Fin Fang Foom in Iron Man: The Animated Series, the Cyclops in The SpongeBob SquarePants Movie, Colonel Volgin in Metal Gear Solid 3: Snake Eater, and was uncredited for voicing CatNap in Poppy Playtime Chapter 3: Deep Sleep.

During the Victorian Era, Grandfather (back then known as Pappy) conquered the world with an iron fist and forced all children to work in his tapioca factories. One day, his son, Monty Uno, discovered the Book of KND, led an uprising of children and defeated his evil father by erasing memories and powers.

During the dawn of the 21st century, Grandfather's other son, Benedict Uno, used the Recommissioning Module on Grandfather, now a decrepit old man, to restore his former self, and expected to work together with him to destroy the Kids Next Door and rule the world alongside him. However, Grandfather shunned his son and angrily ordered him to leave, calling him a failure and claiming that he liked his other son more.

He then revealed his plan: To turn all of the kids in the world into Senior Citi-zombies, as well as everyone who was ever a kid. The villains cheered, until they suddenly realized that they all used to be children and that this amounted to every person in the world. They tried to flee, but in vain. Once Grandfather turned all of them into his zombie minions, he ordered them to invade the Kids Next Door's treehouses throughout the world, turn them into zombies as well, and turn their treehouses into tapioca factories. Soon, every nearly KND operative (and presumably every person) on the planet was transformed, save for Numbuh 1, who would commission his father by the name of Numbuh 0 again.

After establishing his rule over the world, Grandfather turned his efforts to finding and destroying the Book of KND, as it could provide children with hope; the only thing that could defeat him. Grandfather arrived near its location just in time to be confronted by his son Monty, who was carrying the book in his back pocket. Monty wrestled with Grandfather until he found the Book of KND. Monty was able to resist Grandfather's power, but soon began to succumb to it.

Monty was able to fight off Grandfather long enough for Sector V to launch the KND Moonbase at him, and seemingly destroyed him. However, Grandfather survived relatively unscathed and emerged from the wreckage, only to find out that he was standing in a Decommissioning Chamber from the Moonbase. Grandfather and Numbuh 0 were both decommissioned once again, and turned back into their harmless, and clueless adult selves. This causes all of the Senior Citi-Zombies to turn back into their regular selves too and the tapioca factories to turn back into sector tree houses, thus leaving Grandfather's plans for conquest in vain.

When it was done everyone that hadn't heard about it was shocked and horrified!

Ace Ukiyo: Oh man! That is intense!

Ymir: No kidding!

Naomi Necroshade: I heard all about that battle! That was brutal!

Nico: He wanted to rid the world of Kids forever.

Me: Like we've already known, it would have resulted in the extinction of the entire human race.

Serena Skyralaira: That is terrible! I can't believe he is that evil!

Me: I know. It was on this day on July 20th, 2021 that we battled the most dangerous and most evil enemy of the entire Kids Next Door.

Numbuh 1: My Grandfather.

Vypra: Yeah that was awful.

Nico: He had an army of Senior Citizombies

Me: And an army of clones of villains the Kids Next Door faced.

Qin: Yeah.

Me: And lets not forget he had THE TORTURED ONE!

(THUNDERCLAP! LIGHTNING FLASHES)

Snips and Snails were doing effects for that.

Me: Good job guys.

Snips: Thanks.

Snails: That was fun.

Ace: You mean that giant monster version of Patrick?

Me: Yep.

Ace: Oh man!

Me: You should have seen what happened. It was brutal.

Verona: (SNEEZES)

Me: Bless you.

Verona: (Sniffles) Thank you. Was my dad included in that battle?

Me: He was. But I can't remember if it was a clone.

Nico: In the end, we destroyed them all.

Me: That was intense.

I went over what happened back then and it was REALLY BRUTAL! It was on Chapter 1463 of Loud House Revamped.

When it was done everyone that hadn't heard about it was shocked!

Ace Ukiyo: WHOA! That is intense!

Nico: Yep.

Qin: Yeah.

Turbo: That was also when I made the scene and helped everyone there.

Qin: You sure did.

Me: Yep.

Horsea: Good Times.

Jamesdean5842: There's another reason why that date is so special for that too. July 20th, 2001 was also the day the Pilot Episode of Codename: Kids Next Door, No P in Ool came out and it. And it became an official cartoon on December 6th, 2002.

Nico: Wow! That makes sense. To commemorate the 20th Anniversary of the show.

Jamesdean5842: That's right.

Numbuh 1: That is special.

Deadpool: Yep and that was awesome.

Me: Wow.

Serena Skyralaira: Boy that was incredible! You guys did great.

Me: Yeah we sure did. But if Grandfather appears, I'm going to do what we did to father. Strip him of his powers and have him sent to the M.O.E.

Nico: Without them, he's just a harmless old man

Me: Far passed his prime.

Nico: Yep.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Skyralaira to help Saffron Masala unlock her Rainbow Power and take down Furious Fu and the evil version of Ransik.

Nico: It's been a long time since I last fought him, but he's in for a much worse surprise if he thinks I'm still the same person from long ago.

Me: That's for sure.

We had all of TLPS and The M.O.E. with us.

Ed Grant heard a Pokemon cry.

Ed Grant: Look guys!

We saw a Hoopa!

Me: Cool a Hoopa!

Qin: Wow!

Hoopa: This is a cool planet.

Ed Grant: It sure is.

He gave her apples.

Hoopa: Thanks.

She ate them.

Ed Grant: You're welcome. Want to come with me?

Hoopa: Sure!

Poromon: Yay!

But then we heard something.

Me: Wait hear that?

Eli: I know that sound! LOOK!

We saw a pack of Velociraptors come!

Me: Velociraptors!

Qin: WHOA MAN! The Earth Raptors!

Eli: I got this!

Eli jumped and went to them.

Eli stared at them and used what he learned from Owen Grady and was using moves and body language to gain their trust.

Ymir: What's Eli doing?

Me: Over in Paleozoic World, Owen Grady taught Eli how to use body language and moves like that to tame a pack of velociraptors.

Qin: Yep.

Ymir: That is cool.

Nico: They aren't aliens this time.

Nicole: No these are dinosaurs. Velociraptors from 67 million years ago.

2003 Mikey screamed like a little girl!

2012 Mikey screamed like a little girl too!

Eli got them to calm down.

Ymir: Eli sure learned well.

I got 6 vials ready.

Ed turned into Edzilla!

Edzilla: ED SMASH!

Ed knocked them down!

I injected them and they reverted back. One was a girl with red hair and purple eyes and the others were young had brown, gold and red hair and orange eyes.

We wrapped them in blankets.

Me: Oh my gosh. Some of them are so young.

Qin: Wow.

Edzilla: ED STRONGEST THERE IS!

HE ROARED!

Poliwag licked each of them.

Nico: Poliwag!

Poliwag: What?

They woke up.

Older girl: (Groans) What happened?

Me: Are you girls okay?

Young girl 1: I think so.

Me: What are your names?

Thomasina Earthbane: I'm Thomasina Earthbane and these are my sisters Martina, Lizzie, Ralphina, Sherry and Erika.

Me: Oh wow! Pleasure to meet you.

Erika Earthbane: Same here.

Lizzie Earthbane: What happened?

Me: You girls were turned into a pack of Velociraptors by the Shredder.

Thomasina: Oh man! We were on the run from BioSyn when we were jumped and everything went black.

Me: Wait BioSyn, InGen's rival laboratories?

Thomasina: That's right. I have evidence that they are responsible for all kinds of terrible things.

She showed a small mound on her finger.

Thomasina: I have a small chip implanted in my finger to get to the police.

Me: Hmm.

Danny Phantom: Let me get that out for you.

Danny used his ghost powers and got it out of her and gave it to me.

Me: Let see.

I used my device and analyzed what was on it. It showed everything they were doing! They did it all, unethical fusion experiments, money laundering, terrorism, murder, and so much more!

Me: (GASP) This is just what we need to throw the book at BioSyn and those jerks times 10,000! I told John that we needed to get evidence on them and we did.

Lizzie Earthbane: You mean John Hammond!?

Me: Yep. That's right.

Nico: Good thing that didn't get damaged during your transformations

Me: I was gonna say.

Thomasina: I'm glad for that too.

I gave the chip to Sheila.

Sheila: This will be crucial in bringing down all those jerks.

Me: All the major law enforcement agencies are going to be after them like a pack of ravenous wolves.

Nico: Good call.

Sydney: Yeah. I'm glad you girls are okay.

Erika Earthbane: We are too Sydney.

Me: The High Mage is dead. You don't want to know how he died.

Lola: Yeah it's for the best.

Rarity: Lets get you all some new clothes darlings.

The Fashion Brigade gave them new purple and grey clothes.

Thomasina: Wow we look awesome.

Me: You sure do.

But then...

SPLAT!

I got hit on the face with something!

Me: HEY! What the?

I saw it was paint.

Me: It's paint! Green color.

Qin: Who threw that!?

Lana: That did!

We saw a Smeargle!

Me: A Smeargle! No wonder.

Poliwag licked the paint off me.

Me: Ew! Poliwag paint is poisonous.

Poliwag: (SPITS!) Yuck!

Nico: But where did that Smeargle come from?

Me: Must be one of Dark Gale's work.

Sheena: It's a girl named Veronica Casterwill!

Sophie gasped!

Sophie Casterwill: (British Accent) My sister is okay!

Me: Whoa! Thank goodness the Blood Spiral didn't get her.

Nico: No shit.

Me: Let go help her.

We went over.

Sophie Casterwill: Veronica it's okay. It's me Sophie.

She threw more paint.

We ducked.

Then She ran and went for Horsea.

She had a clone out.

But she went for Nico and then painted all over his face!

Nico: HEY!

Nico had clown paint all over him and looked like a clown!

Yanma Gast and Eddy then BURSTED INTO LAUGHTER!

Nico: What happened!?

Me: Uhh..

I showed him a mirror and he saw himself.

Nico: HEY!

Maria washed it off.

Yanma Gast: (To me) If you say anything about that I will slug you and pulverize you.

Me: I am not intimidated Yamna and you do have your reputation to uphold.

Nico: Real funny!

Ed (Lion King): (LAUGHING)

Nico: It's not funny ED!

ED LAUGHED HYSTERICALLY!

Nico: HEY SHUT UP!

Ed continued laughing!

Horsea: Ok. We're good

Shenzi: Sorry.

Me: Okay then.

I snapped my fingers and She reverted back. She had brown hair and blue eyes and had fire angel wings and had the symbol of Phoenix on her forehead and had the Casterwill Symbol on her arm with a Phoenix on it as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: That was silly. At least she didn't get May and cover her in Clown paint.

Manaphy: I would strangle her and decapitate her!

She woke up.

Veronica Casterwill: (Groans) (British Accent) What happened?

Sophie: Veronica?

Veronica Casterwill: (GASP) Sophie! You're okay!

She hugged her!

Veronica Casterwill: I thought the Blood Spiral killed you!

Sophie: No it's quite the opposite really.

Me: We were killing them. Long story. But you were turned into a Smeargle by Dark Gale.

Nico: AND YOU PAINTED MY FACE AND MADE ME LOOK LIKE A CLOWN!

Ed the Hyena laughed some more!

Me: Knock it off guys!

Veronica Casterwill: But I'm sorry guys!

Nico: It's okay.

May: The Blood Spiral are still active

Me: We've killed thousands of them all over the place.

Qin: Yeah.

Jared: I'm leading a search party to bring the Casterwill Family Members to the Estate for protection from them.

Me: That's a good idea.

Veronica Casterwill: That's good. I'm glad you're killing them all.

Me: We are. We also destroyed The Organization too.

Veronica Casterwill: That's good news! I'm glad they are gone too.

Me: We are as well. But DeFoe is out there still and still wants me dead.

Veronica Casterwill: Oh man.

Me: I know.

Horsea: He shouldn't be far.

Lincoln: (Sensed for Furious Fu and Evil Ransik) AHA! Gotcha! I just spotted Furious Fu and Evil Ransik, they're 20 yards away.

Dark God of Dusk Paynal fired dark red flames at Furious Fu and Evil Ransik and they got burned badly!

Furious Fu: That will not stop me!

Evil Ransik: You pathetic fools will never stop me! This planet will be...!

But, then, Sylvester grabbed Evil Ransik and Furious Fu by the throat and threw them into a wall! We knew it meant big trouble!

Me: Oh God...!

Ransik: Oh no.

Suddenly, Sylvester's blood red eyes turned neon blood red, and he was surrounded by a black and blood red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, Demonic Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, black and blood red darkness, blood, demonic red eyes, vampire bats, cats, phoenixes, and angels, he unholstered his massive greatsword, and as he menacingly and angrily approached Furious Fu and Evil Ransik, he left black and blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, Demonic Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, black and blood red darkness, blood, demonic red eyes, vampire bats, cats, phoenixes, and angels with every step.

Sylvester: (To Furious Fu) You're nothing more than an Akuma created by Hawk Moth when he went after Master Wu and turned him against his own friends, and I'm not letting you run free any longer. (To Evil Ransik) And you, you are nothing more than the last remnant of Ransik's past, a past that was due to him being poisoned by Venomark. I know he did some things in the past, but he repented for his actions and earned his redemption.

Suddenly, we saw massive colonies of bats appearing flying out into the skies that turned blood red, and then, we saw an ominous sight in the sky: a blood moon, as Sylvester was now suddenly getting extremely pissed off big time.

Sylvester: (GETTING EXTREMELY PISSED OFF BIG TIME) And now, I know how you also came into existence, Evil Ransik, it was all Venomark's fault, using his poison and a trace of Ransik's DNA before he was cured. As if what he did wasn't bad enough...! HE HAD TO RESORT TO THAT LITTLE STUNT, THAT'S IT! HE'S DONE, HE'S FINISHED! VENOMARK, I SWEAR BY THIS DAY'S END, YOUR PATHETIC LIFE WILL RUN OUT AS YOUR OWN LIFE BLOOD IS SPILLED ON THE STREETS FOR ALL OF YOUR ACCURSED CRIMES!

We suddenly gasped in pure shock and horror: THE VERY TERRIFYING, TRULY DEMONIC, AND TRULY VAMPIRIC RAGE WITHIN SYLVESTER HE UNLEASHED LAST YEAR HAS FINALLY BEEN UNLEASHED ONCE AGAIN, AND HE'S ABOUT TO LAY WASTE TO FURIOUS FU AND EVIL RANSIK, AND IT'S GOING TO BE A REALLY MASSIVE BLOODBATH OF SPILLED OCEANS OF BLOOD THAT HAS NOT BEEN SEEN EVER SINCE THE DAYS OF ALUCARD FROM HELLSING'S PAST LIFE AS VLAD DRACULA OVER 500 YEARS AGO!

We did so, and then...!

?: (Romanian Accent) You know what needs to be done. Unleash your anger and rage towards them, and show them no mercy.

Sylvester: (Echoing Voice) Yes.

Then, the blood moon shined even more as more colonies of bats appeared flying in the skies.

Sylvester: (Echoing Voice) I am The Dark Wings of Dark Justice, here I stand, a Dark Knight of Justice, Vengeance, and Blood ready to tear evil asunder and avenge the innocent!

Then, massive and unimaginable torrents of black and blood red darkness with demonic red eyes and blood were unleashed, and they began flooding the planet, it was as if The Gates of Hell have opened and the armies of the dead have been freed!

You may have numbers thanks to the Cyclobots, but you're both still outmatched.

Evil Ransik: We'll see about that! KILL HIM!

The Cyclobots charged at Sylvester, but he charged at them, and Sylvester fired extremely powerful blasts of black and blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, Demonic Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, black and blood red darkness, blood, demonic red eyes, vampire bats, cats, phoenixes, and angels, and they exploded with incredible power as they hit them, and he also killed many of them with his massive greatsword and his army of Dark Knights also joined in as well in killing the remaining Cyclobots.

Me: He's gotten rid of the Cyclobots!

Evil Ransik: Don't think this is over yet!

Suddenly, Evil Ransik got out a vial full of a green formula, and he injected it into himself. But, then, he suddenly groaned in pain as he turned into an 8'0" tall hulking behemoth with bones protruding from his arms and back as he let out a bellowing roar!

Me: What the?! Was that the...?!

Batman: The Titan formula, and there was only one person he could've gotten it from.

Nico: The Joker.

I really hate that clown.

Batman: Sylvester, don't try to take him head on, try to find a way to stun him when he starts charging at you.

Suddenly, Evil Ransik let out a massive roar and charged at Sylvester who threw a Batarang at his face stunning him and he crashed into a rock. Then, he proceeded to beat him down, until Evil Ransik recovered.

Eli: He's recovered from the beatdown.

Batman: Not for long. If Sylvester keeps using the same tactic I'd used on Joker's henchmen when they were infected with the Titan formula, he'll take down the evil version of Ransik.

Sylvester continued using the same tactic by waiting until Evil Ransik charged, then he blinded him with a Batarang stunning him and causing him to crash into a rock, and he finally took him down with a double fisted downward punch.

Ransik: Impressive.

But, this needed to be done.

Then, Sylvester used the holographic projector on his right Bracer as a holographic screen appeared, and we saw Alfred on the screen.

Evil

Ransik took some of the Titan formula, and I have a bad feeling he made a deal with The Joker.

Alfred: Ah, I was just about to contact Master Bruce and all of you in the process, Sylvester. Sending you the video now.

Alfred sent us the video, and we saw it for ourselves: the evil version of Ransik did come to the very prison Joker was thrown into and he'd gotten some of the Titan formula.

Me: But with help from Anti-Monitor, it's no longer lethal, but it's still just as deadly.

Batman: Joker used a Venom plant hybrid to create the Titan strain, and the plant's the key.

Poison Ivy: I know where those plants are at, they're in Killer Croc's lair. Joker's planning to cause the Arkham Asylum incident all over again, so we need to get the Anti-Venom mold samples to create an antidote.

Me: So, now we know what Joker's planning for the future. We'll need to make Anti-Titan antidote to foil Joker's plan.

Batman: Alfred, contact Gordon and the rest of The GCPD, let them know in the future, we're going to war against The Joker.

Alfred: Of course, sir.

The holographic projector disappeared.

Me: (To Furious Fu) Now, where were we?

Mevya: Take that!

Gatomon then poured salt and ketchup on Mevya

Mevya: HEY! Gatomon stop it! We got work to do!

Gatomon: Oh right sorry.

I punched Evil Ransik and knocked him into the ground.

I fired waves of lightning and electrocuted him all over and he screamed in pain!

Poromon shook a beer bottle and fired it and smashed it into him.

I punched Evil Ransik and blasted him all over.

Me: Had enough Ransik? Or do you want some more?

Evil Ransik tried to choke Mevya. But he slipped out of his hand and belched in his face.

Gatomon: LEAVE THAT APPETIZER ALONE!

Gatomon punched him down!

I kicked him in his face!

Me: Not very honorable to go after the mascots!

I punched Evil Ransik and kicked him down.

Gatomon: NO ONE eats Mevya but me!

Mevya: HEY!

Then we banished those powers to the Black Abyss!

Me: That was too easy!

Benedict Uno Sr.: Huh?! Why you!

I teleported him to the M.O.E.

Me: There.

Princess Celestia: And I know just to help us too.

She had Daybreaker come out!

Me: DAYBREAKER!

Daybreaker: I've heard everything that happened and I want to help end the terror of Opaline too.

Me: Well that's good you do.

Nico: Yeah! Okay then..

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 翻訳：夏と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へ送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、彼女を冥界の闇へと永遠に送り届けよ！我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へ送り届けよ！(Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send her to her place of eternal damnation! Then, I held out my left hand and fired 999 massive balls of fire at Furious Fu, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and Super Brother.

Then, when Lincoln and Super Brother were done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln and Super Brother drained their souls of energy and sent them to The Black Abyss and they let out a loud and massive roar of dominance and power as they pounded their chests like two Alpha Male Gorillas!

And when we take down Venomark's secret weapon.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of Furious Fu and Evil Ransik and a cluster of rainbow, white and blue heavenly flames exploded out behind their backs, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, FURIOUS FU AND EVIL RANSIK!

Lincoln, Nico, and I did one final powerful energy slash that hit Furious Fu and Evil Ransik hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Furious Fu and Evil Ransik were on their last legs and they were really really mangled.

God of Dawn Hopi, Dark God of Dusk Paynal, take him down.

God of Dawn Hopi and Dark God of Dusk Paynal fired blasts of red fire that knocked down Furious Fu. Then, Lincoln, Nico, and I punched Furious Fu so hard in the face, he got two swollen black eyes and Lincoln tied him up with rainbow energy chains, and as he opened up a portal that led to The M.O.E., Nico and I kicked him hard in the stomach and sent him flying in as the portal closed!

We powered down. But then, we saw Sylvester walking towards Evil Ransik.

Then, Lana's clone came, and she got out a vial full of the Anti-Venom mold spores.

Lana: Awesome. (To Sylvester) Sylvester, don't! Don't kill him, I got the Anti-Venom mold spores Pamela spoke about.

Ransik: You sent a clone to Croc's lair to get the mold spores. But, we're not in the Batcave.

Lisa Loud: No need.

Lisa got out her portable lab, and grabbed the mold spores and began working to create the antidote for the Titan strain.

Lisa Loud: This is more than enough spore samples to synthesize an antidote. But, we need to tie up Evil Ransik.

Lincoln fired rainbow energy chains that tied Evil Ransik up.

Finally, Lisa got out a green liquid in a capsule on an injector.

Lisa Loud: It's done, despite it was a slow process, the cure has been completed. Now, we just need to make him take his medicine.

Sylvester snatched it from Lisa and ran at Evil Ransik who got free and he plunged the injector into his neck and injected the antidote into him, and the antidote worked as he was back to normal, but since he was made by Venomark's poison, he melted into goo.

Nadira: He...he melted.

Ransik: It was because he was created by Venomark, he was doomed to die: a tragic fate.

Sylvester holstered his massive greatsword on his back and powered down, and his new body, clothes, jewelry, Third Eye, larger and longer black tail, large gold halo and large Amaterasu's Heavenly Mirror of Four Holy Beasts with crescent moon ring-shaped frame with embedded blood red gems behind the large gold halo and second smaller halo of light behind his head and four large orbiting gold rings on each corner with four large Amaterasu's Heavenly Mirrors of Four Holy Beasts with crescent moon ring-shaped frames with embedded blood red gems on each corner behind the four large orbiting gold rings and six halos with second smaller halos of light above his Bracers, ankles, and beside his thighs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and blood red planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and blood red planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles and enormous midnight black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large midnight black angel wings underneath his enormous midnight black angel wings are permanent.

Nico: That should do it, Furious Fu is now in The M.O.E., and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Skyralaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Skyralaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Caleb Maxwell grabbed the bat and broke it on his knee!

Lynn: Hey, that was my...!

Suddenly, the skies turned red as Caleb rose into the air and we saw demonic hands rise up and we heard the screams of the souls of the damned!

Lynn: (SCREAMS) YIKES!

Lynn fled behind Lightning!

Lincoln: Oh boy, even if Caleb's forever freed, he still has a nasty temper.

Suddenly, Galaxyflame appeared. But, then, we saw six other galaxies appear, but they had water, wind, lightning, flowers, darkness, and energy surrounding them.

Galaxyflame: Guys, meet the other members of my team.

Lincoln: (GASPS) No way, that's Galaxywater, the Hypothetical Akuma of Kai Chen and he is a Galaxy of Water and he has intense water powers. He was made because of Scorpius killing his friends, and he vowed to make him and all his followers pay, Galaxywind, the Hypothetical Akuma of Damon Henderson and he is a Galaxy of Wind and he has intense wind powers. He was made because of the crimes of Trakeena and Scorpius and he vowed to end them and their followers, Galaxythunder, the Hypothetical Akuma of Maya and she is a Galaxy of Lightning and she has intense lightning powers. She was made because of the crimes of Trakeena and Scorpius, and she vowed to destroy them and their followers, Galaxyflower, the Hypothetical Akuma of Kendrix Morgan and she is a Galaxy of Flowers and Earth and she has intense flower and Earth powers. She was made because of Trakeena killing her in cold blood, and she vowed to destroy her, Scorpius, and their followers, Galaxydark, the Hypothetical Akuma of Karone and a master of darkness and the night. She was made because of Trakeena and Scorpius killing her friends and vowed to kill them and their followers, and Galaxystar, the Hypothetical Akuma of Mike Corbett and he is a Galaxy of Stars and Energy and he has intense star, space, and energy powers. He was made because of Scorpius and Trakeena, and he vowed to destroy them and his followers.

Lincoln got out his sketchbook, and we saw them: they're six galaxies, but they had water, wind, lightning, flowers, darkness, and energy surrounding them.

Me: Incredible!

Suddenly, the galaxies went at Lincoln and they fired extremely powerful blasts of fire, water, wind, lightning, flowers, earth, darkness, stars, space, and energy at him, and they even grew to giant size and slammed into him.

Nico: What the?!

Suddenly, Lincoln began sucking in and absorbing the blasts of fire, water, wind, lightning, flowers, earth, darkness, stars, space, and energy. Then, Lincoln began sucking out and assimilating Galaxyflame's intense fire powers, Galaxywater's intense water powers, Galaxywind's intense wind powers, Galaxythunder's intense lightning powers, Galaxyflower's intense flower and Earth powers, Galaxydark's intense darkness and night powers, and Galaxystar's intense star, space, and energy powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Finally, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with elemental forces, mythical beasts, and animals , his immense rainbow protective aura and holy white aura was like a raging fire, and he had a multi-colored energy aura with fire, water, wind, thunder, flowers, earth, darkness, stars, and space, and the seven Galaxies were returned back to their original sizes.

Me: Okay, what the heck was that about attacking Lincoln like that?!

Galaxywater: Sorry, but we had to do it to prepare him, someone's sent clones of us to Mobius, and are causing havoc.

Nico: You could've just told us, you know!

Caleb Maxwell: Attacking someone by surprise like that, are you trying to get in trouble with me?!

Galaxyflower: No, we're not. And besides, you're no longer that threatening psychopath any longer, you don't scare us anymore.

Suddenly, Caleb Maxwell started getting pissed!

Caleb Maxwell: What...did you say?!

Galaxywater: You heard her, we're not scared of you anymore, you have no power over anyone, you undead psychopath. Even if you're forever purified, it won't change the fact you still got oceans of blood on your hands that started on the final days of your life before your death!

WE GASPED!

Me: Oh God! I can't believe you said that!

Nico: Don't come crying to us if Caleb goes berserk!

Caleb Maxwell: (To the Galaxy Akumas) Why you...!

THEN, THE LOOK ON CALEB MAXWELL'S FACE CHANGED: HE HAD SHARP TEETH IN HIS MOUTH, HIS RED EYES SHRANK, HE HAD ANGRY VEINS ON HIS FOREHEAD, HIS DARK BROWN HAIR WENT WILD, AND HE HAD DEMON HORNS GROWING OUT OF HIS HEAD!

Caleb Maxwell: (ENRAGED YELL) YOU MUST BE OUT OF YOUR DAMN MINDS, YOU ASSHOLES!

Galaxyflame: WHAT THE?!

BANG! BANG! BANG! BANG! BANG! BANG! BANG! BANG! BANG! BANG! BANG! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH! SLASH!

CALEB MAXWELL SHOT AND SLASHED AT THEM LIKE CRAZY!

Galaxystar: Oh crap! RUN FOR IT!

They freaked out and screamed in terror and fled back to The M.O.E.

Lincoln: Uh oh, looks like we got to deal with Caleb's unhinged psychopathy yet again.

Nico: That was explosive

Me: HOLY CRAP! No kidding!

Qin: Yeah!

Xenia: And we got rid of Grandfather too as a bonus.

Daybreaker: That was amazing though.

Me: It sure was.

Princess Celestia: I guess if Nightmare Moon can be reformed, you can too.

Daybreaker: That is true.

Nico: Nice job, Hoopa.

Hoopa: Thanks! That was fun.

Poromon: Want some beer?

Hoopa: Oh no thanks. Goes right through me.

Me: Ew!

Nico: I did not need to hear that.

WE LAUGHED!

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Hoopa: Nice try though pipsqueak.

Poliwag: HEY!

Poromon: Oh Nico we're going to drive a party bus for Brittney Wong.

He handed him an invitation.

Nico: (Reading) "You are invited to the Birthday Party of Brittney Wong on board the Party Master Bus 4000. Concert Performance with The Rainbooms, food, cake, presents and games." Cool!

Brittney Wong: I hired the mascots for it and want J.D. and the Rainbooms to have a concert with us there.

Star Butterfly: YAY! You are going to have a lot of fun!

Marco Diaz: We had an awesome party the last time.

Brittney Wong: You sure did and I thought the last one was horrible. But it was not.

Nico:…I'll keep Ratchet on standby in case there's an accident

Ratchet: You can count on me boss!

Cybertron Red Alert: And I'll have everyone in me so we'll keep an eye out.

Nico: We'll try not to make a mess in you.

Cybertron Red Alert: Thank you.

Nico: Oh Crystal Snail, what do you like to do in your free time?

Crystal Snail: Oh I make crystal themed cave room for a new restaurant that opened up. It's called The Geode Buffet.

Lola: It's a crystal cave themed restaurant that is also an all you can eat buffet. They even have an amazing gift shop there where you can buy geodes and minerals.

Me: Cool! We'll have to check it out.

Xenia: Good idea.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, one of the Anothers is Another Wes Collins.

Wes: Another me? Whoa!

Me: Wow!

Me: So Crystal Snail, Gary the Snail, Qinlong Chen, Snellie, Cerria Kiryu, Brenda Brentall IV and Sally Snail are up and we have Another Escargoon, Reedman, Mayhem, Orange Snail, Julius Mosca, Snail Fangire and Larry the Snail, SpongeBob and Squidward now snails

They reverted back and were the gene-slammers of The Aegnt of Mystery - Earth and Maiden With Eyes of Blue!

Nico: Catherine Gaia and Azure Albedo!

Catherine Gaia: Good to see you Nico.

Azure Albedo: Same here.

Me: The gene-slammers of The Aegnt of Mystery - Earth and Maiden With Eyes of Blue.

Azure Albedo: That's right.

Me: Cool. By the way girls are the rest of the Anothers friendly or hostile?

Catherine Gaia: Friendly and you're going to be surprised at who the Another Wes is.

Me: Whoa this will be interesting.

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now we wait.

Me: We don't have to wait long!

We saw Another Escargoon and Wes!

Me: WHOA!

Qin: This will be intense!

Another Escargoon: (In a girls voice) It sure will.

Axel Brodie: (GASP) That voice!

She reverted back and it was the gene-slammer of Volcanic Doomfire!

Axel Brodie: Adrianna!

Adrianna Brodie: Hey bro!

They went and hugged.

Axel Brodie: I'm glad you're all right sis.

Adrianna Brodie: Me too bro.

Me: Your sister no doubt.

Axel Brodie: That's right. This is my sister Adrianna. She is a Volcanic Duelist like me and we use fire monsters for that.

Me: Cool! Pleasure to meet you. You're the third member of the Duel Academy Elite.

Adrianna Brodie: That's right and it's a pleasure to meet you too. I'm glad Axel was safe with you all.

Me: He has been a tremendous help to all of us.

Qin: Yep.

Nico: And your friend?

She reverted back and was a Black Time Force Ranger!

Me: WHOA! A Black Time Force Ranger!

Jen Scott: We never had a black one.

She took off her helmet and was a girl with black hair and blue eyes.

Taryn Collins: Pleasure to meet you both ancestor Wes and Jen. I am Taryn Collins and I am your descendant.

Wes: WHOA! You're our descendant!? Wow!

Jen: What year are you from?

Taryn Collins: I am from the year 17,122.

Me: WHOA! That's 15,098 years from now!

Nico: WOW! That's a long time!

Me: Is something going on that we need to be prepared for?

Taryn Collins: No I'm just here to kill him!

She pointed to Ransik.

Me: Why?

Taryn Collins: I should explain. I come from an alternate time where Ransik succeeded in taking over the world in the year 3000 and we had no other option but to evacuate the Earth. So we took a powerful ship like the Aratrum and left and never came back to Earth.

Me: Oh man that's terrible!

Nico: Yeah.

Taryn Collins: Yeah. We travelled for over 14,000 years in suspended animation in cryogenic sleep until we arrived to the planet Tau-Ceti-E.

Yuko Tani: Tau-Ceti-E!? That's the planet where we lost many of our friends and family.

Me: Really nasty story but also that planet is uninhabitable. It's like Venus.

Taryn Collins: That's right. But we made a really amazing new Terraforming Device. Have you all ever wondered why Mars got Terraformed suddenly?

Nicole: Yeah that really baffled me since we found out about it in 2020.

Taryn Collins: It was because of a new Terraforming Device we built.

She showed blueprints of it.

Taryn Collins: This is the Subatomic Ecosystem Terraforming Laser Cannon. It has the power to terraform dead and uninhabitable planets in an instant.

Me: Wow! That is amazing!

Nicole: So advanced!

Taryn Collins: It is. We tested it out on Mars. We fired a beam at Mars and it worked and terraformed Mars in an instant!

WE GASPED!

Me: So you Terraformed Mars!?

Nicole: HOLY CRUD! That is incredible! We had no idea how that happened! Now we do!

Qin: I'll say! Mars went from a Dead planet to a planet like Earth instantly! That is so amazing technology.

Brynja: (Icelandic Accent) No wonder the Martians were pissed at us when we faced them.

Taryn Collins: I know.

Me: Because their home was turned into a world like ours!

Nico: Wow!

Me: But why do you want to kill Ransik?

Taryn Collins: Because he Robbed us of our home and for over 14,000 years we were stuck on that ship. So I decided to come here to the 21st Century to kill him before he could cause that kind of damage.

Me: Wouldn't it have been easier to go back in time to the 31st Century to do that?

Taryn Collins: My first intention was to go back to the 31st Century to do that. But I heard he went to Silver Falls in the 21st Century. I then decided to help my ancestors bring him down. I took a morpher and I became the Black Shadow Time Force Ranger.

Me: Wow! That is cool! But Ransik is not that kind of person anymore.

Qin: Yeah Ransik redeemed himself.

Me: It's true.

Kaito: (gets out GoGoV gear) Did Swartz promise you anything?

Zocks: (gets out Timeranger gear) Because we can grant it instead.

Adrianna Brodie: We weren't promised anything though. I used my powers and we ran.

Taryn Collins: This Swartz guy grabbed me as I was traveling through time and took me here.

Me: You're in the year 2024. 23 years away from the time you were supposed to travel to.

Sakura Knudson: Swartz took you away as you were traveling through the Space Time Continuum.

Me: Also Swartz is the Zi-O Kamen Riders enemy and an enemy that we have hated for a long time.

Maxxine: Yeah we battled him on my missions in 2022. We've been cleaning up his mess for over 2 years now.

Me: Nasty story on that one. But you should know that Ransik has changed since then.

Sougo: (gets out Lightspeed Rescue Ridewatch) Ransik HAS changed for the better

Geiz: (gets out Time Force Ridewatch) And you should've been here a while ago

Sougo got LightspeedRescueRedArmor while Geiz got TimeForceRedArmor.

Me: Yeah we battled an evil version of him and I smashed that one into dust.

Taryn Collins: I see. Maybe that was the one that I was going after.

Me: Hmm. It might be.

Laney: Yeah.

Taryn Collins: Well you guys did my work for me.

Me: Is there any way to get back home?

She handed me a damaged device broken beyond repair.

Taryn Collins: That's my time bracelet. It was destroyed by Swartz.

Me: Oh man. Looks like you're stuck here with us. Lets separate you first.

We did so.

Me: Lets dance!

Nico: (GETS OUT ESCARGOON'S RIDEWATCH) SNAIL POWER!

May: (GETS OUT MAYHEM'S RIDEWATCH) SNAIL FORCE!

Universe 666 May: (GETS OUT ORANGE SNAIL'S RIDEWATCH) SNAIL UP!

Maria: (GETS OUT SNAIL FANGIRE'S RIDEWATCH) SHUT THE FUCK UP SNAILFUCKER!

Me: WHOA! COLORFUL!

Maria: Sorry.

Lincoln: (Gets out Larry the Snail, SpongeBob and Squidward now Snails ridewatches) BLOW THE MAN DOWN!

Gary: Lets do it! (Gets out Reedman's ridewatch)

They used the powers of Escargoon, Reedman, Mayhem, Orange Snail, Julius Mosca, Snail Fangire and Larry the Snail, SpongeBob and Squidward now snails and blasted the Anothers.

(Larry, SpongeBob and Squidward meowing Blow The Man Down)

Larry: Meow [B], meow [C], meow [B], meow [G], meow [E].

Squidward: Meow [D], meow [D], meow [D], meow [D], meow [C], meow [A], meow [G], meow [A], meow [F].

Me: That had to hurt!

Live Action Crosshairs: Hey Gary. How's it feel to have a Decepticon as an archenemy?

Gary: It feels really cool.

Me: It sure does.

Taryn Collins: Now let me show you what I can do. THE NIGHT STAR OF THE SPACE TIME CONTINUUM! BLACK SHADOW TIME FORCE RANGER! (ECHOING)

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted off behind her and she was ready!

Me: YEAH!

Qin: COOL!

Taryn Collins: Shall we do it together J.D.?

Me: You know it! Vortex cannons ready!

Wes: Coming at ya!

They summoned the blasters and we combined them.

Taryn had a really powerful black bow cannon added to it.

Me: Ready?

We locked on target!

Taryn Collins: FIRE! NIGHTFREEZE DEATHRAY!

KRABLAM!

We fired a powerful black laser blast and it slammed into Another Wes and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Me: YEAH!

He was shrunk down to the size of an action figure and I caught the ridewatch.

I picked him up and put him in a pod.

Nico: Wes Collins you have failed this world!

Poromon: That's right!

Nico: YEAH!

HOING!

NICO GOT AN ATOMIC WEDGIE!

Me: What the!?

We saw ANOTHER ME!? WHAT THE FUCK IS GOING ON!?

Me: IS THAT ME!? Okay you impostor! Let the underwear go!

She laughed and it was CHAMELEON (KUNG FU PANDA 4!)

Po: Chameleon!

Also Mothman (Monster Legends), Another Hibiki, Onnin, Black Priest's Daughter, Lady Piratress, Demon Peter Puppy, Constructicon Devastator (Live Action Transformers) and Shadybug came.

Me: WHOA!

Qin: WOW!

Nico: OW! Wow! Nice team Mothman!

Mothman (Monster Legends): Thanks Nico.

Nico: (To Chameleon) GIVE ME A WEDGIE WILL YOU!?

Chameleon: You have no sense of humor…

Me: He just hates it when people get the drop on him.

Qin: Yeah.

?: That's Nico for you.

Elemental HERO Bladedge came!

Me: Elemental HERO Bladedge! Wow!

Qin: Cool!

Elemental HERO Bladedge: (In a girls voice) This will be awesome.

Nico: Brenda Bladedge! Wow!

She reverted back.

Brenda Bladedge: Good to see you Nico. I got this! EDGE HAMMER!

She jumped and smashed Another Escargoon and I caught the Ridewatch and purified it.

Me: YEAH! MWAH! Cest Magnifique!

Marinette: Anothers worthy of being turned into Escargot.

Me: Yep.

Nico: Nice job.

Brenda Bladedge: Thanks. That was fun.

Gary: Got any cool memories of Nico babe?

Brenda Bladedge: (LAUGHS) Well when me and Nico were in metalworks class and we made a bunch of awesome kitchenware and sold it for a lot.

Me: Nice!

Qin: Yep.

Nico: That was fun.

Nico hugged her.

Nico: I've missed you.

Brenda Bladedge: Same here.

We went back home.

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the cloness, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at them, and they exploded with incredible power as they hit them. Then, Skippy balanced himself on his tail and delivered a hard kick to the clones, and they screamed in agonizing pain.

Lincoln continued smashing the clones hard with his extremely massive godly superhuman strength, and they're no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them and he even attacked them using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash them all over the place!

Suddenly, the galaxies went at Lincoln and they fired extremely powerful blasts of fire, water, wind, lightning, flowers, earth, darkness, stars, space, and energy at him, and they even grew to giant size and slammed into him.

Nico: What the?!

Suddenly, Lincoln began sucking in and absorbing the blasts of fire, water, wind, lightning, flowers, earth, darkness, stars, space, and energy. Then, Lincoln began sucking out and assimilating Galaxyflame's intense fire powers, Galaxywater's intense water powers, Galaxywind's intense wind powers, Galaxythunder's intense lightning powers, Galaxyflower's intense flower and Earth powers, Galaxydark's intense darkness and night powers, and Galaxystar's intense star, space, and energy powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Finally, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with elemental forces, mythical beasts, and animals , his immense rainbow protective aura and holy white aura was like a raging fire, and he had a multi-colored energy aura with fire, water, wind, thunder, flowers, earth, darkness, stars, and space, and he sucked out the energy remaining in their souls as they faded away, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down, and we return home to The World Tree Estate.

Me: That was one awesome battle.

Nico: And Lincoln absorbed the clones of The Lost Galaxy Akumas as an added touch.

Lincoln: Plus, it also supercharged the powers of The Lost Galaxy Rangers and their enemies that I have. If I absorb clones of the hypothetical Power Ranger Akumas and I and all of us assimilate the powers of the real hypothetical Power Ranger Akumas, it'll be an additional scare to Lord Zedd when we face him on Jason's big day.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Lakeside Lady on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Lakeside Lady on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Lakeside Lady, and she has a fire greatsword, and with her are the nine girls.

Lincoln: (GASPS) Kenna Vulcania, Avatar and Gene-Slammer of Laval Lakeside Lady.

Kenna Vulcania: That's right, and I got the girls away from the Lost Galaxy Akuma clones, and I also managed to see you suck in those Lost Galaxy Akuma clones.

Me: That was one awesome finale.

Lincoln: Yep, but it's also a prelude to our final showdown with Lord Zedd, don't forget, that'll be where we end him forever. (To Kenna Vulcania) And it's so good to see you again, Kenna.

Kenna Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Kenna Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Kenna Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Kenna Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Kenna Vulcania's waist and hugged her, and Kenna Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his

massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Kenna Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with

gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Kenna Vulcania, Avatar and Gene-Slammer of Laval Lakeside Lady, she's Lincoln's Guardian Angel from Michigan and she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady. She's The Volcanic Lava Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Kenna Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Kenna Vulcania despises Lori, Lisa, and Luan with a bloody passion. Years ago, Kenna Vulcania's ex-boyfriend, Ryan Parsons, he knew he and Kenna were never meant to be boyfriend and girlfriend ever since he found out about hers and her sisters' secret and that they're Lincoln's Guardian Angels and destined to not only protect him, but also, marry him. They broke off their relationship on good terms and he wanted to participate in the future wedding between Kenna, her sisters, and Lincoln, but tragedy struck: Lori, Lisa, and Luan kidnapped Ryan Parsons and they beat him up severely to the point of death and threw him into The Kalamazoo River to die, but Lincoln and Kenna saved him and got him to the hospital where he was treated for his injuries, and as for Lori, Lisa, and Luan, those three conspirators not only got beaten to a bloody pulp, but they got thrown in jail for attempted murder!

Nico: When Adara told us of what Lori, Lisa, and Luan did to your ex-boyfriend, Ryan, I was really pissed off at their cruel callous act.

Lincoln: What they did was absolute cruelty, but after we saved him, we got him to the hospital and punished them for what they did, and now that you're here, Kenna.

Lincoln with his massive muscular arms still wrapped around Kenna Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Kenna Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Kenna Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Aalish Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Kenna Vulcania.

Kenna Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Kenna Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Kenna Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Kenna Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Kenna Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the nine girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the nine girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the nine girls are Yakumo Serizawa, Isis, Hinano Hayama, Neftis, Levi Hoen, Serika Hoshinaga, Nanase Shikami, Ena Jinguji, and Yukari Makina from Kyokugen Chikan Tokuiten NEO.

Lincoln: Oh whoa, it's Yakumo Serizawa, Isis, Hinano Hayama, Neftis, Levi Hoen, Serika Hoshinaga, Nanase Shikami, Ena Jinguji, and Yukari Makina from Kyokugen Chikan Tokuiten NEO.

Nicole: Uh oh, Red and Travis were right telling the guys to run. Some of the girls have clothes that reveal part of their cleavage and they're also sexy.

Lincoln: In other words, targets for perverts and psychos out to slake their thirst for blood which I'm not going to let happen. Are you girls okay?

Yakumo Serizawa: Yes, we're okay thanks to you.

Then, when Yakumo Serizawa and the other eight girls saw who it was that saved them from the clones of the Lost Galaxy Akumas, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and Yakumo Serizawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yakumo Serizawa: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yakumo Serizawa, Isis, Hinano Hayama, Neftis, Levi Hoen, Serika Hoshinaga, Nanase Shikami, Ena Jinguji, and Yukari Makina with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one wild battle we had on Mobius.

Rev Runner: Aw, too bad I didn't get a chance to go wild on them.

May: Unfortunately, that's not the case with hypothetical Akuma clones.

Lincoln: But, you still had fun though, and I managed to absorb them as well.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long green hair, green eyes, green angel wings, she has the symbol of St. Patrick's Day on her forehead and right arm, and she was dressed in a green two-piece bikini.

Lincoln: (GASPS) Ionna Irishvairaira, Queen of The Irishvairairans of Planet Irishvairaira and The Embodiment of St. Patrick's Day and Ireland.

Nico: No way, the only Irishvairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Ionna Irishvairaira, Queen of The Irishvairairans of Planet Irishvairaira and The Embodiment of St. Patrick's Day and Ireland, she's Lincoln's Guardian Angel from the planet Irishvairaira, a St. Patrick's Day planet of true Irish nature in The Forbidden Zone, she's The Queen of The Irishvairairans who rules the St. Patrick's Day planet of Irishvairaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, all Celtic Magic, all Celtic Powers, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, all Celtic Magic, all Celtic Powers, and all the powers of St. Patrick's Day, and the ability to grow even stronger, and all the powers of her people times infinity, and just like with Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Irishvairaira where he would meet The Irishvairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Irishvairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, all Celtic Magic, all Celtic Powers, all the powers of St. Patrick's Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Irishvairaira and its core into his body and Irishvairaira's Sun into his body to preserve their legacy. Ionna Irishvairaira came to Earth and

Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, all Celtic Powers, all Celtic Magic, the powers of St. Patrick's Day times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, immense powers of nature, all Celtic Powers, all Celtic Magic, the powers of St. Patrick's Day times infinity, and the ability to grow even stronger, and all the powers of The Irishvairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she knew about Lincoln's Scottish bloodline and his bloodlines from the mighty King Arthur and The Goddess of The Sun in Japanese myth, Amaterasu, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Irishvairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of nature, all Celtic Magic, all Celtic Powers, all the powers of St. Patrick's Day times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Irishvairaira and its core and Irishvairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a passion and she swore to banish them to The Celtic Otherworld to be damned forever at the hands of the creatures and deities that live there.

Me: That's incredible.

Ionna Irishvairaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Irishvairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all Celtic Magic, all Celtic Powers, all the powers of St. Patrick's Day times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Valentinesraira and its core and Valentinesraira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Ionna Irishvairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Ionna Irishvairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Ionna Irishvairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ionna Irishvairaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Ionna Irishvairaira: That's my special gift to him: Irishvaraira's Blessing of Divine Irish Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Ionna Irishvairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Irishvairairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us took down the clones of the Lost Galaxy Akumas and he absorbed them, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

00,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Kenna Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Kenna Vulcania: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Kenna, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Kenna Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Kenna Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a

storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Marlene Maxwell got out a videotape.

Me: Mrs. Maxwell, what's that?

Marlene Maxwell: This videotape here is from the early autumn of September 21st, 1985, it'd been six months since the vampire incident at NYU and after Caleb and Sharon lost their friends, and that day still haunted Caleb as he continued on with his classes. This is from when he and a group of his friends were heading to the cemetery on a dare one of the kids planned: they were going to summon a ghost.

WE GASPED!

Lucy Loud: Gasp, but they do not have the skills like we do.

Caleb Maxwell: No, they don't and they're not Goths, they're just college kids who wanted to have fun, but I didn't want to participate in it at all. It's not just the threat of messing with the world of the paranormal, but ever since the vampire scares had started since the beginning of my college life in the fall of 1984, I'd always gotten a little nervous when it comes to delving into the world of the paranormal, especially ever since finding out I'm part of the world of the supernatural because of my bloodline being part of the world of the vampires.

Marlene Maxwell: And their messing around with the world of the paranormal would lead them to going batshit crazy and let's just say a certain someone pushed the wrong button on Caleb's back, isn't that right, Carter Kenrick?

Carter Kenrick: Uh oh...

Marlene Maxwell put the tape in and it played on the big screen and it showed New York in the early Autumn and during the late afternoon to early evening hours of September 21st, 1985, it'd been six months since the vampire incident at NYU and after Caleb and Sharon lost their friends, and that day still haunted Caleb as he continued on with his classes.

Then, we saw Caleb Maxwell and a group of five college kids, three male white-furred cats with red, brown, and black hair and tails and two female beige-furred cats with long brown and blonde hair and tails named Wayne Matthews, Martin Stevens, Ellen Pearson, Natalie Hartwood, and Nathan Hawkins heading to a cemetery, and one of them had a spellbook in hand.

Nathan Hawkins: Yes, we've made it in time. This is gonna be so awesome.

Natalie Hartwood: Calling upon a ghost, this should be fun, but shouldn't that be saved for Halloween next month?

Wayne Matthews: You kidding me? I want to do it now, I want to experience the rush of summoning a spirit.

Past Caleb Maxwell: (Thinking) You're a damn fool, Wayne. Dragging us out here to the cemetery especially when it's about to get dark.

Maria: Seriously? That's also 80s Horror Movie Rule Number 3, never go to a cemetery especially when the sun's about to set and bringing a spellbook as well to summon the ghost! Are they insane?!

Caleb Maxwell: You have no idea just how right you are.

Then, we saw them draw symbols on the ground along with a circle, and as the sun finally set and night fell, they lit up candles and placed them around in a circle and Nathan Hawkins got out the spellbook and saw the page to open the door and let the spirits enter.

Nathan Hawkins: The time has come. (Reciting the Incantation) Ancient Powers of Ages Past, I call upon your power to open the door to the world of the dead and let the spirits enter into our world.

Suddenly, the winds started picking up as it blew across the cemetery, and the others were waiting for the ghost to appear. But, not Caleb Maxwell, suddenly, his mark reacted as blood began seeping out.

Past Caleb Maxwell: N-no...! Not now...! Crap!

Caleb Maxwell ran!

Natalie Hartwood: Oh! My! God! That coward! Caleb ran off!

Ellen Pearson: Ah, leave him! He's too much of a coward anyways, not man enough to face the unknown! (FLIPS CALEB THE FINGER) You ain't a fucking man, Caleb, not like your younger brother, Drake! Who's more man than you!

Past Caleb Maxwell: (From the distance) I hope you never survive the night!

WE GASPED!

Maria: Oh God, that was a threat!

Nico: Yikes!

Caleb Maxwell: You have no idea how much I wanted to kill her for saying that! She has no damn idea of the things I'd been through!

Then, they saw a fog appearing.

Wayne Matthews, Martin Stevens, Ellen Pearson, Natalie Hartwood, and Nathan Hawkins: YES! YES! IT'S WORKING!

But, then, a blinding white light blinded them. Meanwhile, Caleb was still running away from the cemetery fearing of running into Cage and Travis and he headed into the streets to head home.

Past Caleb Maxwell: That was close, but after what Ellen said, I hope that bitch gets haunted for the rest of her life, same with the others. At this point, I feel like I want nothing more than to make all those who made my life Hell pay with their lives. But, if I did that, I would be no better than Drake and the others at LaGuardia High, I'm supposed to have dignity and morals, but with what I've been through, any sense of morality and dignity I'd have towards people like that means nothing to me.

Suddenly, police lights came flashing and he saw police cars heading for the cemetery.

Past Caleb Maxwell: Police? But why on...? (Sees where they're going) Oh God, they're heading for the cemetery.

Caleb rushed to the cemetery, but as he got there, he found Wayne Matthews, Martin Stevens, Ellen Pearson, Natalie Hartwood, and Nathan Hawkins, but they were dead, and from the looks of it, they hung themselves.

Past Caleb Maxwell: What the? Oh God, Wayne Matthews, Martin Stevens, Ellen Pearson, Natalie Hartwood, and

Nathan Hawkins, they're...dead?! But, how? They didn't have any...! (Looks at the rope)(GASPS) They used their own belts to hang themselves. What the heck happened?

Caleb Maxwell grabbed the spellbook, and he saw it: the words were glowing, and he saw the ghostly fog.

Past Caleb Maxwell: They didn't...! They messed with the dark forces and got killed, damn it.

Then, Carter Kenrick came in.

Past Carter Kenrick: Caleb, you know what happened here?

Past Caleb Maxwell: I didn't want to come here, Carter. I had a terrible feeling, they tried some sort of ritual and I felt a cold chill run down my spine, so I had to get out of there. As soon as I got to the streets, I didn't hear anything else. I didn't know how long it'd been, but as soon as I saw the lights, I felt like something horrible happened.

Past Carter Kenrick: You know I don't believe that nonsense of ghosts. Come on, Caleb, spill it, your friends did something here. (Smirks) Or maybe, your brother has come out into the open once again.

That pushed Caleb's buttons badly.

Past Caleb Maxwell: Carter, that's ridiculous, I have not seen Drake nor my father in two years since my discovery of their dark secret back in 1983 and when they ran out of the house like cowards. As far as I'm concerned, even if it was Drake's doing, do you see any bullet casings out here?

Carter Kenrick kept a slick smirk on his face.

Past Carter Kenrick: Oh no, no, that's not what I'm saying. (Crosses his arms) But, see, we got five college kids from NYU dead, and you're always the last person left. Makes me wonder, does tragedy and death always follow you around like a dark shadow, an eternal companion of yours?

Past Caleb Maxwell: Carter, enough.

Past Carter Kenrick: I wouldn't try to dodge the question, Caleb, you know I'm right, everywhere you go, death and tragedy always seem to follow you like a plague in town: The LaGuardia High School Bloodbath and the NYU massacre six months ago.

Past Caleb Maxwell: Stop it, Carter...!

Caleb Maxwell was starting to lose it as his eyes were suddenly changing and his fingernails were starting to grow!

Maria: Oh God, you're starting to lose it!

Past Carter Kenrick: And they're connected to you: the ostracization by the asshole students and teachers because of your brother since you started High School in 1980 five years ago, and the bullies at NYU since you started college in 1984.

Past Caleb Maxwell: Knock it off, Carter, I'm warning you! Cut it out!

Past Carter Kenrick: They're all linked to you, face it, Caleb, wherever you go, tragedy always follows you. Admit it!

Caleb Maxwell let out an angry scream as his eyes finally change from brown to crimson red and his fingernails turned black and grew into long black claws, and the sclera of his eyes were starting to darken and turn black, and he was already snarling.

Past Caleb Maxwell: Aagh! (SNARLING)

Caleb Maxwell ran off!

Past Caleb Maxwell: (Thinking) Damn you, Carter! How dare you!

Caleb Maxwell got back home and ran to the bathroom, and he looked at his own reflection in the mirror.

Past Caleb Maxwell: Damn, I can't believe Carter. It's bad enough I had to keep the past hidden in the shadows, but when it comes to the son of one of New York's crime lords, he knows how to dig out someone's demons and bring them out into the open. Carter Kenrick, I swear if you think I'm gonna let dog out more of my demons, you're gonna see what a real monster is like.

Then, the memory faded, and we saw Caleb in 1993 lost in thought.

Past James Blunt: Caleb, are you okay? You seem lost in thought.

Past Caleb Maxwell: Oh, sorry, Mr. Blunt. I just..., I recalled a lost memory of long ago, back when I was a student at NYU.

Past James Blunt: You did tell me of the memories you had when you were in NYU, many of them were tied to my son and Travis and when your brother showed up.

Past Caleb Maxwell: And others were bad, one of them was tied to another dark incident similar to The LaGuardia High

Bloodbath in the spring of 1984. The one I was lost in thought was an incident at a cemetery in New York. Five NYU students, Wayne Matthews, Martin Stevens, Ellen Pearson, Natalie Hartwood, and Nathan Hawkins, went to the cemetery and tried to summon a ghost, and I was also dragged into it. The incantation they used worked, but I felt a cold chill in the air, and when my mark warned me of Cage and Travis, I ran out of there. Then, I saw police lights and I ran to the cemetery only to find Wayne Matthews, Martin Stevens, Ellen Pearson, Natalie Hartwood, and Nathan Hawkins, they were dead by using their own belts to hang themselves. I found out their ritual worked, but what they summoned into the world led to them killing themselves, and the detective, a streetwise hardened detective really dug deep in interrogating me, he dug up the dark parts of my past: The LaGuardia High Bloodbath and that incident at NYU, I got pissed off and my eyes turned from brown to crimson red, my fingernails turned black and grew into claws, and the sclera of my eyes almost turned black. I ran out of there, I almost attacked him. Captain Whitten knew of my past, he was the one who helped us in 1983, the day I discovered Dad and Drake's secret.

James Blunt hugged Caleb.

Past James Blunt: I'm sorry you almost lost control.

Past Caleb Maxwell: This hadn't been the first time I lost control, the day those eight kids from long ago betrayed me, I lost it big time, I vehemently chewed them out and told them all to die and go to Hell, and it was right in front of the cops. I broke down violently, and if your son didn't stop me from doing so, I would've ended it...by ending my own life, even if it was already short back in 1985. But, I always knew my life was destined to run out ever since the nightmare began in 1979 when my life began to fall apart.

The video ends.

Me: Whoa, that was one dark memory you had, and you did almost lose control.

Jack Howard: He almost did and almost attacked Carter, but he ran out of there.

James Blunt: I know from Caleb that as a cop, you have to be trained to maintain your composure even under pressure, but putting pressure on someone whose life has been on a downward spiral, that was bound to end in disaster.

Batman: On the night Caleb returned, he could've taken revenge, but as he pointed out, Caleb had lost his memories. During the time he spent in West Virginia with you, James, most of his memories returned, but when his sister's cries reached him from New York, all of them had returned. Yet, he chose not to return to New York, and we knew why. Caleb didn't want to go back to New York, he had some unresolved business with your son and Travis especially on the night of his death in 1985 when they saw his true self: the one forever by despair and tragedy.

James Blunt: Yes, that's true, that's why Caleb asked about Cage's return and not long after he went to Kentucky to see Travis.

Cage Blunt: In other words, he was the only mortal whose presence left a permanent mark on both of us, Travis was the first mortal whose presence left a permanent mark on me in 1969.

Travis Tackett: And Caleb was the second: a young man who once had a bright future, but thanks to the darkness of his past, that future he once had planned was gone forever.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Thunder Elemental Realm.

Braeden Carnes: This is our next stop: The Thunder Elemental Realm.

Lincoln: Whoa, this place is awesome.

Rainbow Dash: Incredible, you and the other lightning wielders would feel right at home here, Linky. So, who's our next target?

Braeden Carnes: That would be Griffin-Lander, Spider-Cyn, and Dark-Curse the Fallen.

?: You got some nerve showing up, Carnes!

Then, they saw the targets: Griffin-Lander, a large brown mythological Griffin with glowing blue eyes with golden wings, blue upper body, and his beak is orange with a golden-yellow tip, and red front wing sides. He also has a Kaos Element Symbol on his chest. He wears red fingerless gloves with metallic claws, and gold shoulder pads.

Spider-Cyn, a humanoid female Spider with gray skin, eight eyes with glowing yellow-orange X-shaped pupils, and numerous sharp teeth with a dark gray tongue. She also has four spider mechanical spider legs on her back. She wears a big black bow at the back of her head with an Kaos Element Symbol on it, short dark dress with short sleeves and gold armor, and dark heeled shoes.

And Dark-Curse the Fallen, a tall and muscular dark red humanoid Demon Dragon with black and orange markings, long white hair, ram-like horns, green demon eyes, long bat-like wings, four razor sharp claws, and long dragon-like tail. He wears a silver, black and orange dragon-themed armor. He wields his Magic Dragonspear-like Staff called The Destroyer.

Braeden Carnes: Griffin-Lander, Spider-Cyn, and Dark-Curse the Fallen, I should've known.

Dark-Curse the Fallen: You're not stopping us this time, Carnes! Soon, The Elemental Realms and this world will be ours!

Lincoln unholstered his massive Lincoln Loud's Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship True Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship True Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel Justice.

Lincoln: No, that's not happening, Griffin-Lander, Spider-Cyn, and Dark-Curse the Fallen. We're ending this for good.

Lincoln, his harem and kids, and Braeden Carnes went at Griffin-Lander, Spider-Cyn, and Dark-Curse the Fallen and blasted them with energy blasts and elements and knocked them down.

Then, Braeden Carnes got out his specially made Traps and threw them, and they began sucking in Griffin-Lander, Spider-Cyn, and Dark-Curse the Fallen.

Griffin-Lander, Spider-Cyn, and Dark-Curse the Fallen: You can't do this to us!

Then, Griffin-Lander, Spider-Cyn, and Dark-Curse the Fallen were sealed into the Traps that went back into Braeden's hand.

Dark-Curse the Fallen: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Dark-Curse. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Spider-Cyn: Maybe, I think it's time for a career change.

Dark-Curse the Fallen: Alright, fine.

They came back home.

Me: So, that was the eleventh part down.

Lincoln: And now, only one more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

Braeden Carnes takes out an old picture of himself along with young versions of Dreadwing Tano, Sunlight Tano, Sergeant Nightbird, Techno Coyote, James Penguin, Skylynx the Eagle-Bobcat, Chief Headstrong, Star Gem, Gala Nature, Count Mindwipe, Dark-Curse the Fallen, Griffin-Lander, and Spider-Cyn before they where given powers and abilities.

Braeden Carnes: Hang in there. Soon, it'll all be over.

We got a shower, and then, Lincoln, Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks are heading to Gelato Beach, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Plus, Lincoln treated Taryn's toothache and she was all better.

Bella Yuzucheer: Wow, we're here in Gelato Beach, it's so beautiful.

Lincoln: You said it, Bella, and it's perfect for our first date. Shall we?

Lincoln, Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of his harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of his harem harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

?: (SCREECHES)

Suddenly, Lincoln and his harem saw a clone of the Firebird from Fantasia who's in his coming after them!

Chronoa: What the? Is that a clone of The Firebird from Fantasia?!

Lincoln: I'll get him.

Lincoln went right after the clone of The Firebird from Fantasia and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the fiery god and he began absorbing him and he assimilated The Firebird's Pyrokinesis and Magmakinesis, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from the clone's soul and he faded away and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done. Then, Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of his harem lying down on a massive beach towel with Lincoln on top of Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with eight white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and eight rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks are in your harem, Linky.

Bella Yuzucheer, Cella Cheerkiwi, Delia Chococheer, Sasha, Tech Sergeant Cronk, Dana Dufresne, Linda, Amber, Taryn, Kikmee, BonzEye, Lady Macaron, and Lolly Licks showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clone of The Firebird from Fantasia came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated his Pyrokinesis and Magmakinesis, and I sucked out the last of his energy in his soul and he faded away.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later everyone was in Cybertron Red Alert and driving alongside the bus

Eric Myers: I'm gonna go prepare the funerals

Nico: Don't worry guys. Everything will be okay.

Me and the Rainbooms were performing.

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

A total Solar Eclipse formed in the sky and many of our adventures played on a screen.

Me and the Rainbooms: (SINGING DIVINELY)

I saw you dance

From the corner

I caught your name

In a conversation

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

Everyone danced gracefully with her as she sang and it was great!

When it was done everyone cheered!

Nico: Wow that was Erica!? She sure is talented.

Rarity: Erica that was so divine darling!

Me: You are sure talented in singing.

Erica Tala: It's a hidden talent.

Me: You are really good.

Poromon took the pills and his eyes widened

Wildrider: This won't end well

Poromon: ALL RIGHT LETS HAVE FUN!

Eli then sensed something.

Eli: Oh no I sense a disturbance in the Force!

Nico: What is it?

Eli: Poromon took Energy Pills!

THEY GASPED!

Brian: OH GOD!

Stewie: This is gonna be bad!

Nico: This is gonna be as bad as Peter Griffin when he was a breakup rodeo clown.

CUTAWAY

A man and a woman were at a restaurant.

Man: I'm just gonna go ahead and tell you... I've been sleeping with your sister.

Woman: (ENRAGED) WHAT!?

Peter Griffin appeared as a Rodeo Clown.

Peter Griffin: Hey now hey now! Over here! Over here!

The man got out by going over a fence.

The woman charged and screamed and Peter got into a barrel and she rammed it and smashed it into a bar.

Peter Griffin: Oh and now that I'm inside the barrel, he gave you and your sister HPV.

CUTAWAY ENDS

Poromon: Before I have fun...

He put the bus on Autopilot.

Smokescreen: Anyone else want to sing a song?

Zocks: Let me and Chloe and the Mascots dance to one.

Me: One sea shanty coming up!

They danced all over and Brittney Wong had fun too!

Poromon: Anyone else?

Qin: Well?

Lola: Hey look!

We saw something going on in the park!

Me: WHOA!

Brittney Wong: Something is going on there.

We saw a man in tattered clothes with numerous injuries was being mercilessly pranked and thrashed by 3 Ducklett!

Me: Whoa 3 Ducklett! Wait a second! I know that jerk! That'sTerrance Vennace and he is a racist I exposed and busted for Segregation and got him turned into one of America's most HATED Pariah.

EVERYONE GASPED!

Sakura Knudson: I remember that jerk! I hated what he did to those kids!

Me: And from the looks of things he was badly beaten up from lots of Lynching attacks.

Poromon sped up and stopped when we got to the park.

Me: Poromon hold on a sec will ya. I'll be right back.

Poromon: Okay.

I went and ran at Terrance Vennace and jumped him and punched him in his face!

POW POW POW POW POW POW!

Me: Remember me motherfucker!? YOU INFERIOR FUCKUP! YOU RACIST JERKFUCK!

Terrance Vennace: I remember you! YOU RUINED MY LIFE A.D.!

Me: It's J.D. JERK! Get it right! I put you in your place when you violated those federal Anti-Segregation laws! YOU are just a racist motherfucker asshole!

Terrance Vennace: YOU ARE A MONSTER!

HE SAID ALL KINDS OF SLURRS AND INSULTS AT NUMEROUS PEOPLE THAT I REFUSE TO SAY OR REPEAT!

I then kicked him in his crotch and punched him hard!

The Ducklett cheered wildly for me!

Sheila and Tom came and got me off him!

Nico and everyone came.

Nico: WHOA! You really thrashed him hard! Who is that jerk!?

Me: His name is Terrance Vennace

Nico: (GASP) Wait you mean that racist monster that was on the run for 15 years!?

Me: The very same.

I pulled out a wanted poster of him and showed it.

Me: This is him. He may not look like it now but he is evil and a monster.

Nico: Can we hear some of his insults?

Me: ABSOLUTELY NO FUCKING WAY! I am not going to say those insults no matter what!

Nico: Okay okay okay bad idea.

Sheila: Well he is going to prison for a long time.

Tom: Hope you like being lynched in jail.

Terrance Vennace: NO! I WILL KILL YOU J.D.! YOU ARE A DISEASE!

Me: Shut the fuck up asshole!

POW!

I punched him in his face and knocked him out!

But in doing so I knocked out both of his eyeballs!

Me: EW!

Qin: Nasty!

Brittney Wong: Nice one J.D.!

Me: Sorry you guys had to see that! But I HATE monsters like him. It makes my blood boil what he did.

Nico: I understand J.D.

Poromon was still on the energy pills.

Poromon: (To the Ducklett) YOU GUYS ARE AWESOME

Me: By the way who are our three Ducklett friends here?

Nico: They sure beat that guy up.

Me: Must be Dark Gale's work.

Sheena: Their names are Jeanette, Kira and Laura Zappra and they are also half Megawhatts.

WE GASPED!

Ben 10: WHOA!

Hannah Thunderbolt Paine: Half Megawhatts like me! Wow!

Gwen Tennyson: Reminds me of the time we met Megawhatts in Sparksville.

Max Tennyson: I remember that one.

Me: You'll have to tell us about it later. Lets go help them Hannah.

Hannah nodded.

Hannah Thunderbolt Paine: It's okay guys. We won't hurt you.

They squirted water at Horsea but she put her clone in front of her

SPLASH!

Horsea: HA!

Me: Whoa!

Ash: At least these three aren't like the trio of Mischievous Ducklett we met in Unova.

Iris: I remember that.

Me: That is true. Okay then.

I snapped my fingers and they reverted back.

They were 3 girls with yellow hair and black highlights and had yellow eyes and had yellow angel wings and had Ducklett on their forehead and on their arms were Megawhatts and they had lightning on them.

We wrapped them in blankets and brought them to the party bus.

Me: There.

Poliwag: Want a soda J.D.?

Me: Oh thanks Poliwag.

I took it and drank it. It was root beer.

Me: Ahh. Needed that. (LOUD BELCH) Oh pardon me.

They woke up to see Horsea's smiling face.

Jeanette: Huh? A Horsea?

Kira: Cute little one.

Laura Zappra: You sure are.

Horsea: You hit my clone!

Jeanette: What hit us?

Kira: Yeah we feel like we fought Vilgax and lost.

Me: Well you girls were turned into 3 Ducklett by Dark Gale.

Jeanette: Oh man! We were fighting the bounty hunter Six Six.

Me: The Sotoraggian bounty hunter? Oh man.

Nico: Yeah.

Me: Are you girls also Plumber Kids? We were told you are half Megawhatt.

Laura Zappra: Yes we are. We were sent to arrest Six Six.

Ben 10: How can I forget him. He was tough.

Laney: I remember you telling us that.

Me: By the way Ben how did you encounter the Megawhatts?

Ben: That was a crazy adventure. We were over in a place called Sparksville.

The episode begins with the Tennysons on the road. Ben is locked in a gross-face-making contest with a kid in the car next to them, which he ultimately wins by turning into Stinkfly and terrifying everyone in the car. Stinkfly bursts into laughter. Gwen tells him he may have taken the prank too far, but Stinkfly insists that "funny is funny". Max stops the Rustbucket, as a propane truck has overturned up ahead, and the driver is stuck as the truck catches fire.

Stinkfly uses his goo to extinguish the flames and save the driver.

The Tennysons continue their trip, which Max is keeping a surprise from Ben and Gwen. They set foot in a town called Sparksville, and are greeted by its monotonous mayor Earl. It is a tourist trap, full of nothing but tacky exhibits of oversized everyday objects. Max is ecstatic and checks them into a hotel, however Ben and Gwen think it's lame. As they tour the town, the kids discover the star attraction of the town: "It". Past many promotional and warning signs enhancing the mystery of "It", it is finally revealed to be a giant ball of rubber bands. Ben, feeling like they've been scammed, turns into Four Arms and starts tossing the ball around to have some fun. He loses control of it, and it bounces around the town, knocking into buildings and causing damage to some exhibits. As they discuss what to do, Four Arms turns back to Ben, and he leans against the ball. Unbeknownst to him, electricity from the Omnitrix gets siphoned into the ball. An electric bolt escapes from the ball and materializes into a small yellow creature, who cackles at the destruction the ball caused.

Later, Ben and Gwen are sleeping when Max wakes them up and tells them to come see. Outside, they are surprised when the town is trashed way more than what Four Arms had done, and lie that they didn't cause any damage. The creature suddenly arrives, making faces and pranking Gwen before leaving just as quickly. Earl comes by and informs them the creature is called a "Megawhatt", which they surmise is a rogue alien. The Megawhatt causes more destructive trouble, forcing them all to take cover. Earl continues, saying Megawhatts feed on electricity and have a dangerous sense of humor. Earl provokes Ben and Gwen into admitting that they let it out, and leaves it up to the Tennysons to stop it. As the Megawhatt's attention turns solely toward picking on Max, Ben tries to take it down as Upgrade. He ends up splitting it in half with a manhole cover, though this just causes the two halves to become two whole Megawhatts, making the problem worse.

Max uses the attraction of the world's largest thermometer as a lightning rod to ground the two Megawhatts, although Earl points out that the ground will just act as a conductor, and the Megawhatts will find their way back to the surface through the phone lines. Soon enough, every phone starts ringing, and the Megawhatts emerge, having consumed enough electricity to multiply significantly. They congregate and zip over to the planetarium exhibit, taking control of it and piloting it like a mech. They oddly steer it away from the town. Earl thinks they'll head toward the hydroelectric dam to power up, to then go cause trouble in other towns. Gwen notices the world's largest fishbowl exhibit, which gives her and Ben an idea on how to take them down. Ben as Heatblast finds the mech at the dam and fights with it, during which gaining better control over his powers, such as learning how to fly on a ball of fire. He eventually manages to torch the mech to force the Megawhatts out and baits them into following him under a tarp. Max pulls the tarp off to reveal them having flown in the giant fishbowl. Heatblast uses his fire to seal the opening, trapping the Megawhatts inside, much to their sadness.

Back in town, Earl thanks them for their help in capturing the Megawhatts. Max apologizes for any problems and setbacks they might have caused the town, to which Earl denies them having delayed anything. He reveals to them the newest attraction: the world's biggest lightbulb (which the Megawhatts are stuck inside powering). He says that everything will be all right if the people just mind the signs. As they head back to the RV, Ben mentions he's had his fill of pranks. When he opens the door, though, a bucket of water falls on his head, and Max admits that "funny is funny", especially when it's not on him. He and Gwen have a laugh at Ben.

When it was done we were shocked! No pun intended.

Me: WHOA! You trapped them in a lightbulb! That is genius!

Ben: Thanks.

Jeanette: That is cool.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them yellow and black clothes and thunder swords.

Kira: We look great.

Me: You sure do.

The Earthbane Sisters put on their jumpsuits. They were purple and black.

Thomasina: There.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and

Lincoln: We don't have long before our final showdown with Venomark starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

Brittney Wong: You guys made my birthday fun!

Me: Glad you had fun.

Gru: Good thing we didn't get into an accident.

Me: Yep. Also sorry you guys had to see that.

Brittney Wong: No worries. He had it coming.

Sheila: Terrance is looking at the death penalty for his crimes.

Me: Good. I hope he likes going to hell. You can save the taxpayers a lot of money and kill him yourself. All Russia did was take a gun and blow their brains out.

Nico: Good idea.

Sheila: That would be an easy idea.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Nico looked at Poromon.

Poromon: What?

Nico: You had Energy pills on you?

Poromon: I thought they would help make me do things fun.

Brian: I once thought that and I was so hyper.

Me: Really?

Brian: Yep.

Stewie: I took those while I was driving once.

Me: Really?

Stewie: Yeah not one of my best moments.

Me: I would have just stuck with Red Bull or Monster Energy.

Stewie: Me too.

Brian: The result was that we crashed in the middle of the desert

Me: Oh boy.

Stewie: Yeah learned a big lesson that day.

Qin: Good.

Me: Yeah.

Anakin: I'm gonna go check on the Alt. Version of Chloe. I sense her having sadness issues.

Me: Okay Anakin.

He went to do so.

Anakin Skywalker went to check on Alt. Chloe.

Anakin went in. Alt. Chloe was looking at the Queen Bee Miraculous, the very thing that is left of who she used to be. She was sitting on her bed still wallowing in grief over the atrocities she did.

Anakin: Chloe, my name is Anakin Skywalker.

Alt. Chloe: You came to kill me?

Anakin: No. I came to help you.

Anakin sat down.

Anakin: Let me tell you something about what happened to me. When I became just like you. The Force chose me to bring balance to the Force and end the Conflict in the Galaxy. Emperor Palpatine did terrible things and even got to me and turned me the Dark Side of The Force. I did terrible things. I killed innocent people including those that I wanted to protect from the very monsters that I swore to destroy. I thought I was beyond redemption. All I had left was anger and hate inside me. But it wasn't. Padme and J.D. saved me from myself. And I can tell you are going through the same thing I did.

Alt. Chloe: And that would be?

Anakin: That you hate yourself more than you hate Cerise Blanca for all the pain she has caused. She is the reason why she got you exiled from Paris and from your home and how she cost you your friends and your family and everyone who looked up to you. How you became the most hated girl in Paris. It was because of her that lead you to becoming this. You told yourself that you wanted to be accepted like Marinette and your dad. But that wasn't true was it. You made it about you. Your fear and anger. To get your family's approval. You thought you could control it all and in the end because of Cerise Blanca, it cost you everything. She exiled you.

Alt. Chloe: Perhaps this is the punishment I get for being the most hated of all. I deserve this because of my selfishness and hatred towards Marinette and myself and Cerise. This is my penance.

Anakin: If you accepted it then you wouldn't be here in Team Loud Phoenix Storm Estate.

Alt. Chloe: I lost everything and I am an outcast. There is no one in Paris that will forgive me for everything I did. I wanted to fit in. But my anger and hatred clouded and destroyed me. I don't deserve forgiveness.

Anakin: Marinette forgave you and so did Nico. Forgiveness isn't about earning it. It's about letting go. Letting go of the fear, the anger, the darkness you've wrapped yourself in to hide what you feel. You think being in pain will make you feel better? It doesn't. It's only destroying you. You can do what's right for Paris, Chloe. You can redeem yourself and save the friends you thought you lost. The friends you protected. And the friends you have with us. It's not too late for you Chloe. Now this is the chance you have to make what's right.

Alt. Chloe knew he was right. It was time for her to make the right choice and prove to everyone that she is a good girl.

Alt. Chloe: All right. I'll do it. First I must face my hatred.

She concentrated and got into a Lotus Position.

She meditated.

(THE BLACK GATE OPENS LOTR OST PLAYS)

Inside her mind, she walked through the very storm that was her anger and hate. A Light in a storm of the very thing she hated.

She walked through a beehive and faced her darkness.

Dark Chloe: So you come to be me?

Alt. Chloe: NO! I don't need you anymore! I am not going to go down that path anymore and be that monster anymore! I am going to redeem myself and earn back everything I lost. I Will not be a spoiled brat anymore! I am going to show everyone that I am NOT YOU! And never will be! I am going to be free of the darkness and help Marinette and be rid of your evil! I will not let you control me anymore!

The mindscape rumbled and was shattering! Light shined in. The sun and the sky was clear!

Then the beehive shattered!

GLASS SHATTERING!

A meadow and flowers and forests and trees was in its place!

Alt. Chloe: I am free! From you!

Dark Chloe: NOOOOOOOOOOOOOOOOOO! (FADESSS)

In a massive flash of light she was free! Then the white light exploded out from her and Alt. Chloe changed! SHE WAS PURIFIED ALL ON HER OWN!

We came in and felt an ENORMOUS SURGE OF ENERGY!

Me: What happened!?

WE GASPED!

Me: Chloe!?

Lincoln: Wait! I know what happened!? She purified herself all on her own!

Me: WOW! She didn't use the Temple of Purification!? That's amazing! How do you feel?

Alt. Chloe: Better than ever.

Me: Wow! But how?

Alt. Chloe: I confronted the monster in my subconscious and told her that I didn't need her anymore and vowed to do things in the light and not as a Spoiled Brat. But as an angel of light and purity. I am going to redeem myself.

Me: Thata girl!

Nico: Way to go!

Marinette: We're proud of you Chloe.

Me: Yep. When we go to the Alt. Paris, they are going to be amazed. But that is just the start.

Alt. Chloe: I know. I have a long way to go.

Me: You can do it.

Anakin told us what went down.

Me: So you told her what you went through and that helped her.

Anakin: Yes.

Me: Wow!

Nico: Your Marinette forgave you. The rest won't be easy

Me: That's why we're going to be with her to support her.

Nico: Yep.

Computer: INCOMING CALL FROM ZORDON.

Me: Oh!

We went to the computer and answered.

Zordon: Team Loud Phoenix Storm! We have urgent danger going on!

Me: What's going on Zordon!

Zordon: Over the last 3 and a half hours over 320 people became dangerously ill by a mysterious disease of unknown origin. My sensors indicate that it's one of the Time Force Rangers Mutants running amok!

We gasped!

Me: I have a good idea I know who it is! It's Venomark! We're on our way Zordon!

He clicked off.

Me: Lisa get the serum ready!

Lisa pulled out a bunch of vials of serum and it was an aqua blue liquid.

Lisa Loud: Made 500 vials full of them.

Me: Good work.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Venomark, he's on the attack and he's already poisoned over 320 people! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come crawling out, Venomark!

Eli: And he's already poisoned over 320 people!

Lincoln: Time to get going and help cure the people!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Venomark, he's on the attack and he's already poisoned over 320 people!

EVERYONE GASPED!

Me: Just like Zordon said!

Wes: That lowlife, I can't believe him. He's poisoning people left and right!

Me: I've already had Lisa make enough of the serum to cure all those he poisoned.

Suddenly, Tyler and Alexander Maxwell's crimson red eyes turned demonic and they also had vampire fangs!

Tyler Maxwell and Alexander Maxwell: (Demonic Voice) We are gonna kill him, we'll unleash the dark forces of Hell on him! (ROARS DEMONICALLY)

Tyler Maxwell and Alexander Maxwell were about to fly off, but Caleb knocked them down, but it also forced out a ghost!

Eli: What's that?

Caleb Maxwell: The ghost those five students summoned in New York back in 1985, that's a vengeful spirit.

Lincoln sent it back to Hell for good.

Wes: That was close.

Nico: You said a mouthful. Alright, team, let's get to Silver Hills and stop that venomous mutant, Venomark.

Lincoln: And cure all his victims before we finally send him to The Black Abyss forever.

The Previous group came.

Robo Blaze: Can me, Skulker, Dr. Light, Common Cold, Technus, Xaldin, Katnappe, Roquefort, Salami Swami and Waffle Woman go with you guys?

Nico: Yes you all can come.

Robo Blaze: We felt a massive burst of energy. Who was it this time?

Alt. Chloe: That was from me. I had a purification on my own.

Lincoln: And she didn't need the Temple of Purification this time. She beat her darkness in her mind.

Anakin: You have me to thank for that. I helped save her.

Me: It's true. We'll tell you later. Right now we got to get to Silver Hills.

Crash Man: Nico, which Gene-slammer do you think you'll meet next?

Nico: Elemental HERO Wildheart next.

Me: Primal!

Qin: Nice!

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Fomortiis from the Fire Emblem franchise, and he's here to destroy all humanity. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got trouble!

Me: Oh crap, was that?

Lincoln: Fomortiis from the Fire Emblem franchise, and he's here to destroy all humanity.

Neria Lightsworn: So, the ancient Demon King has come, has he? He should've never returned, now he's gonna regret it.

Lincoln: That he will, Neria.

Nico: So, we also got an Ancient Demon King to also take care of, this should be good. Alright, team, let's get to Silver Hills and cure everyone of Venomark's poison.

Lincoln: And then, we get after Venomark himself and end him forever, and once we get done with him, you're next, Formortiis.

Neria Lightsworn: After everything you have done, Formortiis, this is unforgiveable, it's time for you to pay for what you've done.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Silver Hills to finally destroy Venomark once and for all after curing his victims, and once we send him to The Black Abyss once and for all, Neria Lightsworn and Lincoln are going to take down Formortiis, and Lincoln's going to absorb him.

We were off to Silver Hills.

We arrived.

Wes: Good to be back in Silver Hills.

Eric Myers: I missed this place.

Qin: I can see that.

Common Cold: Lets call Villamax. (SNEEZES!)

Verona sneezed too.

Me: Bless you and good idea.

We did so.

Villamax: We're ready.

Me: Awesome. Eric something doesn't make sense. If you are the Quantum Red Ranger, how come there isn't a team of other Quantum Rangers like Blue, Yellow, Green and Pink?

Nico: That's what I was wondering myself.

Eric Meyers: Because I don't think there was enough tech from the future to make a whole team of them.

Triggerhappy: That makes sense actually.

Me: That is a logical explanation.

Jen: We didn't have that much to give to Silver Falls when we were here in the 21st Century at the time.

Me: Man what a ripoff. That would have been so cool. But thanks to the technology we have we can make that happen.

Qin: That's a good idea.

Taryn Collins: That would be so awesome.

Wes: Let me get into character.

Me: Go for it!

Time Force Rangers: Time for Time Force!

Eric: QUANTUM POWER!

Taryn: BLACK SHADOW POWER!

They transformed!

Wes: "Time Force Red!"

Jen: "Time Force Pink!"

Lucas: "Time Force Blue!"

Katie: "Time Force Yellow!"

Trip: "Time Force Green!"

Taryn: THE NIGHT STAR OF THE SPACE TIME CONTINUUM! BLACK SHADOW TIME FORCE RANGER! (ECHOING)

Eric: "Quantum Ranger!"

All: "31st Century to the Rescue! Power Rangers Time Force!"

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted off behind them and they were ready!

Qin: YEAH!

Nico: AWESOME!

Me: Yeah!

Xaldin: (to Common Cold) You happy that you get to spend time with your daughter?

Common Cold: I sure am.

Verona: We have a lot to catch up on.

Me: Awesome.

We walked around. Then we got to the park and WE GASPED!

We saw LOTS OF PEOPLE ON THE GROUND WRITHING IN EXCRUCIATING AGONY AS NURSES AND DOCTORS WERE HELPING THEM!

Me: HOLY FUCKING SHIT! Venomark sure has been busy!

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Silver Falls, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Venomark who's finally shown himself, and he's been poisoning people left and right giving us a total of over 320 people poisoned by him. Lisa's already made the antidote with the help of Dr. Fericks. Before we go after Venomark, our first objective is curing those poisoned by him.

Lisa Loud: Dr. Fericks' serum should do the trick, but with how Venomark is going poisoning people left and right, we'll have more victims.

Me: Good idea.

Qin: Lets go help them!

Nico: Take some serum and fan out guys!

We went over to them.

I went to a woman.

Doctor: They are really sick. What's wrong with them J.D.?

Me: This is why doctor.

I showed an UGLY Red mark on her neck!

Me: Venomark did this. He poisoned them.

Doctor: Oh no. We got to hurry!

I gave her the serum and she drank it!

Me: Drink it all down.

We gave them all the serum and they drank it all down.

They were cured! The mark vanished and their symptoms were gone.

Luminous: That did it!

Me: Thank goodness. Good thing Lisa made enough serum just in case.

Roquefort: Cheese Ninjas! Give the serums to any victims you can find!

They did so and fanned out.

Me: Good. Doctor have you seen this man?

I pulled out a WANTED poster of Mark Venue.

Doctor: Mark Venue? Yes I have.

Me: That's our target. His name was twisted.

I used my powers and rearranged it and showed what he looked like!

Doctor: Venomark!? He duped us!

Waffle Woman: He's using that name again?

Me: I'm afraid so. But this time we're ready for him.

Qin: Yep.

Me: Doctor these people will need to be taken back to their homes so they don't get caught in the crossfire. Venomoth is one DEADLY mutant.

Qin: Yeah.

Doctor: I understand. Okay guys! Lets send them home!

Me: They will tell you where to go.

They went and did so.

Me: There.

Nico: Now for the Other Victims.

The Cheese Ninjas came back.

Ninja 1: We found more victims and gave them more serum.

Me: Excellent.

I scanned the area.

Me: All of Venomark's victims cured!

Nico: Good.

Laney: Where's Maria?

Maria: (Younger Voice) I'm here guys!

We looked and gasped and saw that she was a Five Year Old Girl!

Me: WHOA!

Carol: Maria!? You are as young as when we were back in kindergarten!

Carmen picked her up!

Carmen Hunnicut: Guess I'm the big sister now! How did this happen?

Maria: Over there. I flipped that hourglass.

We saw a Red Hourglass on a table and saw the Time Force Symbol on it.

Me: Boy I haven't seen an hourglass in years. It looks like the Hourglass from The Wizard of Oz.

Nico: Sure looks like it.

Lincoln: (GASP) That's not an ordinary Hourglass! That's Wes's Akuma, Red Hourtime! The Hypothetical Akuma of Wes Collins and he is a living hourglass that has the power to reverse time on anyone for one hour at any time he picks. He was made because of Ransik hurting his friends and vowed to kill him by turning him into primordial slop

WE GASPED!

He showed us a sketch of him and it was amazing

Me: WOW!

Toxica: How do you feel?

Maria: Amazing like this.

Me: Boy this brings back memories.

Ymir: It does?

Me: We had a similar incident like this happen back in 2020. Numbuh 2's Grandmother and her friends sent us Anti-Aging Cream and Gwen, Maria and Aqua tried it out and it made them as young as 10 years old.

Carmen: Boy I remember that!

Qin: Me too! That was awesome.

Misty Tredwell: I remember those funny jokes you guys did on them and they were really funny!

Me: They sure were! We never laughed that hard before.

Barricade: Looks like Carmen's a big sister now

Carmen: (LAUGHS) I sure am.

Qin: Yep.

Me: Too bad it only lasts for an hour.

Maria: I know.

Red Hourtime: Like what I did to Maria?

Me: Boy Wes that is so cool that you can do that as an hourglass.

Camie: Boy it sure is!

Qin: Can you fast forward time?

Red Hourtime: No I can't unfortunately. I only reverse time.

Grim: (Jamaican Accent) This also reminds me of when we visited the Hall of Time Mon.

Billy: Oh yeah!

Irwin: That was crazy yo.

Salami Swami: (India Accent) Wes? Is that you?

Red Hourtime: It's still me Salami Swami. Where's Ransik?

Me: He's not that person anymore Wes. He is redeemed.

Red Hourtime: Oh right I remember that.

Villamax: You need to calm down!

Red Hourtime: After you beat me. But first flip me. I have a surprise.

Me: Okay.

I did so.

I flipped him.

Then Twilight Sparkle and Friends Aged back to when they were in school as kids!

Twilight Sparkle: (Younger Voice) WOW! What happened?

Me: Well look girls.

We showed them mirrors and they gasped!

Fluttershy: Oh wow! We're kids again.

Sunset Shimmer: This is amazing!

Rarity: I haven't been like this in years darlings.

Applejack: I feel amazing y'all!

Pinkie Pie: Boy this is amazing!

Starlight Glimmer: Wow! I remember when I was like this years ago! So fun!

Lincoln: So awesome girls!

Apple Bloom: (LAUGHS) Looks like I am the big sister now.

Sweetie Belle: Same here.

Scootaloo: Me too!

Me: Too bad it only works for one hour. Lets get him.

I fired waves of energy and blasted him.

Villamax charged at him and blasted him all over.

Red Hourtime: My turn!

He charged up a time ray!

Ben: CLOCKWORK!

He activated Clockwork's powers and fired a time ray and it hit Red Hourtime and he exploded!

KRABBBBBBBOOOOOOOOOOOOOOOMMM!

Me: WHOA! Nice shot Ben!

Nico: Is he down?

Me: Yep.

Nico: Good.

I sent him to the M.O.E.

Me: Now to go after Venomark.

Eli: (Concentrates) I sense him in the soccer field!

We saw it 300 yards away.

Then, the spirits converged and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off Venomark.

He turned into Venomark as we landed.

Mark Venue: Team Loud Phoenix Storm!

Me: You can drop the act Venomark! You aren't fooling us this time!

Tecna: (British Accent) Not like the last time!

I fired waves of lightning and electrocuted him and exposed him!

Me: You brought that on yourself!

I slashed at Venomark really bad with my massive greatsword and not only did I leave some nasty scars on him, and he screamed in agonizing pain.

Venomark: Impossible! How?! How have you gotten that much stronger?!

Me: Seriously? You never stood a chance against us before years ago, Venomark.

Venomark: I thought you Rangers arrest mutants like me

Wes: For you, we can learn to make an exception!

Katnappe: What he said

Me: We're going to kill you!

Lincoln: Ooh yeah, this feels incredible. RRGH!

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, Venomark began growing weaker as all his powers were being sucked out of them one at a time and was pumped into Lincoln, Nico, Super Brother, Eli, and I.

Venomark: (Groans) They're sucking me dry, we can't take much more of this!

Then, when Lincoln, Nico, Super Brother, Eli, and I were done and the stingers changed back, Venomark was severely weakened to a degree and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, Eli, and Super Brother!

Finally, Venomark's sucked out venom inside the vacuum cleaner was destroyed forever.

Ransik: You're through, Venomark, not only has all your venom been sucked out of you, but all of your powers and abilities too, you have no means to fight back.

Venomark: We'll see about that! VAMPIRES OF SUNNYDALE, KILL THEM!

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

Lincoln, Nico, and I attacked Venomark with two powerful and fierce swings of our massive greatswords!

Lincoln, Nico, and Me: NOW, GO STRAIGHT TO HELL FOR ALL ETERNITY, VENOMARK!

Lincoln, Nico, and I attacked Venomark with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Venomark was on his last legs as Lincoln, Nico, and I landed in front of the team, and it also exposed

Formortiis, our secondary target who was then put into suspended animation until later.

Ed Cowart proceeds to insult Venomark.

Ed Cowart: You look like a fuckin dull and ugly mutant with no business poisoning people like you did to Ransik! You're also a shitty mutant and a shitty doctor! I bet Toxic Seahorse would have no trouble kicking your ass! Prepare your toxic ass for defeat and one last thing?

Ed Cowart punched Venomark launching him into an exploding crate of TNT which explodes, then he wedgied Venomark and pulled his underwear over his head.

Ed Cowart: WEDGIE!

Then, he used a massive vacuum cleaner to suck up all of Venomark's poison.

Ed Cowart: There we go, now you won't hurt anyone ever again!

Then, he finished by firing hyper hot sauce and hyper hot nacho cheese at Venomark!

Time for this to end.

The Earthbane sisters were surprised as their bodies started trembling. They yelled out in surprise as their bodies started expanding.

Same with the Zappra sisters and Veronica.

Thomasina: NO! We control the power! It doesn't control us.

They concentrated and reigned in the powers of their forms and they transformed into the Earth Raptors, Smeargle and the 3 Ducklett and blasted Venomark all over!

Me: TAKE THAT!

Nico: (to Sydney) I think there's only one undocumented monster left.

Sydney: Yes and that's Dogpound.

Me: Just as I thought.

Camie: Yep.

Eddy: I'm telling you after that, there's going to be evil versions of the Underground Girls

Me: We know.

Qin: Yep.

Then Iceage, Hank Scorpio, Wrecking Crew, Angel, Crimson Dynamo, Turtle, Dr. Polaris, Spot, Skalamander and Marionette Shadow came.

Nico: Iceage, Hank Scorpio, Wrecking Crew, Angel, Crimson Dynamo, Turtle, Dr. Polaris, Spot, Skalamander and Marionette Shadow.

Angel: You guys were busy.

Venomark: I will poison you all too!

Me: BACK OFF!

I fired waves of rainbow energy and blasted him down!

Me: And stay down!

Marionette Shadow (to Alt Chloe): How are you feeling?

Alt Chloe: Better. All things considered.

Skalamander: Just making sure

Dr. Polaris: Let us know if you need anything.

Alt. Chloe: I will.

Turtle: (to Nico) We heard you fought Furious Fu.

Nico: We sure did. That was intense.

Spot: (to Ed Grant) You should take care of that Hoopa

Ed Grant: I will.

Torch Tiger came.

Pirolilly: Been a while since we fought Torch Tiger.

Torch Tiger: I know.

Me: Up for another round?

Torch Tiger: I sure am.

Me: Cool!

Torch Tiger: And I brought another with me.

Mad Mike came!

Me: Mad Mike!

Mad Mike: Got something for everyone.

He turned me into a yummy cheese pizza!

I was a pie!

Me: Who wants to lick my cheese!?

Ymir: I DO!

Naomi Necroshade: Same here!

Camie: I will too!

Zarya: Me too!

All of my harem ate my cheese and I laughed as it tickled!

Thunderball was eating me too as we looked at him.

Thunderball: (defensively) What? I'm hungry!

Me: Well you're chewing on my arm.

Thunderball: Oh sorry.

He ate around it.

Me: That was funny. Sorry guys I couldn't help it. I was tasty when he turned me into a pizza.

Nico: I remember that!

I was licked clean!

Me: That was funny and awesome!

Mad Mike: Thanks!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Samus Aran, Daphne Blake, Rita the Cat, Gentaro Kisaragi, Ana (Overwatch), Winnie the Wolf, Kolin, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Gru, and Megamind VS Iceage, Doc Duodenum, Fault Zone, Stained Glass Scarlet, Werewolf at Night, Rocketear, Yuzeikusu of Ice & Snow and Ice King (Theme including Daphne Blake) - Nico's rescue was at Skyangela on Skyralaira and we battled Evil Ransik and Furious Fu

---

Iceage was first

Iceage: (to Samus) Nico's rescue was at Skyangela on Skyralaira. He battled Evil Ransik and Furious Fu.

Samus: You should have seen what happened. This was one of the planets that was untouched by Arpina and the people of Skyralaira are all amazing angel warriors and are awesome. We met Lincoln's Guardian Angel, Serena Skyralaira and she is amazing and awesome.

Iceage: WOW! That is amazing! You guys had a great time there.

Samus: We sure did. Also J.D. battled Evil Ransik and HOLY COW! It was explosive! Evil Ransik put up one helluva battle and it was as intense as something with Goku and one of his enemies.

Daphne Blake: It sure was! Jeepers! Wow! Also Furious Fu was really tough! Nico and Furious Fu put up an amazing fight!

Rita: You got that right and man was it intense.

Twilight Sparkle: It sure was.

Stellar Sparkle: We were amazed and in awe going to a Forbidden planet untouched by Arpina and her people.

Harmony Sparkle: We sure were.

Starshine Sparkle: Yeah no kidding there and it was amazing.

Spyro: You got that right.

Iceage: Indeed. Lets do it!

Samus used Iceage's ring and they fired waves of energy and ice and magic and smashed them down.

---

Hank Scorpio was next.

Hank Scorpio: (to Sophie) The Anothers were the gene-slammers of The Agent of Mystery - Earth, Maiden with Eyes of Blue and Volcanic Doomfire. Nico, Crystal Snail's team, Escargoon's team, and the others did good battling them.

Sophie: (British Accent) They sure did and to our shock we also met Another Wes and she was really a future Power Ranger. Her name is Taryn Collins and she is from the year 17,122.

Hank Scorpio: WOW! That's 15,098 years from now! That is amazing!

Sophie: It is. But here is the shocker! She is from an alternate future where Ransik succeeded in taking over the world and the survivors of Earth left for a new world. They terraformed the planet Tau-Ceti-E. Yuko told us that she and the survivors of Earth on board the Aratrum went there and the planet was absolutely uninhabitable. But thanks to Taryn and her people they made it like Earth. But they tested a new terraforming device by terraforming Mars back in 2020.

THEY GASPED!

Hank Scorpio: So Taryn terraformed Mars back in 2020!? That is incredible!

Sophie: It is! We were flabbergasted that her people were able to accomplish that! She is also the Black Shadow Time

Force Ranger. She is also the descendant of Wes Collins and Jen Scott. She also made it her mission to kill Ransik.

Hank Scorpio: Oh man! That is rough!

Sophie: I know. Also we met the last of the Underground Girls. It was the Earthbane Sisters.

Hank Scorpio: OH MAN! The famous paleontologists that planned to bring the Dinosaurs back to life.

Sophie: That's right. And also the eldest girl, Thomasina has evidence of the crimes of Dr. John Hammond's rival company BioSyn and it was implanted in a chip implanted in her finger. It had all the information we needed to find and capture all of BioSyn's operations and the criminal organizations that work for them.

Hank Scorpio: That's incredible! How did you guys get that chip out of her?

Sophie: Danny Phantom used his Ghost powers and got it out of her. Also Nicole said they were turned into a pack of Velociraptors by the Shredder. Just normal Velociraptors. Eli tamed them using what he learned in Paleozoic World and like how Owen Grady did so with Blue and her pack.

Hank Scorpio: Awesome! That was well done.

Sophie: It sure was. Also the next of the Dark Gale gene-slammers was a Smeargle and she is my sister Veronica Casterwill. She is an artist and master of the fire of the Phoenix!

Oberus: We were amazed about that! And she was glad that the Organization is dead.

Jinora: Yeah now we have the Blood Spiral to deal with. But she is glad that many of their members were all killed by us.

Sunset Shimmer: We've killed thousands of them so far.

Firestorm Shimmer: Yeah but who's counting.

Sunset Shimmer (G5): It's getting action packed though.

Pipsqueak: (British Accent) No kidding there.

Chalcanthite Aurora: (British Accent) That is for sure.

Sunburn: You got that right.

Hank Scorpio: Wow! No kidding! Lets do it!

Sophie used Hank's ring and they fired waves of energy and fire and blasted them down.

Apple Star: We sure were.

Wolf Moon Bloom: Yeah no kidding there too.

Apple Bloom: You got that right.

Skyla: No they didn't. This was an awesome party bus. J.D. and the Rainbooms got to perform on it. It was Brittney Wong's bus and she and many of her friends all had fun.

Black Veloci: They went all over the city and Nico and everyone were inside Cybertron Red Alert making sure nothing crazy happens.

Angel: WOW! That is awesome!

Rinka: It sure was. The songs the Rainbooms sang were really fun and awesome.

Rarity: Indeed and we showed everyone so much action and fun in many of our adventures with them.

Erica Tala: I got to dance with Brittney and she had so much fun with me too.

Sapphire Ocean: You got that right! That was the most fun ever for Brittney ever. She said her last party was a disaster when in truth it wasn't.

Rarity (G5): It sure was. Erica got to sing some fun songs too.

Erica Tala: I'm not only a gifted chef but I'm also a great singer too.

Dioptase Angel Belle: It's true. She has a lot of awesome talents.

Sweetie Belle: That is for sure.

Gill Grunt: You got that right.

Angel: WOW! You guys sure had a lot of fun! Lets do it!

Skyla used Angel's ring and they fired waves of energy, water, ice, jewels and lightning and smashed them down.

Crimson Dynamo: (to Akira) (Russian Accent) You guys met 3 gene-slammers for 3 Ducklett. What are their names?

Akira Akatsuki: You're going to get a surprise from this one. Their names are Jeanette, Kira and Laura Zappra and they are also half Megawhatt!

Crimson Dynamo: Buzzshock's kind!? Wow!

Akira Akatsuki: I know and they were doing all kinds of crazy and silly pranks on an old enemy of J.D.'s.

Crimson Dynamo: What was his name?

Akira Akatsuki: His name is Terrance Vennace.

Crimson Dynamo: Terrance Vennace!? Oh MAN! My old friend turned into a nasty Segregationist Racist! Oh man! He is a racist that was exposed and busted for Segregation and got him turned into one of America's most HATED Pariah and he was so badly beat up and mangled from years of injuries and lynching attacks.

Akira Akatsuki: That's right!

I came.

Me: Wait Anton you know Terrance?

Crimson Dynamo: I do J.D. and it's sad he turned into that. I hope he's really miserable in prison.

Me: Oh he will be. And the inmates are going to make sure of that.

Crimson Dynamo: Good. Hell awaits him.

Me: Yep.

I left.

Flareon: I didn't know he was once a friend of yours.

Wes: It's finally over, Venomark is gone forever.

Ransik: If anyone deserved to die, it was him.

Me: You said it, Venomark was a monster.

Nico: And for him to also get the vampires of Sunnydale involved, what a piece of shit.

We heard Lord Zedd's scream of anger inside The Book of Vile Darkness.

Nicole: Oh, shut up in there, Lord Zedd, or I swear I'll rip your soul apart and banish you to The Black Abyss myself!

Lincoln: The more we piss him off, the more unhinged he's gonna become, and if Venomark made a deal with the undead douchebags from Sunnydale, we're gonna make sure they also get staked in the heart as well. Now, there's one last thing to do and one last loose end to tie up: Fomortiis.

We turned our attention to Fomortiis as he tried to break out, but he can't.

Fomortiis: Curse you, Team Loud Phoenix Storm, when I get out, you will be destroyed.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Formortiis began growing weaker as all his powers were being sucked out of them one at a time and was pumped into Lincoln.

Formortiis: (Groans) He's sucking me dry, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Formortiis, and Lincoln sucked out all of the remaining energy in Formortiis' soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Neria Lightsworn's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded golden yellow gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded golden yellow gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized golden yellow planets orbiting around her wrists and ankles, and enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath her enormous rainbow angel wings are permanent.

Neria Lightsworn: This where it ends for you, Formortiis, and this is goodbye and good riddance. Thanks for helping me get rid of that evil demon king, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Neria.

Me and Nico: Our pleasure, Neria.

Suddenly, Neria Lightsworn wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Neria Lightsworn's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Neria Lightsworn sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Formortiis and his conquest of destroying humanity.

Me: You just prevented another threat from arising, that was so awesome. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Lancelord.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Lancelord.

Adara Vulcania: There's only one person who fits this: Seraphina Vulcania, Avatar and Gene-Slammer of Laval Lancelord, and you guys are going to love meeting her, Seraphina Vulcania, Avatar and Gene-Slammer of Laval Lancelord, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lancelord. She's The Volcanic Lava Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Seraphina Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lancelord, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lancelord, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Seraphina Vulcania despises Dustin Keystone because of everything that asshole and his family had done, and she hated what he'd done to Lincoln in the past and she swore if she ever saw that fuckweed again, she was gonna burn Dustin and his entire family to ashes!

Me: You know, I'm not surprised Dustin was a murderous nihilistic shithead asshole.

Lincoln: Along with his entire family, and we knew it would be a matter of time before he paid a far greater price for everything he and his family had done.

Nico: And that price was their lives. But, it serves them right, they were monsters and people like that, they don't deserve to live.

Me: Here May.

I gave her some serum and she drank it just to be on the safe side.

May: (GULPING) Ah. Thanks.

Me: No problem.

Iceage: With Venomark dead, the infected should be cured now.

Hank Scorpio: And that means Silver Hills is safe

Wrecker: Damn straight.

Me: And Ransik is rid of the curse of Venomark.

Qin: Good riddance.

Angel: How should we celebrate?

Crimson Dynamo: With more pizza!

Me: Good idea. I'm starving. Just don't eat me this time.

Thunderball: Sorry.

Nico: Me too! Great job today everyone!

Me: Man what an adventure.

Wes: (To the Viewers) This was an epic and action packed adventure.

Me: It sure was.

We went to Nergal's pizza and got a bunch of pizzas and had some great pizza too.

We later returned home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Venomark is finally gone forever!

Anna Anyanova: He got what he deserved for what he did to Ransik, and for him to get the vampires of Sunnydale involved, that was really low. But, in any case, we destroyed Venomark and banished him to The Black Abyss, and we really pissed off Lord Zedd in The Book of Vile Darkness.

?: And when Jason's big day comes, Lord Zedd will finally get what he deserves.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Ace Bunny was looking out into the night sky.

Ace Bunny: So, Venomark has finally been taken care of, good riddance to that monster, this was the last time he would ever hurt anyone again with his poison.

THE CROW OST: BIRTH OF THE LEGEND PLAYS

Ace Bunny: So far, Tech, Rev, and I transformed. I was also surprised Sylvester transformed, but he really dealt with Evil Ransik, now for tomorrow, I can already expect Slam to transform.

THE END

Another awesome chapter done.

Shane Clarke's day to shine is next. I have some unfinished business to settle with Lothor.

See you all next time.

UNSETTLED SCORE WITH LOTHOR

This is for Lothor of the Ninja Storm rangers.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a colorful Easter-themed planet of holy nature, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of everything related to Easter, holy powers, all the powers of Easter, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of everything related to Easter, holy powers, all the powers of Easter, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Easterlairaira, a colorful Easter-themed planet of holy nature, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of everything related to Easter, holy powers, all the powers of Easter, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The

Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of everything related to Easter, holy powers, all the powers of Easter, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! An Easter-themed planet! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Easterlairaira.

Lincoln landed on Planet Easterlairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Easterlairaira, it truly is a planet of eternal Easter.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a dark purple sun and moon on his chest, he has long dark purple hair going down to his shoulders, dark purple eyes, dark purple angel wings, he has on a dark purple loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Easton Easterlairaira, King of The Easterlairairans of Planet Easterlairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Eilene Easterlairaira. (GASPS) Now, I remember, I've been here before to Easterlairaira eight years ago.

Then, all of the other male Easterlairairans came to Lincoln.

Easton Easterlairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Easton Easterlairaira chuckled.

Lincoln: And there's something I need to tell you.

Easton Easterlairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Easton Easterlairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Easton Easterlairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Easton Easterlairaira and the other septillions of male Easterlairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Easter, holy powers, all the powers of Easter, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a colorful aura with Easter eggs surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Easton Easterlairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and

confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Easterlairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Easterlairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle

and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Easterlairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four

orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And

you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Easterlairaira, a colorful Easter-themed planet of holy nature, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of everything related to Easter, holy powers, all the powers of Easter, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of everything related to Easter, holy powers, all the powers of Easter, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! An Easter-themed planet in The Forbidden Zone, that's so awesome!

Nico: You said it.

Me: Whoa, now Slam's transformed!

Lexi Bunny: Oh man, the next villain Slam faces, they're done for.

Slam Tasmanian holstered his massive greatsword on his back and powered down, and his new body, clothes, jewelry, Third Eye, larger tail, large gold halo and large Amaterasu's Heavenly Mirror of Four Holy Beasts with crescent moon ring-shaped frame with embedded purple gems behind the large gold halo and second smaller halo of light behind his head and four large orbiting gold rings on each corner with four large Amaterasu's Heavenly Mirrors of Four Holy Beasts with crescent moon ring-shaped frames with embedded purple gems on each corner behind the four large orbiting gold rings and six halos with second smaller halos of light above his Bracers, ankles, and beside his thighs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and purple planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and purple planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and purple planets orbiting around his wrists and ankles and enormous brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large brown angel wings underneath his enormous brown angel wings are permanent.

Ace Bunny: You said it, Lexi.

Shane woke up to see Torkoal staring at him

Torkoal: Morning Shane!

Shane: Morning Torkoal.

Torkoal: We got a big day for you Shane.

Shane: Oh man! Be right there.

He got dressed and went to the table.

Me: Morning Shane.

I gave him a big breakfast.

Me: You're going to need a lot of energy.

Shane: Cool.

Me: Oh guys we have a huge hike to Winsome Falls later today.

Applejack: YEEHAW! This is gonna be fun!

Rarity: We're all excited.

Me: Yep. And something is telling me we're going to have a big mission there too.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and

Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was a clone of Qilin, Sabine's Akuma, but he also spotted another figure, it looked like Yugi, but he had completely red eyes and the symbol of The Orichalcos on his forehead and he is an evil monster full of evil and hatred, and the amount of negative energy in him is beyond mind-boggling!

Adrien: We got another clone of Qilin to deal with, but who was that?

Lincoln: That was DarkAtem, the Hypothetical Akuma of Yugi Moto and he is like what happened when Pharaoh Atem used the Seal of Orichalcos and became an evil monster! He is full of evil and hatred. He doesn't have a motive as to why he was made and he vowed to kill J.D. and Eli and watch them burn with the world!

Lincoln got out his sketchbook, and he showed us what he looked like: he looked like Yugi, but he had completely red eyes and the symbol of The Orichalcos on his forehead and he is an evil monster full of evil and hatred, and the amount of negative energy in him is beyond mind-boggling!

WE GASPED!

Me: WHOA MAN! He looks really menacing!

Nico: Oh my God! This guy is going straight into The Book of Vile Darkness!

Me: Damn straight.

Eli: That monster is not Yugi, not at all, but I remembered you telling me about when you used The Seal of Orichalcos, Father.

Pharaoh Atem: It was not good at all, Eli, which is what I regretted on that day. Lincoln, where are they at?

Lincoln: I know where they're at, they're on the Forbidden Zone planet of Horrorvaraira.

THE GOTHS OF DARKNESS GASPED!

Brittney: Horrorvaraira?! I've heard the legends of Horrorvaraira, it's yet another nightmare planet where it's home to beasts and creatures of horror.

Me: (GULPS) Lincoln, I hope you tame those beasts and creatures of horror as well.

Lincoln: Leave that to me, and I'll be helping you guys deal with DarkAtem, we'll need to weaken him by beating him down, and then, I use my powers over The Orichalcos to suck out all of that negative energy he has inside him and drain him dry, and we can't use The Seal of The Orichalcos, that'll make him stronger.

Nico: So, no using the seal on him.

Lincoln: Yep, besides like you said, we're sending him to The Book of Vile Darkness after we kill him. Alright, now let's finish breakfast and head for Horrorvaraira.

Nico: Right.

We finished breakfast, and we headed to Horrorvaraira to help March Gustysnows unlock her Rainbow Power and after Lincoln absorbs the clone of Qilin, we are getting rid of DarkAtem and sending him to The Book of Vile Darkness.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14244.1: The U.S.S. Valorous Phoenix is en route to the horrifying planet Horrorvaraira and this is gonna be a good mission as we are going to battle a clone of Sabine's Akuma, Qilin as well as Yugi's Akuma, DarkAtem. We're going to be in for a powerful and wild ride.

Me: Boy this is gonna be wicked cool.

Xenia: It sure is.

Me: Man Your Majesty, I heard all about how you used the Orichalcos like that. That was terrible.

Atem: Yes it was not one of my proudest moments.

Rafael: Mostly because I goaded him into using it

Me: Boy that was intense.

Xenia: It sure is.

Me: We'll show him the power of our duel monsters and us working together.

Xenia: Yep.

Morph Moth: This will be intense.

Nico: Morph Moth, I want to thank you, Mothman, and your teams for coming.

Morph Moth: No problem Nico. This will be fun.

Me: It sure will.

The Shobijin Fairies were on my shoulder.

Me: We're glad you can help us Hio and Mana.

Hio: We're glad to help too J.D.

Mana: Especially after everything your father did for us.

Me: That was back almost 60 years ago. But that was awesome.

Nico: So that's your names. Okay then.

Me: Yep.

Horsea: What did J.D.'s dad do for you guys again?

Hio: He saved many of our people from the Red Bamboo Organization. They were being used as slaves there.

Me: That was back in 1966.

Mana: That's right.

Horsea: Wow! That must've been an amazing adventure.

Me: Yep. And the monsters Ebirah and Ookondoru were there. Godzilla appeared and destroyed them.

Eli: I remember hearing about that too.

Qin: Wow! That must've been quite an adventure.

Hio: It was.

Mana: We are forever grateful to J.D.'s dad and his family for.

Me: My dad was amazing there. It was an uncharted island in the middle of the Solomons. Somewhere in the Bougainville area.

Nico: An area I know all too well.

Horsea: I See.

Me: Yeah.

Lily: That must've been really cool! And their commander from what I remember is Dr. Nick's archenemy.

Dr. Nick: That's right.

Squidward: That is so cool.

Squidward then scratched his back.

Squidward: (GROANS) Itchy. This scar I have is hurting me.

Me: Scar?

He lifted his shirt and WE GASPED! WE SAW A REALLY NASTY AND HORRIBLE BUNCH OF SCARS ALL OVER HIS BACK!

Me: Oh man!

Nico: GEEZ! How did you get those!?

Squidward: (Sighs) I did something horrible and Lily beat me up.

Lily: Oh man. (Tears stream down her face) I mercilessly beat him up so bad that it landed him in the hospital for 5 years.

Nico: Really?

Lily: Yeah. It was back in 2019.

Lily was walking to work.

Lily: (Voiceover) I was heading to the Krusty Krab for another great day at work. I was ready to make an amazing amount of Krabby Patties. When I got to the Krusty Krab, I was greeted by the most horrifying sight ever.

Lily walked in and to her shock she saw MR. KRABS AND SPONGEBOB VICIOUSLY BEATEN UP BY SQUIDWARD! HE WAS LAUGHING LIKE AN INSANE NUT AND SPONGEBOB WAS SO BADLY BEATEN UP AND DISMEMBERED! SQUIDWARD HAD ALL OF MR. KRABS MONEY! MR. KRABS WAS BEATEN UP AND MANGLED UP TO THE POINT WHERE HIS ARMS AND LEGS WERE RIPPED OFF AND HIS EYES WERE GONE AND HIS SHELL WAS CRACKED!

Squidward: (LAUGHING INSANELY) You stupid fatass! I destroyed your thermostat and took all your money! Now I'm going to kill you and SpongeBob and make sure the Krusty Krab burns with you in hell! (LAUGHS INSANELY!)

Lily: (Voiceover) I was absolutely horrified! Then I snapped!

LILY'S GROWLED AND HER EYES TURNED INTO A FEROCIOUS GLOWING AND MALEVOLENT RED!

Lily: SQUIDWARD YOU DISGUSTING PUTRID FUCKING PIECE OF SHIT!

Squidward: LILY!?

LILY THEN JUMPED HIM AND MERCILESSLY THRASHED HIM INTO A BLOODY MESS!

Lily then grabbed Squidward.

Lily: YOU LISTEN TO ME SQUIDLOSER! YOU ARE THE MOST REPULSIVE LOSER IN THE ENTIRE CITY OF BIKINI BOTTOM AND YOU WILL NEVER BE ANYTHING MORE THAN A PATHETIC LOSER AND YOU ALWAYS WILL SUCK AT CLARINET AND YOU ARE NOTHING MORE THAN A LUNATIC AND A HEARTLESS MONSTER! Squidward tried to nod but couldn't!

Lily then threw him far!

Lily growled and panted hard!

Lily: (Voiceover) I sent him to the hospital for 5 years with every single bone in his body broken.

Then she saw what she did and then cried hard and ran back home!

FLASHBACK ENDS

Lily: (CRYING HARD IN GUILT)

Lincoln was comforting her.

Lincoln: (Soothing voice) It's okay Lily. It's okay. It's okay.

We were shocked and horrified and then we glared ferociously at Squidward!

Sebastian Mendez: (EYES BUG OUT) (JAW DROPS) (ALARM BELLS) (CRAZY SLAPS AND KICKS TO HIS FACE) OH JEEZ!

His face turned green and he went to a trash can and threw up!

MASSIVE VOMIT STORM!

Luna: PUKE STORM! (FAINTS)

FWOMP!

Squidward: Yeah, not one of my best moments

Nico: Guys calm down. That was a long time ago. Besides Squidward is not like that anymore.

Squidward: I just snapped because of work related stress.

Nico: Oh. But yeah it was long ago.

Lily was crying hard.

Lincoln: It's okay Lily. It's okay.

Me: Poor Lily.

Rita: Lily told us what happened and we comforted her as much as she could.

Lincoln: I stayed with her in her room while she cried like a big brother would.

Me: Oh man.

Hio: That was awful.

Nico: Our feud with Squidward ended in 2020. You know, when I left the team temporarily?

Me: I thought it was 2021 during the 20 Days of Darkness.

Nico: No. It was back in 2020 2 days after we fought Talon the first time

Me: Oh yeah. How can I forget that.

Sombra: Not one of my proudest moments there.

Naomi Necroshade: I heard about what happened back then. That was awful.

Poromon: Yeah.

Lynn: I can't believe we accused you like that Nico. I'm sorry for that.

Nico: It was a long time ago. All water under the bridge.

Qin: Yeah.

Lola: Yeah.

Ymir: That must've been awful.

Me: It was. Anyway lets talk about the previous mission. Man what a battle.

Ransik: At least we're rid of Venomark.

Me: In all honesty Ransik, I don't know what the hell you were thinking recruiting him. He's the one that betrayed you.

Ransik: Actually, Frax sent him from the X Vault

Me: That is crazy. But I remember that now. Sorry I'm just jumbled up because of the story Lily told.

Nico: It's fine J.D. But I'm just glad that we stopped him.

Me: And cured his victims.

May: No kidding. But he has a nasty bite.

Manaphy: I'm glad you didn't get poisoned mama.

Mikey Kudo: She pulled the same move I pulled when he was fought the first time

Me: I remember that. Must've learned that from last time.

Qin: Yeah.

Me: That was nuts.

Maria: I was back to being a kid again thanks to Wes's Akuma.

Twilight Sparkle; So were me and my friends.

Me: That was cool though.

Carmen: I enjoyed being a big sister

Me: That was cool.

Maria: It sure was.

Wes: I looked cool as an hourglass.

Me: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a black planet and it looked scary.

Me: Whoa so that's Horrorvaraira.

We arrived on Horrorvaraira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

We saw the surface and it was REALLY NIGHTMARISH and scary!

Me: Whoa! So, this is Horrorvaraira, this place sure is scary!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Horrorvaraira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Horrorvarairans and the beasts and monsters of horror.

We saw lightning in the sky and there were scary trees all over the place and the mountains were frightening.

Nico: (GULP) This place is horrifying!

Brittney: I know. Isn't it great?

Horsea: It's not great!

Nico: It sure is creepy.

Qin: It sure is.

Xenia: No kidding.

Juleka: This is a planet that is perfect for us goths.

Wednesday: We love it.

Haiku: I agree.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a blood red sun and moon on his chest, he has long black hair going down to his shoulders, blood red eyes, massive black angel wings, he has on a blood red loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Henry Horrorvaraira, King of The Horrorvarairans of Planet Horrorvaraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angels, Harley and Helen Horrorvaraira, and I've also been here to Horrorvaraira eight years ago.

Then, all of the other male Horrorvarairans came to Lincoln.

Henry Horrorvaraira: That's correct, you came here eight years ago when my daughters wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughters couldn't even keep their hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Henry Horrorvaraira chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw two beautiful girls who were tall at 250'11" in height, they both have the body of a goddess and large breasts, fair skin, long black hair, bred eyes, they were dressed in black short-sleeved blouses, red sleeveless midriff tops, black skirts, Gothic stockings, black knee-high high-heeled boots with black butterfly buckles, they have massive black angel wings, and they have a darkness greatsword in their right hands.

Lincoln: (GASPS) Harley and Helen Horrorvaraira, Queens of The Horrorvarairans of Planet Horrorvaraira.

Me: You know them, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, the first girl on the left is Harley Horrorvaraira, Queen of The Horrorvarairans of Planet Horrorvaraira, she's Lincoln's Guardian Angel from the planet of Horrorvaraira, she's the elder twin sister of Helen Horrorvariara and The First Queen of The Horrorvarairans of Horrorvaraira, an incredibly nightmarish planet of eternal nightmares, eternal darkness, eternal horror, and endless terror, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and just like with Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Horrorvaraira where he would meet The Horrorvarairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Horrorvarairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Horrorvaraira and its core into his body and Horrorvaraira's Sun into his body to preserve their legacy. Harley Horrorvaraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and all the powers of The Horrorvarairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Horrorvarairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Horrorvaraira and its core and Horrorvaraira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Harley Horrorvaraira hates all of Lincoln's enemies with a blazing passion, and she swore to have them destroyed by the nightmare monsters of Horrorvaraira and banished forever to The Black Abyss with the power of Horrorvaraira.

And the second girl on the right is Helen Horrorvaraira, Queen of The Horrorvarairans of Planet Horrorvaraira, she's Lincoln's Guardian Angel from the planet of Horrorvaraira, she's the younger twin sister of Harley Horrorvariara and The Second Queen of The Horrorvarairans of Horrorvaraira, an incredibly nightmarish planet of eternal nightmares, eternal darkness, eternal horror, and endless terror, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic

Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and all the powers of The Horrorvarairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Horrorvarairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Horrorvaraira and its core and Horrorvaraira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Helen Horrorvaraira hates all of Lincoln's enemies with a blazing passion, and she swore to have them destroyed by the nightmare monsters of Horrorvaraira and banished forever to The Black Abyss with the power of Horrorvaraira.

Lincoln: And there's something I need to tell you.

Henry Horrorvaraira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Henry Horrorvaraira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Henry Horrorvaraira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Henry Horrorvaraira and the other septillions of male Horrorvarairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to

Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a red and black aura with shadows and darkness and blood surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Henry Horrorvaraira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Harley Horrorvariara: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future

wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you and Helen just told us, Harley.

Nico: Wow...!

Helen Horrorvaraira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln first pinned Harley Horrorvaraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln pinned Helen Horrorvaraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from their right trapeziuses and the marks sealed up and Lincoln kissed the spot where he bit them, and then, two Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Harley and Helen Horrorvaira with blood red gems on the gold lightning bolts and blood red crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with two gold-accented Elemental Thunderbird Chokers of Eternal Love on their neck and rainbow Thunderbird wedding rings on their left pinkies.

Then, he helped them up and he kept them close to his body as they took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura

exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened.

Harley Horrorvaraira: That's my special gift to him: Horrorvaraira's Blessing of Divine Horror Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around their waists even more and brought them closer to his body even more and they really felt how much stronger he really is.

Helen Horrorvaraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Horrorvairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Horsea shivered in fear.

Maria: Scary place isn't it?

Qin: Yeah.

Horsea: It sure is.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Horrorvaraira to help March Gustysnows unlock her Rainbow Power and after I absorb the clone of Qilin, we are getting rid of DarkAtem and sending him to The Book of Vile Darkness.

Nico: The clone of Qilin you can absorb with no problem, but DarkAtem, he's gonna be a tough one.

Me: He'll be coming after me and Eli as you said, Lincoln, but he won't get that far.

Qin: Yep. Lets go find him.

Shaggy: (Cowardly Whimpering) Like go out into this world! (Whimpering) Like not on your life! NO WAY!

Scooby Doo: UH UH!

Erica Haddock grabbed them both.

Erica Haddock: Like it or not, you two are going!

Shaggy: We're not going and that's that!

Scooby Doo: And you can't make us!

Erica Haddock: Yes we can!

Erica tied them up to a chair and made them go!

Shaggy: Like I hate this!

Me: What a couple of chickens.

Ed: A Chicken J.D.!?

Me: Yep. They are chickens!

Ed hugged Shaggy and Scooby!

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

We had all of TLPS and The M.O.E. with us.

Hawkeye heard a Pokemon cry.

Hawkeye: Look guys.

We saw a Dartrix.

Me: Cool a Dartrix.

Nico: Wow!

Dartrix: This place is really scary.

Hawkeye: I know.

He gave it apples.

Dartrix: Thanks.

He ate them.

Hawkeye: You're welcome. Want to come with me?

Dartrix: Sure!

Poromon: YAY!

Me: Awesome.

Then we heard something coming. We then saw a dog dinosaur creature!

It jumped and landed in front of us!

We gasped!

Me: WHOA!

Qin: Dogpound!

Shanan: Oh man! That's a Cholgannan Nexumaria Wolf! They are cousins of the Cholgannan Nexu.

Nico: WHOA!

Anakin: We never saw a creature like this on Cholganna.

Eli: That is crazy!

2003 Mikey screamed like a little girl

Same with 2012 Mikey.

Me: This is the last of the Underground Girls we have left.

I pulled out the last vial of serum.

Me: And the last of the serum.

Ed was still hugging Shaggy and Scooby.

Ed: PET THE CHICKENS! PET THE CHICKENS

Eddy: Hey Lumpy anytime you want to turn into Edzilla!

Ed: Huh? Oh yeah!

Ed turned into Edzilla!

Edzilla: ED SMASH DOG CREATURE!

He went at Dogpound and punched and smashed it all over the place!

I then jumped and injected her.

She reverted back and was a girl with brown hair and olive green eyes.

I wrapped her in a blanket and brought her over.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Me: YEAH!

Nico: Next up are Evil Versions

Me: Oh boy.

Qin: Yep.

She woke up.

Girl: (Groans) What hit me?

Me: Are you okay?

Girl: I think so.

Me: What's your name?

Kris Sallington: Kris Sallington.

Me: Pleasure to meet you.

Kris Sallington: Same here.

Me: What do you do for a living?

Kris Sallington: I'm an athlete and play lots of spoits.

Lynn: Cool! What sports do you play?

Kris: Football, soccer, baseball, basketball, bowling, Boxing, wresting, all of it.

Lynn: Cool! We have so much in common.

Me: You sure do.

Sydney: I'm glad you're safe Kris.

Kris: Me too Sydney.

Shanan: You were turned into what's called a Cholgannan Nexumaria Wolf.

Shanan showed a hologram of it.

Kris: Oh man. I was preparing for my next game and then these guys jumped me and everything went black

Me: The Shredder's Footsoldiers. Also the High Mage is dead.

Lola: You don't want to know how he died.

Me: And it's best you don't know.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new athlete clothes and they were dark yellow green.

Kris: I look amazing.

Me: You sure do.

Kris gave Sydney a noogie!

Sydney: HEY! (LAUGHS)

We laughed!

Me: Funny!

But then we felt an INTENSELY POWERFUL Energy signal!

Me: WHOA! I sense a REALLY HUGE and enormous power!

Nico: WHOA! What in the world is emitting that kind of energy!?

Laney: WHOA! It's strong!

Lana: LOOK!

We saw a Mega Deoxys!

Me: WHOA! Mega Deoxys!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: WHOA! Her name is Zariyah Zvezda. She is half Celestialsapien.

WE GASPED

Nico: That explains why her energy is so strong!

Ben: Oh boy.

Me: Lets go help her then.

I flew up to her.

Me: Calm down Zariyah. We'll help you.

She used Psycho Boost on Horsea but she put her clone in front of her

She fired an energy ball and it didn't hit Horsea but rather it hit May!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

May got hit with it and the ball exploded! She was badly burned all over!

Manaphy: MAMA!

May: I'm okay! (Faints)

FWOMP!

Me: OUCH! That had to hurt! Okay then!

I fired a massive blast of energy and blasted her down.

I then snapped my fingers and she reverted back. She was a girl with neon pink hair and purple eyes and had star angel wings and had Mega Deoxys on her forehead and had a symbol of the universe on her arm with Alien X on it as her cutie mark and she was voluptuous and beautiful.

I wrapped her in a blanket and brought her over.

Me: There.

Nico: Wow!

She woke up to see Horsea's smiling face

Zariyah: (Groans) Huh? A Horsea?

Horsea: You went at my clone!

Zariyah: Oh man. What happened?

Me: Well you were turned into a Mega Deoxys by Dark Gale.

Zariyah: Oh man! I was trying to destroy the last of a bunch of rogue Vaxasaurians on the planet Terradino when it happened.

Me: Oh man. That is nuts.

Humongousaur: There have been instances on my planet when some of us went rogue.

Me: That is crazy. Like a bunch of rogue elephants.

Humongousaur: In a way.

Manaphy then hopped over and looked at her with incredible rage.

Manaphy: You hurt mama!

Me: Uh oh!

Manaphy then pulled out a rifle and pointed it at her!

Manaphy: START PRAYING!

Zariyah then snapped her fingers and turned the rifle into cheese wheels!

Manaphy: HEY!

Me: Manaphy you should know better than to challenge a Celestialsapien. Their power is that intense.

Zariyah: That's right. My mother is a Celestialsapien and my father is one of the Plumbers.

Me: Wow!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new black clothes and an aurora sword.

Zariyah: I look great. But lets make this more awesome.

She used her powers and made her dress into a star dress that showed the nebula in it.

Rarity: Why that is absolutely beautiful!

Me: Wow! No kidding.

Rei Miyamoto saw her breasts.

Rei Miyamoto: Your breasts are as big as Shizukas! That is not fair!

Zariyah: Sorry about that. Just got natural beauty and good looks.

Me: All right girls calm down. We got a job to do now.

Nico: J.D.'s right.

She punched Qilin in her face!

DarkAtem went at us more and I kicked him and sent him flying! He crashed into a rock and got up.

DarkAtem: YOU MAY BE STRONG BUT YOU ARE STILL JUST A STUPID FUCKING ANIMAL!

HE WENT AT ME AND I DODGED HIS PUNCH AND SMASHED MY FIST IN HIS STOMACH WITH DEVASTATING FORCE! He belched up a huge amount of blood!

Me: I would rather be a brainless stupid fucking animal than a heartless monster! Like you!

HE WAS REALLY ENRAGED FROM THAT REMARK!

I punched him in the face and knocked him down.

Nico: J.D., I think we were being watched!

SHE SCREAMED AND THEN HER HEAD INFLATED AND THEN!

BOOM! KRASPLAT!

HER HEAD EXPLODED! HER BRAINS AND BLOOD AND GUTS WERE SPLATTERED ALL OVER!

Me: OH SICK!

Nico: How many to go?

BANG!

I just blasted Fred Brennos by blowing his brains out.

Me: One.

Erica pulled her fist out of Beverly.

Erica then grabbed her and then...

CRUNCH! SQUELCH!

She snapped her neck and ripped her head off.

Erica: Now they are dead.

Me: Good fucking riddance. That's just for starters though.

I banished their spirits to the black abyss.

Me: Now where were we? Oh right!

Manaphy hopped over to her and bashed Qilin.

Maria: Before I forget... (TURNS DIAL) ANTEATER FURY 6!

She summoned Snipe Anteator, Thugly, Cloudian Hurricane Hydra, Volcanic OVerlord, Ultimate Fossil Dragon, Rainbow Overhydra

Nico: Just so she doesn't forget.

Snipe Anteator: Good.

Alien X: Lets show some power!

Zariyah Zvezda: Lets!

Alien X and Zariyah: CELESTIA STAR BLAST!

They fired waves of energy and stars and blasted Qilin.

Ben: We've actually been to the Forge of Creation before.

Qin: Really?

Nico: Wow!

Ben 10: It's true.

Me: Wow!

I then stabbed DarkAtem in his chest!

Me: Give my regards to King Tut ASSHOLE!

I kicked him down! He was knocked out!

Qilin: (Echoing Voice) I come in peace.

Lincoln: And you go in pieces asshole!

He fired an energy blast and blasted her down!

Nico punched her.

POW!

Lincoln trapped DarkAtem in a field of positive energy which kept him weak in there, and then, he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chest of the Qilin clone, and he began absorbing her and he assimilated all her powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Qilin and he sucked out the remaining energy of the clone as she faded away, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

Lincoln: Okay, that's the clone of Qilin out of the way. (To DarkAtem) And now, for you, DarkAtem.

We saw Chairmen Drek come out, and he had a massive army of Warbots and Blarg mercenaries as well.

Sunset Shimmer: Should've known you'd show up here again, Drek, you slimeball.

Chairman Drek: You ruined my plans to rule the galaxy two years ago! I could've finally made new worlds out of the ruins of every last planet in the galaxy! But, you! YOU HAD TO RUIN EVERYTHING! Well, now I'm going to end every last one of you, Team Loud Phoenix Storm! WARBOTS, BLARG SOLDIERS AND MERCENARIES! ATTACK!

The Warbots and the Blarg soldiers and mercenaries were ready to attack! But, DarkAtem broke out and he went at us, but Eli and I overpowered him and sent him flying into Drek and his men.

Chairman Drek: Get off of me! Those fools are mine to destroy!

DarkAtem: Never! They along with J.D. and Eli will be destroyed by my hand along with this entire planet and the entire Earth!

Me: We'll see about that!

DarkAtem attacked Drek and his men, and they lost their souls and were turned into his slaves.

Ratchet: (Deathly Calm Voice) I've had it with you, DarkAtem, I have absolutely had it with you!

Suddenly, something within Ratchet's mind snapped as the memories of Drek's attacks on the galaxy along with what he just saw from DarkAtem rushed through his head as his emerald green eyes turned neon emerald green, and he was surrounded by a golden yellow and orange, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, bolts, fire, flames, Lombaxes, phoenixes, and angels, and as he angrily approached DarkAtem along with Drek and his armies, he left golden yellow and orange, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, bolts, fire, flames, Lombaxes, phoenixes, and angels with every step.

Ratchet: I can never understand why you were made at all, DarkAtem. I know you used The Seal of The Orichalcos, but as a result, you became an evil monster full of hatred and evil, but to make your vow to kill J.D. and even Eli as well and watch them burn along with the world, that's only proof that you are nothing more than pure evil.

Suddenly, Ratchet's golden yellow and orange, white, golden yellow, and blue energy aura flared up even more as his muscles grew bigger and bulged out even more as the Lombax was starting to get extremely pissed off!

Ratchet: (GETTING EXTREMELY PISSED OFF) You are nothing like Yugi at all, nor are you anything like Pharaoh Atem, the Egyptian Pharaoh who saved the world from the terror of The Shadow Realm ruler, Zorc Necrophades, 5,000 years ago, you are nothing more than the embodiment of hatred and pure evil who lives to spread the hatred of The Orichalcos and destroy the world, and for you to threaten to kill J.D. and Eli and watch them burn along with the entire world..., YOU FILTHY ANIMAL! (ENRAGED SCREAM) YOU MAKE ME SICK! THIS IS UNFORGIVEABLE, I WILL NOT ALLOW YOU TO LAY ONE ONE HAND ON MY FRIENDS! I'M GOING TO MAKE SURE THAT YOU DIE A SLOW AND PAINFUL DEATH FOR THIS, DARKATEM, AND I WILL HAVE YOU BANISHED INTO THE BOOK OF VILE DARKNESS FOR ALL ETERNITY WHERE YOU WILL SUFFER UNIMAGINABLE PAIN AND TORMENT FAR WORSE THAN IN THE SHADOW REALM! AND AS FOR YOU, DREK, THIS IS WHERE YOU DIE ONCE AND FOR ALL!

We suddenly gasped in pure shock: RATCHET'S FURY HAS BEEN UNLEASHED ON DARKATEM AND ON DREK AND HIS MINIONS!

Clank: Oh dear, what's happening to Ratchet?

Sunset Shimmer: I think he's about to transform, and it's gonna get ugly!

Then, Ratchet used Reverser's powers and broke the spell on Drek and his men, but this still angered him as he ordered his armies of Warbots and soldiers to attack, but Ratchet slashed through them and destroyed the Warbots and soldiers, and he also brutally attacked Drek, but then, he injected himself with tons of NanoTech and they cured his wounds.

Then, Nico, Super Brother, Lincoln, and I trashed DarkAtem with really immense godly superhuman strength, and DarkAtem was really thrashed all over the place.

James Blunt: (Thinking) Even after all the damage we did, Lincoln, Super Brother, and J.D. also did the same thing damaging him big time, and Nico also joined in as well. Impressive.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding him and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、强大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at DarkAtem and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at DarkAtem, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Lincoln went after DarkAtem and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at DarkAtem and they exploded with incredible power as they hit him.

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were more brutal than ever, and he let his massive white wolf with massive white angel wings companion also attack him too with incredible fury and he fired intense white fire and elemental blasts at him and they explode with fiery and intense power.

Then, Lincoln fired 999 massive balls of fire from his left hand and they orbited around DarkAtem and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Nico: That should do it, but still, that was intense, and we also met your Guardian Angels, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Horrorvaraira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Horrorvaraira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

Qin: Wow! And Lincoln finished off The Dark Clow Cards and got rid of the snake who caused this mess.

Pyra Firey: We know, we saw everything.

Lincoln: And the blank cards, they were restored, and they were turned into Star Cards for me to use and The Dark Clow Book was purified and made for me.

Lincoln showed them.

Seena Sweet: Wow! That's awesome.

Lincoln: You said it.

Yugi: I hope the Akuma I face on my day is more pleasant

Me: I know.

Eli: That akuma of you Yugi was an absolutely heartless monster!

Nico: Just like Frieza.

Qin: Maybe not that bad.

Me: But as a bonus we got rid of 4 of Nico and Qin's enemies.

Erica was crying hard.

Crow Hogan went over to her.

Crow Hogan: I'm sorry Erica. I'm sorry.

Crow hugged and comforted her.

Me: Beverly was a soulless monster

Xenia: Yeah.

The mascots comforted her too.

Dartrix: Poor Erica.

Me: Yeah.

Nico: Nice job Dartrix.

Dartrix: Thanks! Got any beer?

Poromon was comforting Erica to give her one.

Me: Oh man.

Poromon: HEre.

He gave me one.

Me: There you go.

Dartrix: Thanks!

He drank it down.

Dartrix: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

Dartrix: Watch this.

He belched and out came a bunch of gold bars!

Varie: Hey he's paying off!

They got lots of gold bars from him.

Me: That was funny!

Poliwag: Sing the ABC's!

Dartrix: (BELCHING) ABCDEFGNAKWONQOOWOOFPSRKMOEWPA!

WE LAUGHED!

Nico: FUNNY!

I reverted him back.

Me: There.

Lily: We might as well rest before the big hike to Winsome Falls.

Me: Good idea.

Nico: Oh Morph Moth, What do you like to do in your free time?

Morph Moth: I like to work at the local butterfly conservation park in town.

Laney: It's a greenhouse where all the butterflies live and breed.

Nico: Nice.

Qin: Cool.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, one of the Anothers is Another Shane Clarke and one of the Anothers is not only another of Lincoln's Guardian Angels, but she's also a Guardian Angel of Princess Celestia.

Me: Wait, what?!

Lincoln: (Thinking) If it's who I think it is, then Princess Celestia and I have to explain the whole situation to the rest of the team.

Me: So Morph Moth, Shobijin Twins of Infant Island, Maia Mothra, Mosura the Human Mothra, Miana & Maina, Mothra 2019, Kitten and Serena Dupain-Cheng are up and we got Another Mothman (Monster Legends), Another Hibiki, Onnin, Black Priest's Daughter, Lady Piratress, Demon Peter Puppy, Constructicon Devastator (Live Action Transformers), Chameleon (Kung Fu Panda 4) and Shadybug to face.

Nico: Yep.

Qin: Wow!

Nico: There they are!

We saw Another Hibiki, Onnin, Black Priest's Daughter, Lady Piratress, Demon Peter Puppy, Constructicon Devastator (Live Action Transformers), Chameleon (Kung Fu Panda 4) and Shadybug!

Me: WHOA! This will be intense!

Another Hibiki: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Evil HERO Inferno Wing, Sacred Phoenix of Nephthys and Cloudian - Eye of The Typhoon!

Nico: (GASP) Irena Infernowing and Nayeli Nephthys!

Adrien Gecko: (GASP) Abigail!

Adrien went and hugged her.

Abigail Gecko: Bro it's good you're okay!

Irena Infernowing: Good to see you Nico.

Nayeli: Same here.

Rei Miyamoto: You have huge breasts too!? MAN! WHAT IS WITH THAT!

Me: Rei calm down. But the gene-slammers of Evil HERO Inferno Wing, Sacred Phoenix of Nephthys and Cloudian - Eye of The Typhoon.

Qin: Yep.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Irena Infernowing: Friendly and awesome.

Me: Cool.

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now we wait

Horsea cuddled up to Erica

Me: Erica really lost someone dear to her.

Qin: Yeah.

Xenia: Poor girl.

Qin: No kidding.

Mana: She is sad inside because of that.

Hio: She sure is.

Me: Yeah.

Lana: Oh look!

We saw Another Mothman and Shane!

Me: WHOA!

Qin: This will be intense.

Another Mothman: (In a girls voice) It sure will.

Princess Celestia: (GASP) That voice!

Lincoln: It is!

She reverted back.

Princess Celestia: Eria!

Lincoln: Eria Solar Flare! I had a feeling!

Eria Solar Flare knelt.

Eria: Good to see you my Liege and you too Linky.

Me: Care to introduce us?

Princess Celestia: Sure. This is Eria Solar Flare, Knight of The Solar Eclipse, she's Lincoln's Guardian Angel from an alternate universe and she's a master of intense fire and the powers of The Sun, light, and energy. She's the leader of a powerful cult of Guardian Angels for Lincoln and Princess Celestia called The Order of The Phoenix from The Dark Sun, they were made for one purpose: to protect Princess Celestia and Lincoln. The reason for protecting Princess Celestia is to prevent her from becoming an insane mare of pure evil called Solar Flare! Legends say that a Phoenix came from The Sun and bestowed intense power to a group of followers devoted to Princess Celestia, and Eria and her friends were those group of followers, and they loved her like a sister. They came from an alternate universe where instead of Princess Luna being banished into The Moon, Princess Celestia was banished to The Sun, and for over 1,000 years, she suffered severe and excruciating pain from the intense heat of The Sun. As a result of that, her Alicorn magic infused her with the power of The Sun and made it so she could not die. As a result, a horrible transformation took place, turning Princess Celestia into a MOLTEN NIGHTMARE! What was left of her past self was no more, and in her place was a monster driven utterly and completely insane by unimaginable pain and intense burning hellbent hatred towards her sister Princess Luna. She became a molten nightmarish pony of hot evil named SOLAR FLARE! She will stop at nothing to kill her sister and burn anyone that gets in her way. Seeing this for themselves, Eria and her followers swore a Sacred and powerful oath under the light and purity of The Sun. The purity of the hearts of Eria and her followers was so great, that The Elements of Harmony and the legendary Ponies of Spirit granted them powerful fire swords and magical powerful amulets to use the powerful forces of magic and energy and purify the lands and channel the righteous power of the legendary ponies and Elements of Harmony, and to ensure they would complete their duties forever, they were also given the task to protect Lincoln Loud from all his enemies too.

Anna Anyanova: Eria Solar Flare came to Royal Woods from her alternate universe, and she trained Lincoln in mastering the powers of intense fire and the powers of The Sun, light, and energy, and as a result, all his powers of intense fire and the powers of The Sun, light, energy, life nourishment, Cosmic Pyrokinesis, Cosmic Heliokinesis, and Cosmic Photokinesis have increased infinite-fold, and she knew

Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she's also going to tell us that the reason why her alternate universe's Princess Celestia became Solar Flare was none other than Queen Opaline Arcana, she journeyed to that universe and made her into Solar Flare!

WE GASPED IN SHOCK!

Me: Opaline made Celestia into Solar Flare!?

Nico: That monster!

Sebastian Mendez: I'm going to destroy her!

Me: Lets wait till the prophecy comes. Then we can go all out on her.

Qin: Yeah.

Eria Solar Flare: We'll gladly help you all out. And you have our services my Liege.

Princess Celestia: Thank you Eria.

Nico: And your friend?

Another Shane: (In a girls voice) Someone who hates Lothor.

Shane: That voice.

She reverted back and it was a girl version of Shane!

Shane: Shania!

Shania Clarke: Hello bro.

Shane and Shania hugged.

Shane: This is my sister Shania. She is the Black Ninja Storm Ranger.

Me: WHOA! The Black Ninja Storm Ranger. For which element? Darkness?

Shane: That's right and the power of the Raven.

Me: Wow! And you hate Lothor as much as me?

Shania Clarke: I sure do.

Me: I was very eager to destroy him from 2019 till 2022. We did so on Cornelia's big day back then in 2022.

Sougo (Gets out Wild Force Ridewatch): You DID kill him back in 2022.

Geiz (Gets out Ninja Storm Ridewatch): Even if you fought him for about 10 minutes

Sougo got out WildForceRedArmor while Geiz got NinjaStormRedArmor

Me: Still didn't qualify as a true battle. But this time now I get to release the ultimate extent of my true power on him. But at least I got to fulfill my eagerness on him.

Nico: Too true.

Me: Lets separate you girls first.

We did so.

Nico: (Gets out Mothman's Ridewatch) The Moths of the Night!

May: (Gets out Onnin's ridewatch) The Darkness of the Priest!

Universe 666 May: (Gets out Lady Piratress's ridewatch) A PIRATE'S LIFE FOR ME!

Maria: (Gets out Chameleon's Ridewatch) Blend in and Kill!

Shobijin Fairies: (GEts out Another Hibiki's Ridewatch) The Echoes of the Riders!

They used the powers of Mothman (Monster Legends), Another Hibiki, Onnin, Black Priest's Daughter, Lady Piratress, Demon Peter Puppy, Constructicon Devastator (Live Action Transformers), Chameleon (Kung Fu Panda 4) and Shadybug and blasted the Anothers!

Me: YEAH!

Shania: Now watch this! NINJA STORM! RANGER FORM! HA!

In a swirl of darkness she turned into the Black Ninja Storm Ranger!

Shania: (Echoing) POWER OF DARKNESS!

Me: COOL!

Qin: WOW!

Poromon: YEAH!

Me: WOW! Lets use the finisher on him!

Shane: You got it!

Rangers: THUNDERSTORM CANNON!

We formed the cannon!

Me: Ready!

Shania: FIRE!

We fired a blast of lightning and energy and it slammed into Another Shane and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

I caught the ridewatch and purified it!

Me: OH YEAH!

Nico: Shane Clarke you have failed this world!

Qin: That was awesome!

Me: Yeah it was!

Then Shere Khan (Talespin), Smoke & Mirrors, Yost Absorbing Man, Green Crab, Tyrannicus Tiger, Ni, Ichi and San came!

Me: WHOA!

Baloo: WHOA! Shere Khan!?

Shere Khan (TaleSpin): The one from the world of TaleSpin. Not the one you guys are facing.

Nico: Nice team though!

Shere Khan: Thank you Nicholas.

Baihumon: I'll be facing your familiar version on the rescue of my day

Shere Khan: Sovereign of the West VS Prime universe version of me.

Me: Yep.

Neon Tiger: And my team is up.

Me: Yep.

Neon Tiger: Sweet!

?: Awesome!

Elemental HERO Wildheart came!

Me: WHOA! Elemental HERO Wildheart!

Elemental HERO Wildheart: (In a girls voice) This will be fun.

Nico: Winona Wildheart! Wow!

She reverted back.

Winona Wildheart: Good to see you Nico. I got this. WILD SLASH!

She jumped and slashed Mothman and destroyed him. I caught the ridewatch and purified it.

Me: YEAH!

Nico: Nice job!

Winona Wildheart: Thanks! That was awesome.

Me: It sure was.

Hio: Do you have a good memory of Nico?

Mana: It must be a good one.

Winona Wildheart: I do. When me and Nico went into the Jungle and battled a bunch of poachers out to destroy elephants there. We made sure they were captured and brought to justice.

Me: Wow! That is cool!

Nico: Yep.

They hugged.

Nico: I've missed you.

Winona Wildheart: Same here.

We went back home.

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the deities, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at them, and they exploded with incredible power as they hit them. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked them with their greaves and they got hit hard, and Red Savarin slashed at him with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked them hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit them on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the deities, and they screamed in agonizing pain.

Lincoln continued smashing the deities hard with his extremely massive godly superhuman strength, and they're no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them and he even attacked them using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash them all over the place!

Then, Lincoln fired blasts of elements and energy at the deities and they got beaten up real good and they were mangled!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of Drowned

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Drowned God, Goddess of the Wind, Great Other, Horse God, Lion of Night, Many-Faced God, the Old Gods, the Old Ones, Sea God, and Storm God began growing weaker as all their godly powers were being sucked out of them one at a time and was pumped into Lincoln.

Lion of Night: (Groans) He's sucking us dry and sucking us into his body, we can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Drowned God, Goddess of the Wind, Great Other, Horse God, Lion of Night, Many-Faced God, the Old Gods, the Old Ones, Sea God, and Storm God, and Lincoln sucked out all of the remaining energy in the deities' souls and banished them to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down, and we return home to The World Tree Estate.

Me: That was one awesome battle.

Nico: And Lincoln absorbed Drowned God, Goddess of the Wind, Great Other, Horse God, Lion of Night, Many-Faced God, the Old Gods, the Old Ones, Sea God, and Storm God in the process.

Lincoln: You said it, now R'hllor is the last deity left for me to absorb.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Lancelord on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Lancelord on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Lancelord, and she has a fire greatsword, and with her are the four girls.

Lincoln: (GASPS) Seraphina Vulcania, Avatar and Gene-Slammer of Laval Lancelord.

Seraphina Vulcania: That's right, and I got the girls away from the deities, and I also managed to see you absorb them.

Me: That was one awesome finale.

Lincoln: Yep, but it's also a prelude to our final showdown with R'hllor, and I'll be sure to absorb him as well. (To

Seraphina Vulcania) And it's so good to see you again, Seraphina.

Seraphina Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Seraphina Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Seraphina Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Seraphina Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Seraphina Vulcania's waist and hugged her, and Seraphina Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Seraphina Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Seraphina Vulcania, Avatar and Gene-Slammer of Laval Lancelord, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lancelord. She's The Volcanic Lava Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Seraphina Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lancelord, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lancelord, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Seraphina Vulcania despises Dustin Keystone because of everything that asshole and his family had done, and she hated what he'd done to Lincoln in the past and she swore if she ever saw that fuckweed again, she was gonna burn Dustin and his entire family to ashes!

Nico: When Adara told us of how much you despise Dustin Keystone and his damn family, that was further proof of how much we despise them, and Lincoln really tore their asses apart months ago and sent them all to The Black Abyss.

Lincoln: I hated that miserable monster with all my heart, and his family were just as evil as he is, and I'm finally glad to be rid of them forever, and now that you're here, Seraphina.

Lincoln with his massive muscular arms still wrapped around Seraphina Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Seraphina Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Seraphina Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Seraphina Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Seraphina Vulcania.

Seraphina Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Seraphina Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Seraphina Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Seraphina Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Seraphina Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the four girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the four girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Celina, Sabrina, Tessa, and Zoe from My Rental Girlfriend.

Lincoln: Oh whoa, it's Celina, Sabrina, Tessa, and Zoe from My Rental Girlfriend.

Nicole: Uh oh, Red and Travis were right telling the guys to run. The girls are really cute.

Lincoln: And targets for perverts and psychos out to slake their thirst for blood which I'm not going to let happen. Are you girls okay?

Celina: Yes, we're okay thanks to you.

Then, when Celina and the other three girls saw who it was that saved them from the deities from the A Song of Ice and Fire franchise, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks Celina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sabrina: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Celina, Sabrina, Tessa, and Zoe with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented

Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one wild battle we had in Egypt.

May: You said it, those evil deities got what they deserved.

Lincoln: Now, all that's left is for me to absorb R'hllor, but that'll be for much later.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long dark purple hair, dark purple eyes, pink angel wings, she has the symbol of Easter on her forehead and right arm, and she has on a pink two-piece bikini.

Lincoln: (GASPS) Eilene Easterlairaira, Queen of The Easterlairairans of Planet Easterlairaira and Embodiment of Easter.

Nico: No way, the only Easterlairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Eilene Easterlairaira, Queen of The Easterlairairans of Planet Easterlairaira and Embodiment of Easter, she's Lincoln's Guardian Angel from the planet Easterlairaira, an Easter-themed planet in The Forbidden Zone, she's The Queen of The Easterlairairans who rules the Easter-themed planet of

Easterlairaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Easter, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Easter, and all the powers of Easter, and the ability to grow even stronger, and all the powers of her people times infinity, and just like with Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Easterlairaira where he would meet The Easterlairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Easterlairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Easter, all the powers of Easter, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Easterlairaira and its core into his body and Easterlairaira's Sun into his body to preserve their legacy. Eilene Easterlairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Easter, the powers of Easter times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, immense powers of everything related to Easter, the powers of Easter times infinity, and the ability to grow even stronger, and all the powers of The Easterlairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she and Lincoln really had fun especially when it came to Easter, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Easterlairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of everything related to Easter, all the powers of Easter times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Easterlairaira and its core and Easterlairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a passion and she swore to put them in chocolate bunny prisons and have them put through Hell.

Me: That's incredible.

Eilene Easterlairaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Easterlairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of everything related to Easter, all the powers of Easter times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Easterlairaira and its core and Easterlairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Eilene Easterlairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Eilene Easterlairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Eilene Easterlairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Eilene Easterlairaira with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Eilene Easterlairaira: That's my special gift to him: Easterlairaira's Blessing of Divine Easter Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Eilene Easterlairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Easterlairairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us took down Drowned God, Goddess of the Wind, Great Other, Horse God, Lion of Night, Many-Faced God, the Old Gods, the Old Ones, Sea God, and Storm God, the deities from the A Song of Ice and Fire franchise, and Lincoln absorbed them, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

00,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Seraphina Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Seraphina Vulcania: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Seraphina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Seraphina Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Seraphina Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Ratchet: I've been thinking, about Dr. Nefarious' return from The Black Gates months ago and Drek's return from The Black Gates just now, if they've managed to return, that could mean more of my old enemies have also returned.

Clank: There is no doubt that's a possibility, Ratchet. If so, we'll need to monitor the planets we've gone to and alert the other Galaxy Rangers.

Sunset Shimmer: That's for sure. (Gasps) I've got an idea, you can head into The Simulator, Ratchet, and do some training exercises to get ready for when we face those losers again.

Ratchet: Perfect.

Nico: After what you did in running wild and beating DarkAtem and killing Drek and his goons, this could be considered extra training to master your new powers.

Ratchet got into The Simulator and it activated, and he found himself on Veldin and we saw it on the big screen.

Ratchet: So, I'm here on Veldin, starting here at home. I wonder who I'll face here.

Me: Only one way to find out.

Ratchet got a move-on and he blasted a couple of Blarg soldiers with powerful blasts of phoenix fire and using his gadgets, he blasted more of them, and he also got more bolts to use for a Gadgetron we had set up.

Ratchet: Okay, that's it for the Blarg, now who's the big bad we're facing?

?: You're going to pay for what you did to Marik!

Just then, Ratchet saw some Rogue Hunters.

Ratchet: We just found our target: bad news, it's a group of Rogue Hunters, no doubt sent by that sicko, Yami Marik. I'll get them!

Ratchet had his massive Ratchet's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Inferno Fire Galaxy Inferno Phoenix Fire Storm Fury Fiery Justice Lombax Phoenix Angel True Seraphim God Phoenix God Archangel Sasumata Pike of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Inferno Fire Galaxy Inferno Phoenix Fire Storm Fury Fiery Justice Lombax Phoenix Angel True Seraphim God Phoenix God Archangel Justice ready and transformed into Super True Heavenly Divine Phoenix Seraphim God Archangel-Phoenix Lombax Angel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Inferno Fire Galaxy Inferno Phoenix Fire Storm Fury Fiery Justice Lombax Phoenix Angel True Seraphim God Phoenix God Archangel of Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Inferno Fire Galaxy Inferno Phoenix Fire Storm Fury Fiery Justice Lombax Phoenix Angel True Seraphim God Phoenix God Archangel Justice and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Inferno Fire Galaxy Inferno Phoenix Fire Storm Fury Fiery Justice Lombax Phoenix Angel True Seraphim God Phoenix God Archangel Hope.

Ratchet went after the group of Rogue Hunters, and he fired extremely powerful blasts of golden yellow and orange, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, bolts, fire, flames, phoenix fire, phoenix flames, Lombaxes, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, he attacked them by slashing at them with his massive pike, and he also blasted them with grenades and lasers and he even threw blades at them, and they were disemboweled and were ripped to shreds. Then, Ratchet fired phoenix fire at their dead bodies and burned them to ashes and sent them to The Black Abyss.

Ratchet powered down and he exited The Simulator.

Ratchet: That was a pretty good round, and I managed to get rid of some Rogue Hunters.

Me: That's for sure.

Eli: This also pissed off Yami Marik big time.

Lincoln: He's no doubt going to try again to get revenge, but let him try, we'll get rid of every last Rogue Hunter before we go after that psychopath himself.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Elemental Academy.

Braeden Carnes: This is our final stop: Elemental Academy, this is where many Elemental Heroes come to train and become heroes.

Lincoln: Just like Skylanders Academy, awesome. So, who's our final target?

Braeden Carnes: That would be Death-Dragoon the Kaos Bringer, The Dark God, The Dark Emperor, and The True Mastermind of the Elemental Villains himself.

?: BRAEDEN CARNES! YOU BASTARD, I WILL KILL YOU!

Suddenly, they saw The last and final target of The Ultimate Elemental Villains; The Dark God, The Dark Emperor, and The True Mastermind of the Elemental Villains himself; Death-Dragoon the Kaos Bringer:

Death-Dragoon the Kaos Bringer, a Giant-Size Dragon who has silver-golden scaly skin, green eyes, two large horns on each side of his head, huge bat-like wings with three claws, sharp silver claws, and a huge spiky tail. He wears a purple and orange dragon-themed battle-suit.

Braeden Carnes: Death-Dragoon the Kaos Bringer, I should've known you'd finally show up.

Death-Dragoon the Kaos Bringer: You have single-handedly ruined every last one of my plans to take over The Elemental Realms. Even if you've taken down all of The Ultimate Elemental Villains, I will still destroy you myself! EVERY LAST LIVING THING IN THIS WORLD WILL KNEEL BEFORE ME!

Lincoln: That's not happening, Death-Dragoon. This is where it finally ends for you!

?: (Radio Voice) Looks like you heroes could use some extra hands.

Braeden Carnes: Alex-Tor the Radio Deer, Pitaya the Fire Dragon, Sir Cadabra, Chef Angel Bubble, Professor Wiser the Dragon, Lizzy Pom-Rose, Queen Ballet Scream, and King Mystic Tao, The Heroes of the Elemental Academy, you've arrived.

King Mystic Tao: We knew that monster, Death-Dragoon, was the one responsible for this, and now, once we get rid of him, we'll help redeem The Ultimate Elemental Villains.

Braeden Carnes: Thanks. Now, then.

Braeden Carnes transformed into a large elemental dragon with dark scales, large wings, and long tail. wears black and gold dragon-themed armor 10 Elements (Magic, Tech, Water, Fire, Life, Undead, Air, Earth, Light, and Dark).

Braeden Carnes: (Deep Dragon Voice) Your rain of terror ends here, Death-Dragoon! Let's end him once and for all, guys!

Even after all this time, I am still absolutely disgusted by what you've done than and now. When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Death-Dragoon the Kaos Bringer, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, his harem and kids, Braeden Carnes, and The Heroes of the Elemental Academy went at Death-Dragoon the Kaos Bringer and blasted him with energy blasts and elements and knocked him down.

Then, Braeden Carnes and Lincoln fired ten massive beams of Magic, Tech, Water, Fire, Life, Undead, Air, Earth, Light, and Dark at Death-Dragoon the Kaos Bringer which pierced his heart and he screamed in agonizing pain as lights burst out of him and he burst into white flame and he was sent to The Black Abyss forever.

Braeden Carnes transformed back.

Braeden Carnes: It's finally over.

Then, Braeden Carnes handed the traps with the Ultimate Elemental Villains inside them to Alex-Tor the Radio Deer, Pitaya the Fire Dragon, Sir Cadabra, Chef Angel Bubble, Professor Wiser the Dragon, Lizzy Pom-Rose, Queen Ballet Scream, and King Mystic Tao.

King Mystic Tao: Don't worry, Braeden, we'll have them put on the path to redemption.

Braeden Carnes: It'll take time, Your Highness.

Then, they came back home.

Me: You guys did it, we saw it all on the big screen.

Lincoln: It was one explosive battle, but we got rid of Death-Dragoon forever, now the Ultimate Elemental Villains are going to be put through the path of redemption with help from our new friends from The Elemental Academy.

Sunset Shimmer: It was just like Skylanders Academy, but it was amazing, they had everything in there just like in Skylanders Academy. We'll have to talk to Master Eon about merging those two academies together.

Ratchet: Sign us up for that, Sunset. I know a lot about technology, but fire, especially phoenix fire, I'm gonna need even more training on that.

Sunset Shimmer: You'll also be trained by the Fire Skylanders along with being trained by the Tech Skylanders, so you're gonna be in for quite the quite the learning experience.

Rivet: Ooh, I hope I get to learn a lot of Tech-themed attacks as well.

Kit: Looks like you got some new recruits.

Lincoln: All of us are joining as well, with our experiences with The Skylanders, The Skylands, and of course, dealing with Kaos, we'll see what awaits at The Elemental Academy.

We got a shower, and then, Lincoln, Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony are heading to Sirena Beach, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Taunie: Wow, we're here in Sirena Beach, it's so beautiful.

Lincoln: You said it, Taunie, and it's perfect for our first date. Shall we?

Lincoln, Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of his harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of his harem harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw Mana-Yood-Sushai, Fate, and Chance, the three supreme beings from Lord Dunsany's The Gods of Pegana coming after them.

Anna Anyanova: Oh great, Mana-Yood-Sushai, Fate, and Chance, the three supreme beings from Lord Dunsany's The Gods of Pegana.

Lincoln: I got them.

Lincoln went after Mana-Yood-Sushai, Fate, and Chance and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the supreme beings and he began absorbing them and he assimilated Mana-Yood-Sushai's Omnipotence, Absolute Transcendence, Totality Collapse, Omniscience, and Immortality, Fate's Controlling everything, and Chance's Making variables appear, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from Mana-Yood-Sushai, Fate, and Chance's souls and they were sent to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath

his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done. Then, Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of his harem lying down on a massive beach towel with Lincoln on top of Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with five white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and five rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony are in your harem, Linky.

Mrs. Rachel Mayberry, Martha, Fem Husk, Taunie, and Harmony showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Mana-Yood-Sushai, Fate, and Chance, the three supreme beings from Lord Dunsany's The Gods of Pegana came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all their powers and abilities, and I sucked out the last of their energy and sent them to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III,

and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Eye Five is next so Flash, Vert, Luan, Vypra, Princess Celestia, Princess Cadance, Knight Light, Spotlight, Bright Man, Rainbow Man, Elec Man and Cut Man are up.

Qin: Awesome

Lincoln: This will be fun.

We went into the Simulator and it activated.

We were on a VERY FRIGHTENING PLANET!

We arrived on Gothicaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! What's this place?

Lincoln: This is Gothicaira, another planet of Darkness in The Forbidden Zone, and it's everything I've heard about.

Me: WHOA! So this is Gothicaira!

Nico: Man it sure is scary!

Eli: Frightening!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Gothicaira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Gothicairans and the beasts and monsters of horror.

WE GULPED!

Lucy Loud: I think this planet is perfect for me and the goths.

Brittney: I agree there.

Flash: This is spooky.

Qin: No kidding!

Nico: It gives me the creeps.

Brittney: It is perfect for the Goths here.

Juleka: I know. Isn't it great?

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a blood red sun and moon on his chest, he has long black hair going down to his shoulders, blood red eyes, massive black angel wings, he has on a blood red loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Gabriel Gothicaira, King of The Gothicairans of Planet Horrorvaraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angels, Gaelia Gothicaira, and I've also been here to Horrorvaraira eight years ago.

Then, all of the other male Gothicairans came to Lincoln.

Gabriel Gothicaira: That's correct, you came here eight years ago when my daughters wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughters couldn't even keep their hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Gabriel Gothicaira chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she as the body of a goddess and large breasts, fair skin, long black hair, red eyes, she was dressed in a black two-piece bikini, she has massive black angel wings, and she has a darkness greatsword in her right hand.

Lincoln: (GASPS) Gaelia Gothicaira, Queen of The Gothicairans of Planet Gothicaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Gaelia Gothicaira, Queen of The Gothicairans of Planet Gothicaira, she's Lincoln's Guardian Angel from the planet of Gothicaira, she's the Queen of The Gothicairans of Gothicaira, a planet of eternal Gothic darkness, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and just like with Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The

Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Horrorvaraira where he would meet The Horrorvarairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Horrorvarairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Horrorvaraira and its core into his body and Gothicaira's Sun into his body to preserve their legacy. Gaelia Gothicaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and all the powers of The Gothicairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Gothicairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Gothicaira and its core and Gothicaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them destroyed by the nightmare monsters of Gothicaira and banished forever to The Black Abyss with the power of Gothicaira.

Lincoln: And there's something I need to tell you.

Gabriel Gothicaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Gabriel Gothicaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Gabriel Gothicaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Gabriel Gothicaira and the other septillions of trillions of male Gabriel Gothicairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black

Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a red and black aura with shadows and darkness and blood surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Gabriel Gothicaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to

do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Gaelia Gothicaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you and Helen just told us, Gaelia.

Nico: Wow...!

Gaelia Gothicaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Gaelia Gothicaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Gaelia Gothicaira with blood red gems on the gold lightning bolts and blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklaces of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding rings on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened.

Gaelia Gothicaira: That's my special gift to him: Gothicaira's Blessing of Divine Dark Gothic Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Gaelia Gothicaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Gothicairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Nico: Keep your eyes peeled

We walked around.

Me: Boy this is one scary planet.

Qin: No kidding and that castle on that mountain is REALLY scary.

Lola: It sure is.

Camie: It sure is.

Princess Celestia: I agree there.

Vert: Boy it sure is scary.

Me: Reminds me of the castle and village where we battled Poromon's first Akuma.

Nico: Good times.

Qin: Yeah.

Me: That was in the castle and village of Nosferatu.

Lola: Yeah.

Gaelia Gothicaira: What do you guys think of my home planet though?

Me: It's scary Gaelia. But it's amazing.

Gaelia Gothicaira: It sure is.

?: And it will be your tomb.

We saw MIKAELA AND EYE FIVE!

Qin: There you are!

Me: Mikaela!

Ymir: WHOA! Who is he?

Me: He's from a world we went to that was ravaged by a virus that destroyed everyone except for the kids under 13. We battled him there and it was intense. It was an intense and terrible battle in a Dystopian Nightmare.

Mikaela: It was.

Jaime Diana Knudson: I'll gladly face you Mikaela.

Mikaela: Lets dance.

Jaime Diana Knudson: KIBALA LETS HOWL!

Mikaela jumped over it.

They clashed!

Sparks flew all over the place with intense power and force!

Mikaela: You fight really well! I'll be sure have some of your blood.

Jaime Diana Knudson: I don't think you would like my blood. It's far too spicy for you!

Nico: Same with J.D.'s blood.

Mikaela: We'll see.

Jaime Diana Knudson: RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

A MASSIVE VORTEX OF BLUE FIRE BLASTED OUT! She went at him with intense speed and blasted him down with incredible power!

Knight Light and Spotlight blasted Eye Five with intense light blasts.

Vypra: I'm honored to be included in this.

Me: Glad you're having fun Vypra!

Vypra fired waves of energy and blasted Eye Five.

Eye Five: EYE See you!

Luan: Good pun! EYE got to get an EYE from you! (LAUGHS) Get it?

She fired waves of light and blasted him.

Jaime Diana fired a massive blast of energy and fire and blasted Mikaela down and pinned him under her foot.

Jaime Diana: I would stay still if I were you.

Eye Five: EYE Agree.

Me: I like cheese puns better.

Princess Celestia: Now you are gonna be a gouda member for me.

She held up a white trap and a vortex appeared.

Eye Five: Hahahahaha This is kind of fun! Wheeeeeee...!

He got sucked into the trap and was locked in it!

Eye Five: "Whoa! This is really weird in here. It's like the outside, only inside."

EYE FIVE TRAPPED!

Princess Celestia: Now you are going to be a good guy from now on.

Eye Five: "I am? Oh, okay then."

Me: You heard the princess. Be good.

Princess Celestia: That's right.

Lincoln: That's it for Mikaela and Eye Five. Now, there's one last thing to do.

Then, Lincoln flew into the core of Gothicaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Gothicaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose

gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

* * *

We were relaxing in the park.

Shane: Nothing like relaxing before a camping trip.

Me: Yep. I have all my stuff set.

Nico: Me too.

Qin: We all do.

Laney: Yep.

Eli: Yeah.

Camie: Uh oh! Look!

We saw a clone of MR. PIGEON!

Me: Mr. Pigeon!

Nico: Not him!

Qin: Oh boy.

Nico: This was the first ever akuma I battled with Marinette and Adrien when we first met.

His pigeons pooped at us.

Hunter Bradley: Duck and cover!

I blocked it all with a shield.

Me: DISGUSTING!

Gabriel: This was one of my most disgusting ones I made.

However as it was going on..

MASSIVE NUMBERS OF THUNDEROUS CRASHES!

Me: WHOA! Sounds like Crackhouse Goofy and Minnie did something that got the curse enhanced.

Nico: Yep.

Crankcase: I'm hit!

Me: No you aren't.

Crankcase: Oh.

Lily: Okay you stupid pigeon flyer! I'm going to eat you and your rats with wings for lunch!

Lily then pulled out a big Mississippi Queen and drank it all down!

Lily: (Gulping)

Me: Oh boy!

Qin: She wouldn't!

Nico: She would.

Lily: Ahh.

Then her stomach grumbled!

Liiy: (GROANS) OH MAN! I SHOULDN'T HAVE HAD THOSE SNAKESKIN LILY BERRIES FOR BREAKFAST TOO!

Me: UH OH! DUCK AND COVER EVERYONE!

We ducked!

She pointed her butt at him!

Lily: FIRE IN THE HOLE!

MR. PIGEON SCREAMED AND THEN...

MASSIVELY EXPLOSIVELY POWERFUL INTENSE FIERY FART OF SUPERNOVA PROPORTIONS!

A MASSIVE INTENSE FIRE BLAST EXPLODED OUT OF HER BUTT AND IT ENGULFED MR. PIGEON AND HIS PIGEONS AND HE SCREAMED!

WHEN IT FADED MR. PIGEON WAS REDUCED TO NOTHING MORE THAN A CHARRED SKELETON AND HIS PIGEONS ALL WERE TURNED INTO ROASTED CHICKENS!

Erica grabbed the pigeons and got to cooking.

Mr. Pigeon was dead and gone and burned into nothing but a skeleton!

Me: HOLY SHIT!

Optimus Primal: (GROANS) That did it!

Me: HOLY SHIT ON A STICK! Lily are you okay?

Lily Loud: I'll be fine.

Armada Hoist: Who got hit by pigeon poo?

No one did.

Me: We're l clear.

Camie: Yep.

Erica gave Lily a REALLY AWESOME Luxurious meal.

Erica Tala: Cornish Gamehen Saffron Wellington a la brandy flambe.

She lit it and it was on fire and good.

Lily: (Slurp) Oh boy!

She blue it out and got to eating.

Lily was really hungry.

Nico: Can I try some?

Erica Tala: I made enough for us.

Erica gave some to us.

Me: (Eating) MMM! Wow!

Nico: (Eating) MMM! Yummy!

May: (Eating) Luxurious.

We had a lot of it and We were full!

Lily: (STUFFED AND BLOATED) Ahh! So full!

Me: You sure were hungry.

Lily: No kidding.

Carol: Boy I had no idea that snakeskin lily berries and Mississippi Queen drinks can have that big of an explosive effect.

LOUD DEEP LONG HUGE HORRIBLY DEADLY FIERY FART!

Lily: Sorry!

Gatomon: Now here's more!

She got out a plate that had Mevya gagged.

Mevya: GEEZ! HEY GATOMON Stop it!

Laney: Hey wait the screaming from Minnie and Goofy stopped.

Me: Lets go check it out.

We went and did so.

But when we got there we saw them and all the stuff that crushed them all frozen in a HUGE MOUNTAIN OF ICE!

Me: WHOA!

Qin: Wonder what did that?

We saw an Amaura come out.

Me: Hey an Amaura.

Nico: Where did that come from?

Me: Must be one of Dark Gale's Work.

But then we saw the Amaura sneezed and fired a blast of fire from its mouth and it turned into a huge mountain of ice!

Me: WHOA! It sneezed out Endothermic Fire!

Qin: That is cold!

Sheena: Her name is Eskye Romanov and she is also Half Necrofriggian.

Me: WHOA! She is Half of Big Chill's species! Lets go help her.

I went over to her.

Me: Eskye it's okay.

She breathed endothermic fire at us and it hit May and trapped her in a block of ice!

Me: WHOA!

Manaphy: MAMA!

I fired a massive blast of fire and thawed her out.

May: Ahhh! I needed that. Thanks.

Me: Anytime. Okay then.

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had Amaura on her forehead and she had a blue version of Ultimate Big Chill's wings and had a snowflake in a flame with Big Chill on her arm as a cutie mark.

We wrapped her in a blanket.

LOUD DEEP LONG HUGE HORRIBLY DEADLY FIERY FART!

Qin: OH MAN!

Lola: LILY!

Lily: Sorry!

Me: How many of those berries did you eat Lily?

Lily: About 4 bowls of them.

Carol: Oh man! I had 7 of them when we met the Ultraman Z team.

She woke up.

Eskye Romanov: (Groans) What happened?

Me: Well it's a weird story. You were turned into an Amaura by Dark Gale.

Eskye Romanov: Oh man. I was fighting Argit who was after a bunch of Ionic Repulser Lasers from a bunch of Cerebrocrustacean scientists to sell on the black market.

Shanan: Oh man. Those are deadly.

Me: Yeah.

Big Chill: I'm glad you're okay there.

Manaphy hopped over to her.

Manaphy had eyes glowing with anger and hate at her!

Me: Uh oh!

Manaphy got out a stick of dynamite.

Manaphy: NO ONE HURTS MAMA!

She lit it!

Me: DUCK AND COVER!

We did so.

Eskye went intangible and went into the ground.

And then...

KRABBBBBBOOOOOOOOOOOOOOOOOOMMMMM!

When the smoke cleared, she was gone!

Manaphy: Where did she go!?

She phazed through Manaphy and froze her into a block of ice.

She appeared.

Eskye: Nice try.

Me: Cryointangibility.

Big Chill: She is definitely part Necrofriggian.

Eskye: My father is Necrofriggian and my mother is human.

Me: I see.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new blue clothes and an ice sword.

Eskye: I look amazing

Me: You sure do.

Manaphy: (Shivering) Cold!

I thawed her out.

Kris put on her jumpsuit and it was olive green.

Kris: Perfect.

Me: Manaphy you got to calm down and stop trying to kill those that hurt May.

Manaphy: But they could kill Mama!

Trolling Thunder: I doubt it.

Me: Manaphy you know we are pretty much impossible to kill.

May: Yeah.

Me: Oh we forgot to have the next bonding session too. We'll have that when we hike to Winsome Falls.

Nico: Okay.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our final showdown with Lothor starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Then Zordon called.

Me: Zordon calling.

We answered.

Zordon: Team Loud Phoenix Storm, you must get to Winsome Falls right away. Lothor is there.

Me: I knew he was going to be there Zordon! We're on our way.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lothor, he's on the move and on the attack! When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come crawling out, Lothor!

Me: Finally, now he's dead!

Lincoln: That's for sure.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Lothor, he's on the move and on the attack!

EVERYONE GASPED!

Shane: I knew he'd be on the move. Now, we can stop him.

Clank: According to the sensors, he's in Winsome Falls with a massive army of Kelzaks and Kelzak Furies and he also has some leftover Tyrannodrones with him courtesy of the dead Mesogog.

Connor McKnight: That sore loser, he's gone too far!

Ratchet: Oh man, we got to get going and stop him.

Nico: And we will, Ratchet. Alright, team, it's time to head to Blue Bay Harbor, this time, Lothor dies once and for all!

Lincoln: We'll make sure that monster dies here and now.

The previous group came and they were in Camping Gear.

Marionette Shadow: Can me, Iceage, Hank Scorpio, Wrecking Crew, Angel, Crimson Dynamo, Turtle, Dr. Polaris, Spot, and Skalamander go with you guys?

LOUD DEEP LONG HUGE HORRIBLY DEADLY FIERY FART!

Me: WHOA!

Marionette Shadow: GEEZ!

Me: Lily had Snakeskin Lily Berries for breakfast.

Lily: Sorry!

Nico: And yes you can come with us.

Me: Just don't chew on my arm again Eliot.

Thunderball: Sorry.

Bulldozer: I brought marshmallows.

Piledriver: And I brought S'mores.

Me: Cool!

Qin: Awesome!

Squidward: I brought a bunch of cans of Swedish Barnacle Balls.

Me: Good thing I have a can opener.

Laney: And I brought some of those capsule meals.

Me: Cool.

Qin: Awesome.

Me: Now we got a long way to hike guys. I did some research and found out that Earth Omega made the hike longer. We're going to take the scenic route so it'll be fun. We'll probably run into some interesting things along the way.

Spot: Sure I can't just get us there with my portals?

Me: Now where would the fun be if we didn't enjoy the scenery.

Spot: You're right on that.

Tae Kwon Crow: Nico, which Gene Slammer do you think you'll meet next?

Thunderball: I hope it's a strong one.

Nico: Elemental HERO Prisma next.

Me: Cool! Crystal power.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was R'hllor, The Lord of Light, The Heart of Fire, the God of Flame and Shadow and R'hllor the Red, from the A Song of Ice and Fire franchise, and he's finally coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Oh God, was that?

Lincoln: R'hllor, The Lord of Light, The Heart of Fire, the God of Flame and Shadow and R'hllor the Red, from the A Song of Ice and Fire franchise, and he's finally coming after us.

Kira Gutierrez: So, he's on the move. Alright, now all you got to do is absorb him, Lincoln.

Lincoln: Right, Kira.

Nico: I knew he'd come after us, now he can join the other evil deities in The Black Abyss. Alright, it's time to go, everyone, we're off to Blue Bay Harbor.

Lincoln: Lothor's time is finally up, this is where he dies once and for all, and once we get done with him, you're next, R'hllor.

Kira Gutierrez: Your fellow deities had already paid the price for their crimes, and now, it's your turn.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Winsome Falls to finally destroy Lothor once and for all, and once we send him to The Black Abyss once and for all, Kira Gutierrez and Lincoln are going to take down R'hllor, and Lincoln's going to absorb him.

We were walking down a path and we were outside the city.

Nico: (Inhales) Ahh! Smell that amazing fresh air.

Xenia: So invigorating.

Wrecker: Let's call Weather Wizard.

Me: Good idea.

Weather Wizard came and he was ready for some camping too.

Weather Wizard: I love camping excursions.

Me: Me too.

Liam was on his Rapidash with Carmen.

Liam: We should do this with our Rapidash too next time.

Me: Good idea Liam.

Qin: Yeah.

We walked on.

Laney: Boy look at all the plants and nature.

Me: It sure is pretty.

Nico: I wish I had some cheese for this too.

Then...

POOF!

A huge block of cheese appeare in Nico's hands.

Nico: Oh boy!

Nico got to eating.

Me: Cosmo, Wanda, Poof, did you do that?

Wanda: It wasn't us.

Poof: Yeah.

Me: Weird.

Max (Pokemon): I think that did!

We saw another Jirachi!

Me: COOL! Another Jirachi!

Jirachi: One of my kind.

Me: Yep.

Sheena: Her name is Dahlia Wishstar. She is half Fairy Godparent too.

WE GASPED!

Me: WHOA MAN!

Wanda: All of Fairy World was worried sick about her. We thought maybe Mr. Crocker got her.

Me: But he didn't. Dark Gale turned her into a Jirachi. Fitting.

Qin: Cool!

Me: Lets revert her back.

I snapped my fingers and she reverted back. She was a girl with magenta hair, pink eyes and had Pink Butterfly wings and had Jirachi on her forehead and had a Wand and butterfly wings on her arm.

We wrapped her in a blanket.

She woke up.

Dahlia Wishstar: (Groans) What happened?

Me: Are you all right Dahlia?

Dahlia Wishstar: I think so.

Cosmo: Yeah we're glad you're okay.

Wanda: Same here Dahlia.

Dahlia Wishstar: Cosmo, Wanda. And who is this little guy?

Wanda: This is our son Poof. He was wished to us by Timmy.

Me: Long story on that. Also you were turned into a Jirachi by Dark Gale.

Dahlia Wishstar: Oh man. I was training to be a fairy godparent. I have full mastery of my powers and know all about how to do wishes too.

Me: Wow.

Wanda: We were worried that Denzel Crocker got you.

Dahlia Wishstar: That insane madman that wants to capture us and use us?

Me: The very same and a man that was also a massive thorn in our sides for years. But he'll get what's coming soon.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new purple and blue clothes and a magical sword.

Dahlia Wishstar: I look awesome. Oh.

She got her wand out too.

Dahlia Wishstar: There. Wait where's Carla?

Carla Turner: I'm right here.

Dahlia Wishstar: Carla!

She and Carla hugged.

Dahlia Wishstar: I'm glad you're safe.

Carla Turner: No thanks to my parents. But I'm slowly forgiving them.

Dahlia Wishstar: Good.

Me: We have a lot to tell you.

I gave her a spare bag.

Pepperdance: Kanata, do you remember when me, Namine, and Izzy met you?

Kanata: I sure do and that was so fun. We had so much fun.

Izzy Moonbow: It sure was!

We walked on.

We saw a big cave entrance up ahead.

Me: Whoa.

Applejack: Are we supposed to go through a cave?

I pulled out the map I made with the computer.

Me: Yep that's what it says.

Apple Bloom: I hope that's not the scariest cave in Equestria.

Me: Nope it's not.

Granny Smith: Ah, don't worry, child! The scariest cave in Equestria is back home!

Ymir: The scariest cave in Equestria?

Granny Smith: Oh, it's a fright all right! Filled with creatures that'll eat ya soon as look at ya!

Qin: (GULP)

Me: I'll never forget hearing what was in it as we were going to Goldie's house.

Nico: What happened?

Me: It was scary.

I was flying over the raft.

Applejack: Um Granny?

Granny Smith: Yeah huh?

We saw a cave entrance up ahead.

Applejack: Are we supposed to go through a cave?

Me: Boy that cave gives me the creeps.

Eli: Me too!

Granny Smith: Ah, don't worry, child! The scariest cave in Equestria was down that other way!

Apple Bloom: The scariest cave in Equestria?

Me: (GULP) I don't like the sound of that.

Granny Smith: Oh, it's a fright all right! Filled with creatures that'll eat ya soon as look at ya!

Pinkie Pie: Ooh, sounds scary. Tell us more!

Granny Smith: Ponies go in... but they never come out!

Me: Oh boy.

Applejack: And you're sure it's not that cave? The one we're headin' straight for?

Granny Smith: Now, Applejack, I taught you better than to question your elder ponies!

Pinkie Pie: [squee]

Applejack: Heh... you sure did.

Granny Smith: Alrighty then. Now everypony just sit on back an' leave the steerin' to your old Granny Smith.

Me and Eli flew over the mountain the cave was in.

Applejack: [gulp]

Granny Smith: See now? Told ya th-

But then...

[roaring]

FEROCIOUS ROARING NOISES!

Apple family: [screaming]

Me: HOLY SHIT!

[camera clicks]

Pinkie Pie: Got it!

THEY SCREAMED MORE!

Me and Eli were chewing our fingernails in fright!

Pinkie Pie: Best scary unidentifiable creature ever!

Me: OH MAN! THAT IS SCARY!

Eli: HOLY COW! WHATEVER IS IN THAT CAVE IS SCARY!

Pinkie Pie: Say 'terrified'!

Apple family: [continue screaming]

[camera clicks]

Applejack and her family came out and they were shaking in fear! Granny Smith was gobsmacked!

Pinkie Pie: [hums]

Granny Smith: Guess that was the scariest cave in Equestria.

Me: HOLY CRUD! You guys all right?

Applejack: I'm gonna have nightmares for weeks!

FLASHBACK ENDS

Me: Whatever was in that cave scared the living shit out of Applejack, Apple Bloom, Big Mac and Granny Smith.

Nico: Oh man!

Namine: We helped out against a lot of your enemies.

Kanata: You sure did. That was fun.

Qin: It was awesome!

Me: Yep.

We went into the cave and had mining helmets on.

Me: WOW! (Echoing)

Qin: Amazing! (Echoing!)

Izzy Moonbow: And we even helped kill Ophelia Shroud! Yay!

Me: We sure did.

Kanata: We sure did. That was cool.

Me: Wow look how cool this cave is.

Nicole: It must've been unearthed after Earth became Earth Omega.

Qin: That is cool. Many ancient mysteries have been unearthed from it.

Lola: No kidding.

Bitstream: Is the Hawkzord ready?

Shane: It is.

Lola: Awesome.

We then heard what sounded like water.

Me: Hear that? Sounds like running water.

Nicole: It's coming from that tunnel up ahead.

Me: Lets go check it out.

We went into the tunnel and we were greeted by an AMAZING SIGHT! We saw an amazing CRYSTAL GROTTO!

We gasped in awe and amazement!

Me: WOW!

Qin: It's so beautiful!

Laney: What an amazing Crystal Grotto.

Nico: Boy this would be an awesome sanctuary.

Me: It sure would.

Crimson Dynamo: (Russian Accent) J.D., you've been wanting another crack at Lothor for a while now, right?

Me: Yes. That's obvious.

Crimson Dynamo: (sighs) Well, I wish you had picked a more epic battlefield then this!

Nico: I know, right?

Me: I wanted it to be someplace else other than Blue Bay Harbor. Winsome Falls will be protected by us during the battle.

Nicole: He's right on that. Wait look!

We saw a HUGE TREASURE With a pirate skeleton on it!

WE GASPED!

Qin: WHOA! Who is that!?

Nicole: (GASP) That believe it! That's Captain John Terrorbeard. He was a lake pirate that disappeared in the Great Lakes during the Storm of 1618.

Me: That was back 406 years ago!

Nicole: I've been also trying to find his treasure for years! I thought it was lost forever.

Me: Earth becoming Earth Omega must've brought it back.

We got the treasure and put it in a scroll.

We saw another tunnel and went down it and got to the exit.

Me: Wow! That was awesome.

We saw that the exit was by a huge lake.

Qin: Wow look at this lake.

Xenia: It's beautiful.

I pulled out the map.

Me: Okay according to the map we have to cut across the lake to the path North northeast.

Xenia: All right then.

Chop Shop: But we can still go to Blue Bay Harbor anytime.

Me: Yes we can.

We walked on the water.

But as we walked we then heard something. It sounded like Singing.

Me: Wait hear that?

Nico: Sounds like singing.

Me: Oh no. I hope it's not what I think it is.

Skalamander: What is it?

Me: Mermaids.

Scotsman: (Scottish Accent) Sounds like someone steppin on a cat. Sounds like someone steppin on a lot of cats.

We saw an island up ahead.

Scotsman: Well now, you don't see that every day.

Laney: The singing is coming from that island.

Me: I've got a bad feeling about this.

Nico: Oh boy. I'm sensing Deja-Vu coming.

As we got closer we saw a bunch of mermaids!

Me: Mermaids! No doubt like those of Whitecap Bay.

Nico: Oh boy.

Me: From the Dark Side of the Legend.

Laney: They're coming!

We fired energy blasts at them and blasted the mermaids all over the place.

We destroyed them.

Spinister: The surprises keep on coming!

Me: No kidding!

We saw a hurt mermaid.

Varie: Oh man she's hurt.

Me: I'll help her.

I formed a ball of water and put her in it.

Me: There.

Mermaid: Why help me?

Me: Because I sense you're not like your mermaid brethren here.

Syrena: That's right. I'm Syrena.

Me: Pleasure.

We got to the other side of the lake.

Me: Wow.

We saw a JUNGLE!

Me: Whoa! What a jungle!

Lola: Amazing!

We went down the path to it.

Dr. Polaris: What now? Hookers?

Me: In the jungle? Maybe a tribe of cannibals but not that.

Qin: Strange seeing a jungle here in America though.

Lilja: (Icelandic Accent) So many amazing animals though.

Fluttershy: There sure are.

Lilja: Maybe I can help you make some friends here mom.

Lilja plucked a leaf and played a tune on it like a flute and lots of animals came. Fluttershy made a bunch of friends with all kinds of them.

Me: Wow!

Lilja: A little thing I learned in the orphanage.

Me: I see. That is cool.

A bird came to Fluttershy.

Fluttershy: (GASP) Oh no there's a woman in trouble down that way!

Me: Lets go help her!

We went down a path and ran fast.

We got to a clearing and saw a woman with blond hair and she was in a jungle bikini and sinking in quicksand! She was up to her arms!

Me: Oh no! Hang on!

I climbed a tree and grabbed a vine.

Me: Hold on!

I jumped and swung!

Me: (TARZAN YELL)

I held out my hand and she grabbed it and I pulled and yanked her out of the quicksand!

Woman: WOW! You saved me!

Me: Glad we came!

We landed in front of everyone.

Nico: Whoa you are a mess.

Me: What's your name?

Evelyn Darr: Evelyn Darr. Jungle Master Girl.

Me: How long have you been in this Jungle?

Evelyn Darr: The Jungle used to be underground. Then this energy brought it up.

Me: When Earth became Earth Omega. I'm amazed you've been living here.

Evelyn Darr: Been in the jungle for 10 years

Me: Oh man! So much has changed since then.

Evelyn Darr: I can tell.

Horsea: I feel like when we get to Alt. Paris, 2 things might happen.

Nico: And those will be?

Horsea: The Alt versions of Marinette's friends will end up severely injuring Alt. Chloe and Alt. Gabriel will end up leaving Alt. Lila at our mercy.

Me: Oh boy.

Maria cleaned up Evelyn.

We had a lot to tell her.

We got back on the path.

Horsea: Those are just guesses

Nico: Oh boy.

We got out of the jungle and came to a canyon.

Me: Well according to the map we're supposed to go through this canyon.

Nico: Cool we must be getting close.

Me: Yep.

We went through the canyon.

But as we got further in we then saw HUGE CRYSTAL CLUSTERS of Raw Energon Crystal! The canyon was absolutely full of it!

Me: WHOA! This canyon is full of Energon!

Qin: Wow!

Optimus Primal: This whole canyon is full fo energon.

Ymir: What is Energon?

Me: It's what Cybertronians use for power. But in its natural form like this it's highly unstable. The slightest jostile or rise in temperature will cause it to explode.

Optimus Prime: Energon is like blood to us.

Me: Yep. But when the energon radiation is off the scale, it will cause Cybertronians to short out.

Xenia: Thank goodness Energon Radiation doesn't affect us.

Optimus Primal: That is true. But to us we're not so fortunate. We'll have to use our robotic forms here sparingly.

Me: Good idea. Also we found another spot to harvest more energon.

Qin: Yeah.

Optimus Primal: You sure did.

Me: Hey look there!

We saw something! It was a stasis pod!

Me: It's a stasis pod!

We went over to it.

Me: It's not damaged.

I pressed a button and its control board opened and I opened the hatch.

Me: Okay lets activate you.

Computer: Beginning activation program. Scanning for compatable lifeforms.

It scanned and found a Mountain Lion!

Then in a flash of light out came a mountain lion transformer!

AshCat: AshCat is ready.

Optimus Primal: Pleasure to meet you. I am Optimus Primal.

We told her everything and she was amazed.

AshCat: I will gladly help you guys out.

Me: We appreciate it.

Eli: Wait. Something is here. I sense it.

I looked around. But then I sensed something behind me and I blocked the strike of a RED NINJA WITH AN INTENSE FIRE AURA!

Me: WHOA!

Lincoln: Oh man! That's Shane's Akuma, Stormfire Ninja! The Hypothetical Akuma of Shane Clarke and a masterful ninja and a master of fire. He has incredible speed and fire powers and more. He was made because of Lothor killing Shane's friends and vowed to burn him with intense fire in revenge.

WE GASPED!

Me: WHOA! You almost caught me by surprise! But we shouldn't fight in this canyon! This is Raw Energon in here.

Stormfire Ninja: You're right.

We got to where there wasn't any energon and got to the entrance of another cave.

Me: That's better.

Acid Storm: (transforms to Robot Mode) Now it's safe to transform.

Me: Good.

Stormfire Ninja: You guys going camping?

Me: Yes we are.

Stormfire Ninja: It's Lothor I'm after.

Me: Get in line. I called dibs on Lothor because I was eager to kill him from 2019 to 2022.

Nico: Yep.

Spot: Shane? Is that you?

Stormfire Ninja: Yes it's me.

Me: Well looks like we both want Lothor dead.

Stormfire Ninja: Yep.

Weather Wizard: You need to calm down!

Stormfire Ninja: Not going to happen.

Me: Well then.

I fired waves of energy and blasted him down.

I clashed more with him.

Weather Wizard fired lightning and blasted hiim down.

Stormfire Ninja: My turn. FIRE STYLE: FIREBALL!

He fired a fireball from his mouth!

I fired an energy blast and it hit the fireball and exploded!

KRABBBBBOOOOOOOOOOOOOOOOMMMMM!

Me: Nice one.

I fired waves of energy and blasted him down and he was knocked out.

Me: Wow! Didn't expect him to know that one.

Klaus Von Herzon: He IS a ninja.

Sirenoid: What did you expect?

Me: I know.

Qin: Well lets continue on.

Me: We just got to go through this cave and we'll be there.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Winsome Falls, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Lothor who's finally shown himself, and according to Clank he's got a massive army of Kelzaks and Kelzak Furies with him and he also has some leftover Tyrannodrones with him courtesy of the dead Mesogog.

But, Lothor is bound to have more tricks up his sleeves.

Lincoln: Afraid you're right. Some of Nefarious' cyborgs are with Lothor, but they're only loyal to that mad scientist until Lothor reprogrammed them to serve him, and that made Nefarious pissed off.

Rivet: Typical, lowlife villain pisses off another lowlife villain. Tell me it doesn't get any worse.

Lincoln had another worried look proving Rivet right.

Rivet: Oh, don't tell me! Vampires from Sunnydale again!

Lincoln: Yep, but they've been sent by The Master.

WE GASPED!

Buffy Summers: The Master. Should've known tall, ancient, undead, and ugly was behind this.

We went into the cave.

We walked on.

Turtle: Lothor shouldn't be far behind.

Me: He's probably waiting for us there.

Nico: Oh boy.

Me: Yep.

Manny: Look at these.

We saw ancient cave paintings.

Nicole: Oh wow! These are 25,000 year old cave paintings.

We saw a bunch of cave paintings showing what the world was like years ago.

Me: Amazing.

Nicole: Wow! Shows how much our ancestors did back then.

Nico: Incredible.

We later got to an exit and saw that we were at Winsome Falls!

Me: We're here.

I saw a figure standing in the middle of it. It was LOTHOR!

Me: Target sighted.

We flew out and along the way, Buffy and all of us also drove some stakes into the vampires from Sunnydale that were let loose by The Master and they got turned to dust. Then, he attacked them by slashing at them with his massive pike, and he also blasted them with grenades, missiles, and lasers and he even threw blades at them, and they were disemboweled and were ripped to shreds.

Then, I punched him in the face and dodged a punch from him, and then, I kicked him in the chest and knocked him down. I jumped as he came at me and I kicked him in the back.

LIGHTNING STRUCK ALL OVER THE PLACE AS WE WERE FIGHTING AND THE FIRES OF HELL RAGED ON AROUND US!

The fight was so extremely ferocious that it was unbelievable and that the entirety of the universe felt it. Massive Fiery Explosions and thunderous shockwaves from our punches destroyed much of the landscape and engulfed it in a massive raging inferno of epic proportions. Lightning intensified in the skies above to an extremely ferocious level and the fires of the Netherworld and Hell raged on at an extremely vicious level to an amazing degree. The fight was so vicious, ferocious, brutal and savage that it was shaking the entire Universe to an incredible level at an intense degree. I was gonna make sure that Lothor suffered for an infinite number of lifetimes for his crimes against everyone. Fiery embers and lava bombs rained down onto the battle and exploded with incredible power.

I then punched her in the face and sent her crashing into the ground and she got up, and then, we charged toward each other and I punched Lothor in the stomach and we clasped hands. Our auras had flared up to such an extreme intensity and our power was so strong and powerful that it was making the entire area of the universe shake extremely violently. Pebbles, rocks and boulders lifted off the ground and the lightning and fire tornadoes intensified even more. Storm Clouds formed and lightning struck intensely all over the place with incredible power! The rest of the team could only nod, same with all of The M.O.E.: my righteous rage is even more powerful than the fear and darkness that Dark Chase Young and our worst enemies had inflicted!

I fired 4 more energy blasts at her from the smoke as they were flying and Lothor stopped 2 of the blasts with his hands and he was struggling to hold them back. I fired another blast and Lothor never saw it coming and they exploded as he got hit. In the cloud of smoke, I punched Lothor, and then, they clasped hands and we flared up our auras. Mine was rainbow and Lothor's was black. Our hands were locked together and the auras mixed and lightning clashed and formed in them. The storm clouds above them intensified and lightning struck at an incredible level at 400 bolts every half a second and the ground was shaking violently at an incredible level. Suddenly, from out of nowhere, an energy blast hit Lothor in the back and exploded and I headbutt him and kicked him in the stomach and sent him crashing into the ground! BUFFY THE VAMPIRE SLAYER FULL MAIN THEME OF SEASON THREE PLAYS

They let out the wolf howl from the Season 3 intro of Buffy the Vampire Slayer, and as they began to play, that finally did it as Lothor lost his mind and went at Caleb Maxwell despite having all of his powers and strength sucked out of him by me, Lincoln, Nico, Eli, and Super Brother, but Caleb Maxwell fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, blood, vampire bats, demons, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, he slashed at him with his massive greatsword leaving bleeding scars on Lothor and he shot at him with his guns.

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT LOTHOR AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Marinette: Plenty of rocks. Also we dealt with Qilin easily. But it was Yugi's Akuma that gave us the biggest challenge.

Marinette: DarkAtem. The hypothetical Akuma of Yugi Moto and he is like what happened when Pharaoh Atem used the Seal of Orichalcos and became an evil monster! He is full of evil and hatred. He doesn't have a motive as to why he was made and he vowed to kill J.D. and Eli and watch them burn with the world!

She's the leader of a powerful cult of Guardian Angels for Lincoln and Princess Celestia called The Order of The Phoenix from The Dark Sun, they were made for one purpose: to protect Princess Celestia and Lincoln. The reason for protecting Princess Celestia is to prevent her from becoming an insane mare of pure evil called Solar Flare! Legends say that a Phoenix came from The Sun and bestowed intense power to a group of followers devoted to Princess Celestia, and Eria and her friends were those group of followers, and they loved her like a sister. They came from an alternate universe where instead of Princess Luna being banished into The Moon, Princess Celestia was banished to The Sun, and for over 1,000 years, she suffered severe and excruciating pain from the intense heat of The Sun. As a result of that, her Alicorn magic infused her with the power of The Sun and made it so she could not die. As a result, a horrible transformation took place, turning Princess Celestia into a MOLTEN NIGHTMARE! What was left of her past self was no more, and in her place was a monster driven utterly and completely insane by unimaginable pain and intense burning hellbent hatred towards her sister Princess Luna. She became a molten nightmarish pony of hot evil named SOLAR FLARE! She will stop at nothing to kill her sister and burn anyone that gets in her way. Seeing this for themselves, Eria and her followers swore a Sacred and powerful oath under the light and purity of The Sun. The purity of the hearts of Eria and her followers was so great, that The Elements of Harmony and the legendary Ponies of Spirit granted them powerful fire swords and magical powerful amulets to use the powerful forces of magic and energy and purify the lands and channel the righteous power of the legendary ponies and Elements of Harmony, and to ensure they would complete their duties forever, they were also given the task to protect Lincoln Loud from all his enemies too.

THEY GASPED IN SHOCK AND HORROR!

Trumbipular: HOLY GEEZ! Celestia turned into a nightmare! Did she say what happened that lead her to that?

A MASSIVE INTENSE FIRE BLAST EXPLODED OUT OF HER BUTT AND IT ENGULFED MR. PIGEON AND HIS PIGEONS AND HE SCREAMED!

WHEN IT FADED MR. PIGEON WAS REDUCED TO NOTHING MORE THAN A CHARRED SKELETON AND HIS PIGEONS ALL WERE TURNED INTO ROASTED CHICKENS!

Erica grabbed the pigeons and got to cooking.

Mr. Pigeon was dead and gone and burned into nothing but a skeleton!

Me: HOLY SHIT!

Optimus Primal: (GROANS) That did it!

Me: HOLY SHIT ON A STICK! Lily are you okay?

Lily Loud: I'll be fine.

When it was done everyone was shocked!

Abra Kadabra: HOLY CRAP! Boy Snakeskin Lily Berries and a Mississippi Queen are a massively intensely powerful and volatile mix!

MASSIVELY INTENSELY POWERFUL EXPLOSIVE FIERY LONG AND NASTY FART OF INTENSE POWER!

Lily: (Offscreen) EXCUSE ME!

Tsukasa: GEEZ! What a fart! Lily ate all those pigeons too! Erica turned them into an amazing meal for her and she ate them all for lunch.

Kevin: No kidding there.

Abra Kadabra: Boy she must've been really hungry. Also we saw a Crackhouse Goofy and Minnie get thrashed hard.

Rainbow Dash: Those jerks had it coming. Also we met an Amaura gene-slammer from Dark Gale. Her name is Eskye Romanov and she is also Half Necrofriggian.

Abra Kadabra: WOW! So she is a Plumber Kid too.

Rainbow Dash: It's not every day we meet gene-slammers who are Plumber Kids too.

Comet Thunder: Yeah she also has intensely powerful Endothermic Fire which is really awesome. Also Amaura blasted Crackhouse Minnie and Goofy as they were getting thrashed by the curse. And we saw her breathe intensely powerful Endothermic Fire and trapped them both in a huge block of ice as they got thrashed and they are stuck in a mound of ice for a while.

Sprite Thunder: Boy that was intense!

Thunder Rainbow Zoom: It sure was!

Scootaloo: Yeah no kidding there!

Whirlwind: That was an eventful time there.

Abra Kadabra: That is intense! Lets do it!

MASSIVELY INTENSELY POWERFUL EXPLOSIVE FIERY LONG AND NASTY FART OF INTENSE POWER!

Lily: (Offscreen) EXCUSE ME!

Abra Kadabra: GEEZ! The mascots are going to be really pumping all that gas out.

Hawkeye used Abra Kadabra's ring and they fired waves of magic and arrows and wind, rainbows, lightning, storms, tornadoes, weather and energy and smashed them down.

---

Batroc the Leaper was next.

Batroc: (to Captain America) It's Shane's day to shine. I hope he's ready.

Captain America: Oh he is. And the timing couldn't be more perfect. We are also having our annual Camping Trip to Winsome Falls here too.

Batroc: Oh that's right! I forgot every summer you guys have that.

Captain America: We forgot to do that because we were so busy too. Also J.D. did so analysis and found out that the way to Winsome Falls is longer too. Earth Omega is much bigger than Earth or Jupiter. So it was a good walk that had a lot of things happen on it as we came here.

Thumbskull: Did it really?

Captain America: Yeah it was cool. We met the Dark Gale gene-slammer which was a Jirachi and she was a girl named Dahlia Wishstar. She is half Fairy Godparent.

Batroc: WHOA! I wonder if Crocker went after her.

Captain America: No thank goodness he didn't. Then we encounter lots of things along the way.

Milhouse: We went through a mysterious cave and it was both beautiful and amazing and we found an amazing treasure there.

Batroc: What did you guys find?

Milhouse: It was an amazing pirate treasure that Nicole was looking for. It was the treasure of Captain John Terrorbeard. He was a lake pirate that disappeared in the Great Lakes during the Storm of 1618.

Batroc: WOW! That is over 406 years ago!

Milhouse: It was an amazing find! No one found that treasure until now. It was buried in an amazing crystal grotto in the cave too!

Batroc: Boy what a find for you guys.

Hannah Montgomery: It was. Then we got to a huge lake and we heard hypnotic singing coming from an island and we battled a bunch of evil bloodthirsty mermaids! That was intense!

Batroc: Were they like the mermaids of Whitecap Bay?

Hannah Montgomery: They were and it was intense! Also we found an injured mermaid named Syrena. She was hurt and J.D. helped her by keeping her in a ball of water. She was not like her evil brethren there thank goodness.

Batroc: WHOA! I remember a mermaid named Syrena from the 4th Pirates of The Caribbean movie and that was intense.

Hannah Montgomery: It was. Then we trekked through a jungle and it was really full of nature and life and then we rescued a girl sinking in quicksand. Her name is Evelyn Darr and she is a jungle girl that was in the jungle for a long time and knows a lot of animals. She is like a female version of the Beastmaster.

Batroc: Loved that movie! At least you guys didn't run into any cannibals.

Hannah Montgomery: Too true. Then we went through a canyon that was LOADED with Energon! It was full of Raw Energon Crystal! That was where we battled the Akuma.

Batroc: (GASP) Oh man! I hope you guys were careful because of how highly unstable Raw Energon is.

Fluttershy: We were and it was a hard place to battle.

Lilja: (Icelandic Accent) This was my first time seeing what Energon looked like in its natural form.

Sólrún: (Icelandic Accent) I had no idea Energon was that dangerous in its natural form like that. Also while there we found a Stasis pod that made planetfall a while back. It wasn't activated at all.

Batroc: WOW! And in the middle of a canyon full of Energon! That is intense! I hope the pod and the protoform weren't damaged.

Daffodil Bloom: No thank goodness it wasn't.

Bluebell: It wasn't even activated yet and the DNA Sequencers and Scanners weren't on yet. We activated it and it was a Maximal named AshCat. She is a Cougar.

Batroc: WOW! Been a while since you found a Stasis Pod.

Fluttershy (G5): It sure has.

Tornado Bolt: And lastly we went through an ancient cave full of mysterious cave pantings and it was amazing. Nicole said it was a cave that once belonged to a tribe of Cro Magnon people that lived back over 25,000 years ago. Manny said it was familiar to him because of what he went through back then.

Batroc: WOW! That is amazing!

Seabreeze: (Swedish Accent) Ja it was!

Stealth Elf: We had a really good hike though and we got to Winsome Falls.

Batroc: Boy what a really eventful and awesome hike for you guys. Lets do it!

Captain America used Batroc's ring and they fired waves of energy, leaves, grass, flowers, fruit, weeds, wood, butterflies and birds and smashed them down.

Eda: J.D. only fought him briefly back then. Even though it was only for a few seconds, he still had fun there. And back then he wasn't NEARLY As powerful as he is now.

Princess Celestia: That's right. He sure has gotten stronger since 2022.

But he wasn't done yet.

Me: Now for this!

I snapped my fingers and then a REALLY AWESOME FLYING THUNDER JET APPEARED!

Me: Say hello to the Ninja Storm Supercell Hyperlightning Jet! This is a super powerful lightning jet that can fire a deadly and powerful ray of lightning with the combined powers of all the zords weapons you have and it has enough power to destroy Lothor and your enemies times 100,000,000,000,000,000.

Shane: WHOA! That is cool!

The blasts hit Lothor and then...

EXTREMELY MASSIVE AND INTENSELY POWERFUL EXPLOSION OF INCREDIBLE NUCLEAR PROPORTIONS!

And he was finally sent to The Black Abyss.

Rockers: GOOD NIGHT, Winsome Falls!

We cheered as we holstered our weapons and powered down, and we headed to the gym at Lynn's Table.

Shane: It's finally over, Lothor is gone forever.

Me: That bastard finally got what he deserved!

Nico: And for him to also get the vampires of Sunnydale involved, what a piece of shit.

We heard Lord Zedd's scream of anger inside The Book of Vile Darkness.

Nicole: Oh, shut up in there, Lord Zedd, or I swear I'll rip your soul apart and banish you to The Black Abyss myself!

Lincoln: The more we piss him off, the more unhinged he's gonna become, and if Venomark made a deal with the undead douchebags from Sunnydale, we're gonna make sure they also get staked in the heart as well. Now, there's one last thing to do and one last loose end to tie up: R'hllor.

We turned our attention to R'hllor as he tried to break out, but he can't.

R'hllor: Curse you, Team Loud Phoenix Storm, when I get out, you will be destroyed.

Lincoln did one final powerful energy slash that hit R'hllor hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and R'hllor was on his last legs.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, R'hllor began growing weaker as all his powers were being sucked out of them one at a time and was pumped into Lincoln.

R'hllor: (Groans) He's sucking me dry and absorbing me, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of R'hllor, and Lincoln sucked out all of the remaining energy in R'hllor's soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Kira Gutierrez's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large red and golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red and golden yellow planets orbiting around her wrists and ankles, and enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large golden yellow angel wings underneath her enormous rainbow angel wings are permanent.

Kira Gutierrez: This where it ends for you, R'hllor, and this is goodbye and good riddance. Thanks for helping me get rid of him, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Kira.

Me and Nico: Our pleasure, Kira.

Suddenly, Kira Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kira Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Kira Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for R'hllor and the deities.

Me: You just prevented another threat from arising, that was so awesome. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Magma Cannoneer.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Magma Cannoneer.

Adara Vulcania: There's only one person who fits this: Maria Vulcania, Avatar and Gene-Slammer of Laval Magma Cannoneer, and you guys are going to love meeting her, Maria Vulcania, Avatar and Gene-Slammer of Laval Magma Cannoneer, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Magma Cannoneer. She's The Volcanic Lava Magma Cannoneer and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Maria Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Magma Cannoneer, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Magma Cannoneer, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Maria Vulcania despises The Stankcos with a blazing passion because of their cheating during The Legends of The Hidden Temple, and she swore to burn them to ashes.

Me: Miserable jerks.

Lincoln: Trust me, they caused so much trouble for the final time.

Nico: Now, I really am glad Sebastian sent them to The Black Abyss.

Batroc: Killed mid sentence.

Top: Don't you hate when that happens?

Ragdoll: And that's happened to him twice now

Dark Leo: What now?

Vanitas: We continue the camping trip.

Me: Yep.

Nico: But great job everyone!

Qin: Wow! This was really epic!

Pinkie Pie: BEST CAMPING AT WINSOME FALLS EVER! AH!

Me: Yeah!

Shane: (To the viewers) Lothor is gone forever now.

Me: He sure is. Now I can rest easy now that I have fulfilled my eagerness.

Nico: Good for you.

We got everything set up and got to having fun camping.

Laney: I'll make some wood.

Laney used her plant powers and made firewood.

Lana gathered rocks for the fire.

Me: And I'll gather the things for the S'Mores.

Shaggy: Like oh boy!

We got the camp set up.

Maria: I hope there are no wild animals here.

Fluttershy: Don't worry Maria. I'll protect you all from them.

Mero: But it's beautiful all out here.

Nico: It sure is and the view of the stars is gonna be even more spectacular.

Rarity: It most will Nico.

Horsea: I'll help Mero catch some fish.

Maria: Okay Horsea.

We got the tents all set up and we were just about finished.

Me: There.

Varie: Tents are looking good.

Applejack: They sure are. As long as no Flyders or anything like that bothers us.

Me: And thank goodness for that.

Mero and Horsea came with lots of great fish for us to eat.

Mary K.: Awesome fish catches.

Mero: It was really easy to catch them.

Horsea: It sure was.

Mary K.: I'll get to work on our dinners.

Me: Awesome.

Mary K. got to work on our dinner.

Erica Tala: I'll help with that.

Applejack: I got one.

Nico: What is it?

Applejack: I am gonna tell you all mine and Apple Bloom's favorite legend.

Apple Bloom: Ooh! You mean Rockhoof? I love that one! He was so strong, and when he—

Sweetie Belle: Apple Bloom, shhh! We haven't heard it yet!

Ymir: I haven't. But it will be fun.

Naomi Necroshade: This is gonna be interesting. I've always wanted to hear all about the story of Rockhoof from your take Applejack.

Rockhoof: (Scottish Accent) I'm honored lass.

Apple Bloom: Oh, okay. But it's so good! Heh.

Applejack: Well, it's true. Rockhoof was known far and wide for his incredible strength. But he didn't start out that way. You see, Rockhoof was a tiny little fella, the son of a farmer.

Apple Bloom: Just like us!

[Beat]

Apple Bloom: [laughs nervously]

Applejack: They lived in a village that sat at the foot of a gigantic volcano.

The story began in Rockhoof's old village 1,000 years ago and it was right next to a huge volcano that had smoke coming out of it.

[flute music]

Two big ponies were clashing with spears.

[clink]

Applejack: [narrating] And the village was protected by an elite group of guard ponies called the Mighty Helm.

Mighty Helm ponies: [laughing]

The Mighty Helm loved each other like family and Cocoa Axe threw an axe at a stump.

[thunk]

She hit it.

Applejack: [narrating] Young Rockhoof wanted nothing more than to be part of the Mighty Helm.

[straining noises]

He tried to pull the axe out but he wasn't strong enough to do it.

[thud]

He crashed onto the ground.

Mighty Helm ponies: [laughing]

It was a good try though.

Applejack: [narrating] But he was told that he was too scrawny and weak to protect the village.

Mighty Helm ponies: [more laughing]

Rockhoof: [whimper]

Applejack: [narrating] But Rockhoof wouldn't take no for an answer.

Rockhoof knew that he would join if he just worked hard enough. He got to digging.

Applejack: [narrating] Then, one fateful day...

[rumbling]

An earthquake rattled the lands.

Applejack: [narrating] ...the volcano erupted!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM!

The Volcano erupted with tremendous force!

Rockhoof: Eeeeeeeeeeee—

Apple Bloom: [continued] —eeeeeeeeee! This is my favorite part!

Rockhoof: Aye good times lass.

Rainbow Dash, Scootaloo and Sweetie Belle: What happened next?!

Universe 666 May: I have a feeling that this is gonna be good!

Applejack: The molten lava poured down the side of the volcano...

Lava was gushing out of the volcano.

Mighty Helm ponies: [indistinct chatter]

Applejack: [narrating] ...and try as they might, the Mighty Helm couldn't figure out a way to save the village! They had to evacuate. But the village ponies didn't wanna leave their homes. They spent their entire lives there. They had nowhere else to go! So Rockhoof decided to do something crazy.

[digging]

Rockhoof knew it was up to him to save the village and he got to work!

Applejack: [narrating] He thought if he could divert the flow of the lava, he might be able to save his village. He started diggin' a trench!

Sweetie Belle: Wait a minute. All by himself?

Rainbow Dash: It'd be impossible for one pony to dig a trench fast enough to stop the lava. I mean, even I couldn't do that.

Me: But we could do that.

Nico: Yeah we have that kind of power.

Apple Bloom: [fangirl squealing]

Sakura H.: And I thought I was the only one that was excited like that.

Applejack: Good thing Rockhoof didn't believe in the word "impossible".

Me: And neither do we.

The story continued and the lava was getting closer and closer.

Applejack: [narrating] He continued to work, knowin' the odds were against him, but determined to push through it. Then, somethin' magical happened.

[digging]

[magic noises]

Then Rockhoof was enveloped in magic and he got brawny and stronger and more powerful in strength and turned into the awesome legendary pony we all know.

Applejack: [narrating] Rockhoof got visibly stronger! But the lava was getting' closer.

[rapid speed digging]

With his newly acquired strength he made a trench and got the lava to pour into the ocean

[crunch]

[steam hissing]

ROCKHOOF HAD SAVED HIS ENTIRE VILLAGE FROM CERTAIN DOOM!

[ponies cheering]

Applejack: [narrating] Through his extraordinary determination and sheer force o' will, Rockhoof more than earned his place in the Mighty Helm.

Mighty Helm ponies: [laughing]

Cutie Mark Crusaders: [cheering]

All of us: (Cheering)

Rainbow Dash: Good story, Applejack! Even if it wasn't about me.

All but Rainbow Dash: [giggling]

Apple Bloom: I love that story, no matter how many times I hear it.

Rockhoof: That was very well told lass.

Cocoa Axe: (Irish accent) It sure was. Those were good times back then.

Steela Oresdotter: (Norwegian Accent) They sure were and it was fun back then.

Me: It sure was awesome.

Vypra: That is a really cool legend.

Lyra Heartstrings: It sure was.

Nico: That was amazing. And it was just like what happened when we tried to save all of Los Angeles when a Volcano exploded and formed there.

Nicole: Yeah that was an amazing story.

Rarity: We'll have to hear about that. Now it's time for my favorite legend, Mistmane.

Mistmane: I'm honored that you know my story.

Me: Rarity told me the story about you Mistmane but she hasn't told ALL of us about you yet.

Sweetie Belle: Yeah.

Rarity: Did you all know that Mistmane is not only an amazing sorceress but she is also the most beautiful unicorn in all the land?

Me: I did. That's cool.

Cutie Mark Crusaders: So what happened to her?!

Nico: Yeah can you tell us?

Rarity: I sure can. Well, Mistmane was a very promising young sorceress.

The story begins in the old Imperial Empire of Equestria 1,000 years ago.

[Asian-style music]

Rarity: [narrating] She was as talented as she was beautiful and kind. Everypony loved her and missed her when she was sent to the finest magic school.

Mistmane was going to an awesome magic school many eons ago and a lot of people missed her as she was going away. Mistmane was a very prominent sorceress and learned so much at the school. And then she got a letter from her village.

Rarity: [narrating] While she was gone, she was delighted to find out that her best friend, Sable Spirit, was crowned empress. She couldn't wait to return home once she finished her studies.

When she finished her studies she was shocked to see her village in shambles and turned into a colorless and grey and rotten place.

Rarity: [narrating] But once she arrived, she was devastated by what she saw.

She went up to a villager.

Mistmane: What happened here?

Villager: The Empress happened. She makes everypony work day and night on her palace. We don't have time to take care of anything else.

The palace of the Empress was the only thing that was beautiful.

Mistmane: But that can't be. I know her! She would never do this.

Rarity: [narrating] But there was no denying what was in front of her.

A foal tried to make off with the only beautiful flower in the village and then...

Foal: [gasps]

The flower was taken from him by Sable Spirit.

Rarity: [narrating] Sable Spirit took everything that was beautiful away from anypony else! And Mistmane was sure there had to be some explanation.

She knew that there was something wrong and she went to go confront Sable Spirit.

Sweetie Belle: I'd assume there was, too. If somepony told me either one of you two'd gone evil...

Scootaloo: Yeah, I'd never believe it.

Me: I would be shocked myself and I would want some answers too.

Nico: Same with me.

Apple Bloom: I dunno. I've seen the way you two get when you miss breakfast.

We glared at her.

Apple Bloom: [chuckles nervously] Just kiddin'. But I'd want answers too.

Rarity: So did Mistmane. She went to confront her friend.

The story resumed and Mistmane walked through the palace and stood before the empress.

Mistmane: Sable, is that you?

Sable Spirit: Don't tell me you don't recognize your old friend.

Mistmane: I don't. My friend would never work our families and friends to the bone for something as silly as a palace.

Sable Spirit: Silly? My palace is a beacon of beauty! Anypony who passes will be in awe of its majesty!

Mistmane: What good is a pretty palace if it just hides the misery of its ponies?

Sable Spirit: Beauty is everything. You taught me that.

Mistmane: What?!

Sable Spirit: You were always the pretty one. You got to go to the best magic school. Everypony missed you. Everypony loved you! I admit I was jealous, so I tried to perform a spell that would make me beautiful. You can see how that went!

Mistmane: [gasps]

Her spell backfired and made her an old lady and it warped her mind.

Sable Spirit: I found if I couldn't have beauty, I would take it. I wasn't chosen to be empress, you know. I took it! Just like I'm going to take everything else.

Mistmane: I can't let you do that.

Mistmane knew that she had to stop her.

Sable Spirit: Let me? [laughs]

[magic zaps]

She fired a magic blast and trapped Mistmane in bramble vines.

Sable Spirit: [grunts, growls]

Mistmane busted out.

[magic dragons roaring]

Sable formed a red magic dragon and Mistmane formed her own dragon and they clashed powerfully.

[magic zaps]

Mistmane's dragon overpowered Sable's and knocked over a plant.

[wood creaking]

The wood grabbed Sable.

Sable Spirit: [grunts]

And trapped her in a wood cocoon.

[ponies cheering]

Rarity: [narrating] Everypony thought Sable Spirit was defeated, and that was that. But Mistmane knew there was more she could do to help.

She took the flower she took from the filly and went to plant it.

Rarity: [narrating] Beauty isn't everything. But Mistmane knew that it does have the power to make ponies smile.

[magic noises]

Mistmane sacrificed her beauty and brought all of the beauty back to her entire village.

Rarity: [narrating] She made a huge sacrifice to bring that smile back to her friends' and family's faces... including Sable Spirit's.

Sable Spirit was back to her youth after her spell went wrong.

Sable Spirit: [gasps] You did this for me? Even after I was so cruel?

Rarity: [narrating] Sable Spirit was so touched that she vowed to be more like her friend in the ways that mattered. From then on, she ruled with kindness and compassion.

Sable Spirit was now a benevolent ruler.

[ponies cheering]

Rarity: [narrating] Even though she gave away her physical beauty, she dedicated her life to spreading beauty all over Equestria. Any time you go out of your way to brighten somepony's day by doing something like giving them flowers, you're following in the hoofsteps of Mistmane.

Sweetie Belle: I think she's my favorite legend too.

Nico: That was an amazing story.

Mistmane: It sure was and I'm honored that you know my story very well.

Sable Spirit: Boy that brings back so many memories.

Eli: It sure was amazing.

Vince: Yeah.

Qin: J.D. also brought back Mistmane's youth too.

Me: It's true and That's an interesting story. After she and the Pillars of Equestria were brought back from Limbo and we banished the Pony of Shadows to another dimension and saved Stygian, we talked to Princess Celestia about what happened and I knew that Mistmane was a really special pony so I decided to give her back her beauty. I used a powerful magic spell that I learned from all the Equestria Magic books that gave her back her beauty. It was the least I could do for her after how she helped Sable Spirit and helped save her friend from madness.

Mistmane: And I'm glad you did J.D.

Nico: Wow! That is really selfless.

Me: Yeah. Anyone else have a story?

Rainbow Dash: I got one. It's about my favorite legend, Flash Magnus!

Me: We haven't heard that one from you R.D.

Flash Magnus: But I would be honored to hear my story from you.

Nico: Awesome.

Rainbow Dash: A long time ago, before the Wonderbolts were even founded...

Rainbow Dash's story begins 1,000 years ago when Flash Magnus and his team were flying.

Rainbow Dash: [narrating] ...Flash Magnus was a lowly cadet in the Royal Legion.

[heroic music]

[smacks]

He wing-fived his friends.

[plane propellor noises]

They were flying and they sounded like airplanes.

Rainbow Dash: [narrating] And the Legion needed to fly over the Dragon Lands to get to their comrades on the other side. But as they got closer to the dragons...

Flash Magnus: [coughing]

Smoke filled the air.

Rainbow Dash: [narrating] ...the dragons attacked!

FEROCIOUS DRAGONS CAME OUT AND THEY WERE READY TO STRIKE!

[dragons roaring]

Rainbow Dash: Flash Magnus and the Royal Legion tried to get past the dragons...

The Dragons were gonna be tough.

Rainbow Dash: [narrating] ...but the dragons wouldn't let them!

[dragons roaring]

Their fire breath spelled big trouble for them!

Commander Ironhead: Everypony, retreat!

Some of them flew away as a dragons tail went at them.

Rainbow Dash: [narrating] Flash Magnus and a few other cadets were separated from the battalion. He managed to get away, but the dragons captured his friends and took them back to their lair!

[Legion cadets screaming]

[plane propellor noises]

[thump]

The dragons took some of his comrades and took them back their lair.

Flash Magnus: Commander! We need to save our captured comrades!

Commander Ironhead: I appreciate your loyalty, Flash Magnus, but getting past those dragons is going to be impossible. Nothing will work.

Apple Bloom: The commander was right. You can't outfight dragons.

Rainbow Dash: But you can out-think them.

Me: Rainbow Dash is right about that.

Lynn: She sure is. It takes brains to out-think them. Me and Spike used our brains to out think Garble and get back Flash Magnus's shield.

Spike: That was really genius there.

Me: It sure was.

Rainbow Dash: Yeah. Anyway Flash Magnus's loyalty was very strong.

The story resumed.

Flash Magnus: Commander Ironhead, I'm pretty sure I can outfly the dragons. If I can lure them into chasing me, you can all sneak into the lair and retrieve our friends before they get back.

Commander Ironhead: Are you really willing to take that chance, soldier?

Flash Magnus: I am, sir.

Commander Ironhead was moved by his courage and loyalty.

Commander Ironhead: It's a very brave thing you're doing. You'll need all the help you can get.

He gave him his legendary shield.

[clank, shing!]

Flash Magnus: Is this... Netitus, the fireproof shield?!

Commander Ironhead: It has protected Legion heroes for generations. And today, I can't think of a worthier flank for Netitus to protect.

[clank]

Commander Ironhead: Good luck, soldier.

[plane propellor noises]

Flash Magnus was off.

Flash Magnus: [exhales] [shouting] Hey! Come and get me, fire-breath! If you can! [clanking shield] Hey, hey! Come and get me! Hey, I'm over here!

One thing you should never do is insult a dragon and BOY WERE THE DRAGONS MAD!

[dragon roars]

Rainbow Dash: [narrating] While Flash Magnus bravely flew for his life, Commander Ironhoof was able to get his soldiers back.

[dragons roaring]

The dragons were REALLY PISSED at him as he dodged their fire.

[plane propellor noises]

Rainbow Dash: [narrating] Flash Magnus flew like the wind...

[dragon roaring]

[shield burning]

Rainbow Dash: [narrating] ...faster than the dragons!

[burning]

He was flying all over the place as the dragons were trying to burn him all over.

Rainbow Dash: [narrating] But he knew he couldn't do this forever. Luckily, he had a plan.

[lightning striking]

The pegasus gathered storm clouds for a trap.

[electricity crackling]

Commander Ironhead: [whistles]

[plane propellor noises]

Rainbow Dash: [narrating] He led the dragons straight into a storm that the Legion had planted!

[lightning striking]

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Rainbow Dash: [narrating] One taste of the lightning, and the dragons retreated.

[long pause]

[pomf]

The dragons retreated with their tails in between their legs! Flash Magnus came out covered in soot.

Flash Magnus: [coughs]

Rainbow Dash: [narrating] Flash Magnus' plan worked!

He was hailed as a true hero and Commander Ironhead was so proud of him. Flash Magnus tried to give back the shield but he has more than earned the right to keep it and he was saluted for it.

We cheered for that story.

Ymir: WHOA! That was awesome!

Flash Magnus: Yeah that sure was! That was very well told Rainbow Dash.

Nico: Yeah that story was awesome.

Pinkie Pie: That was an amazing story. Here's my favorite legend. I'm going to tell you about Somnambula.

Somnambula: (Egyptian Accent) I would be honored to hear how you know about me Pinkie Pie.

Rainbow Dash: Well it was where we stopped Dr. Caballeron from ruining Daring Do by turning her into a villain.

Daring Do: That was an amazing story.

Ymir: Lets hear it.

Pinkie Pie: Okay. It was back in Somnambula's home village which was also her namesake. Somnambula. Long ago...

Many eons ago Somnambula was an Egyptian Style Village that was under the tyranny of an evil Sphinx.

Pinkie Pie: [narrating] ...the village fell prey to an evil Sphinx who demanded most of their crops. Like her fellow villagers, Somnambula didn't have much, but she used what she had to keep others from giving up hope. The son of the Pharaoh, Prince Hisan, was so moved by her compassion that he decreed nopony would go hungry again. But when Hisan stood up to the Sphinx, the beast captured him, telling the Pharaoh the only way to get Hisan back was to solve her riddle. Nopony would volunteer to save the prince. Nopony except Somnambula. The Sphinx gave her the riddle. "I shine brightest in the dark. I am there but cannot be seen. To have me costs you nothing. To be without me costs you everything." As Somnambula thought of the hardship she and her fellow villagers had experienced, she instantly knew the answer. "Hope!", she shouted.

The Riddle was solved but the Sphinx was mad that she got it right.

Pinkie Pie: [narrating] The Sphinx was so enraged, it seemed she might still refuse to release the prince, so Somnambula asked her for one more challenge. But if she accomplished it, the Sphinx would leave from the kingdom forever. The Sphinx quickly agreed, asking only that Somnambula walk to the prince across a deep chasm... blindfolded! Further, the Sphinx had cast a powerful spell that prevented Somnambula from flying.

[Sphinx laughing evilly in a demonic voice]

Pinkie Pie: [narrating] But Somnambula never lost hope! She knew she'd need to make a leap of faith to save the prince. Guided by the sound of the prince's voice... she easily made it across.

The Sphinx was enraged that she was beaten twice and she left never to return.

Pinkie Pie: [narrating] The Pharaoh asked how Somnambula prevailed, and she explained that she had always hoped she could make things better for her people and that hope had carried her through. The Prince replaced the pearls Somnambula gave up with a string of glowpaz. And around her neck, they glowed bright enough to light the entire kingdom.

We were amazed that Somnambula did that.

Ymir: Wow!

Somnmabula: That was an amazing adventure for me. I never gave up for my people just like I would never give up for my friends.

Me: And we never give up hope either. Just like I never give up hope for anyone.

Flint Lockwood. And that was amazing.

Camie: It sure was. But that was a great story Pinkie Pie. We'll have to check out Somnambula's home village some day.

Somnambula: It's a really amazing village.

Nico: Wow.

Mage Meadowbrook: How would y'all like to hear my story?

Me: We would like that Mage Meadowbrook.

Mage Meadowbrook: It was back when I was in Hayseed Swamp. I tried again to brew an unsniffle elixir and I finally got it right!

She saw a Chipmunk sneezing from a cold.

Chipmunk: [sneezing]

She gave it the elixir.

[sipping noise]

And the chipmunk got better.

Chipmunk: [sighs]

Meadowbrook's Mother: Meadowbrook, I think it's time you had this.

She opened a present from her mom.

[thumping]

Mage Meadowbrook: [gasps] My very own healer's mask! You think I'm ready, mother?

Meadowbrook's Mother: Mm-hm.

[knocking]

A knock on the door came.

[door opens]

A sick pony came and she had ugly orange spots on her

Meadowbrook's Mother: [gasps] What caused this?

The pony pulled out a blue lily plant with the same orange spots on it

Mage Meadowbrook: [narrating] Mother calls it Swamp Fever. We've been tryin' to find a cure, but it hasn't been easy. [lily puffs]

The lily puffed out an orange smoke cloud.

Meadowbrook's Mother: [coughing]

[knocking]

[door opens]

They saw that many ponies were sick with SWAMP FEVER TOO!

Royal Pin: [coughs]

IT WAS AN EPIDEMIC!

A pony was coughing up bubbles.

Mage Meadowbrook: [narrating] The fever spread like wildfire.

[ponies sneezing and coughing]

They were coughing bubbles and sneezing lightning.

Meadowbrook's Mother: [coughing]

Mage Meadowbrook's mother had it too!

Mage Meadowbrook: [narrating] I fear if we don't find a cure soon, everypony will be in grave danger!

IT WAS SPREADING LIKE THE PLAGUE AND MAGE MEADOWBROOK KNEW SHE HAD TO DO SOMETHING!

Meadowbrook's Mother: [coughing]

Her mother was sick and in bed and coughing up bubbles

Mage Meadowbrook: [narrating] With mother sick, I didn't think I'd ever find a cure. But starin' at those cursed flowers today, I saw somethin'.

[flash bees buzzing]

Flash bees came and they were mean bees with blue stripes and lightning bolt shaped stingers.

[lilies puffing]

The flower puffed out orange smoke and it didn't affect them in any way. The Flash Bees were pollinating the flowers without any effect.

Mage Meadowbrook: [gasps] Flash bees!

She went to go get the cure from them.

Mage Meadowbrook: [narrating] I realized the flowers' poison didn't affect the flash bees. And if they were immune to Swamp Fever, their honey could be the cure!

[flash bees buzzing]

She followed them to their hive in a tree and got to their hive.

[branch snaps]

UH OH!

[flash bees buzzing]

The Flash Bees saw her and they were mad.

[zaps]

They flew at her and poked her with their stingers full of electricity and it hurt!

Mage Meadowbrook: [narrating] But they were so aggressive defendin' their hive, I didn't know how I was gonna get it!

But she had to think of something.

[flash bees buzzing]

Mage Meadowbrook: Here goes nothin'!

She put on her mask as the bees came.

In her mother's bed she had a phial full of Flash Bee Honey.

Mage Meadowbrook: [narrating] That day I cured mother and the rest of the bayou! It was the greatest feeling I've ever experienced, and I promise to dedicate my life to curing ponies all over Equestria!

Ymir: Whoa! That was incredible!

Nico: Amazing.

Lola: That was amazing.

Ranamon: It sure was.

Laney: That's my favorite story too.

Mage Meadowbrook: I'm honored.

Me: Boy those always will be awesome stories.

Nico: Some of the best ever.

Twilight Sparkle: It was really awesome.

Me: Lets make some s'mores everyone.

We cheered. We did so and later went to sleep

We returned home and it took us all day to get back, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Lothor is finally gone forever!

Anna Anyanova: He got what he deserved, and now, we know how the vampires of Sunnydale got involved, it was The Master, that was really low of him. But, in any case, we destroyed Lothor and banished him to The Black Abyss, and we really pissed off Lord Zedd in The Book of Vile Darkness.

?: And when Jason's big day comes, Lord Zedd will finally get what he deserves.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-

times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Ace Bunny was looking out into the night sky.

Ace Bunny: So, Lothor has finally been taken care of, good riddance to that monster, this was the last time he would ever hurt anyone again.

THE CROW OST: BIRTH OF THE LEGEND PLAYS

Ace Bunny: So far, Tech, Rev, Slam, and I transformed, now for tomorrow, I can already expect Duck to transform.

We went to sleep.

Meanwhile, something was brewing in Anti-Monitor's lair.

Anti Monitor: With Team Buktu gone, I need a new plan of attack

?: I think that's our cue

Anti Monitor turned to see the same figures from before

Anti Monitor: And you all are?

?: Friends. Ones with grudges against a certain group of girls

Anti Monitor: I'm listening

UH OH!

THE END

see you all next time.

REVENGE OF XANDRED

Xandred is back for revenge!

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a colorful Independence Day-themed planet, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, fireworks, everything related to Independence Day, all the powers of Independence Day, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, fireworks, everything related to Independence Day, all the powers of Independence Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Independenceairaira, a colorful Independence Day-themed planet, and protected by powerful omnipotent angels known as the Independenceairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, fireworks, everything related to Independence Day, all the powers of Independence Day, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, fireworks, everything related to Independence Day, all the powers of Independence Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! An Independence Day-themed planet! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Independenceairaira.

Lincoln landed on Planet Independenceairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Independenceairaira, it truly is an awesome Independence Day-themed planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper

and lower body muscles and twelve-pack abs, he was shirtless with a red, white, and blue sun and moon on his chest, he has long red, white, and blue hair going down to his shoulders, blue eyes, America-colored angel wings, he has on a red, white, and blue loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Samuel Independenceairaira, King of The Independenceairairans of Planet Independenceairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Samantha Independenceairaira. (GASPS) Now, I remember, I've been here before to Independenceairaira eight years ago.

Then, all of the other septillions of trillions of male Independenceairairans came to Lincoln.

Samuel Independenceairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Samuel Independenceairaira chuckled.

Lincoln: And there's something I need to tell you.

Easton Easterlairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Samuel Independenceairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Samuel Independenceairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Samuel Independenceairaira and the other septillions of trillions of male Independenceairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of fire, flames, fireworks, everything related to Independence Day, all the powers of Independence Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a red, white, and blue aura with fireworks surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Samuel Independenceairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Independenceairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Independenceairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Independenceairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure

from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Independenceairaira, a colorful Independence Day-themed planet, and protected by powerful omnipotent angels known as the Independenceairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, fireworks, everything related to Independence Day, all the powers of Independence Day, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of fire, flames, fireworks, everything related to Independence Day, all the powers of Independence Day, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! An Independence Day-themed planet in The Forbidden Zone, that's so awesome!

Nico: You said it.

Danger Duck: But, I didn't expect him to go crazy!

James Blunt: You forgot how crazy and unhinged Caleb was in the past, and I knew from seeing into his eyes: all the pain, all the anger, all the hatred, all the despair, all the sorrow, no mortal should've gone through that kind of pain. Lincoln related to that because of what that monster, Dark Chase Young, did, but unlike Lincoln who emerged from that darkness stronger than ever and finally freed, Caleb got killed in 1985 in our world and he carried all that anger and darkness with him to the grave, and I will not allow Caleb to be hurt like that ever again!

Suddenly, James Blunt's crimson red eyes glowed, and then, we saw him grow from 620'11" to 950'11" in height, his abnormally massive and powerful upper and lower body muscles grew much larger for his new body and he still has twelve-pack abs, he has on large gold metal bands on his massive biceps, he now has 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and red planets orbiting around his legs and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and red planets orbiting around his waist. Suddenly, James Blunt felt a sharp pain on his wider and muscular back, and then, his enormous dark brown angel wings with blood red tips on the large 1,050'11" dark brown feathers grew much larger for his new body with a 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large dark brown angel wings with blood red tips grew and sprouted out underneath his enormous dark brown angel wings with very incredible wingspans and the shoulder blades of his massive dark brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large dark brown angel wings underneath his massive dark brown angel wings have eyes with crimson red iris and dark brown fur, and his long dark brown tail with phoenix feathers on it grew larger and longer. Then, six gold halos with second smaller halos of light with intricate designs and crescent moons in them appeared over his Bracers, over his ankles, and beside his thighs.

Suddenly, James Blunt's massive James Blunt's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Darkness Dark Hellfire Bloody Darkness True Alpha Vampirairan Blood Fire Storm Fury True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Darkness Dark Hellfire Bloody Darkness True Alpha Vampirairan Blood Fire Storm Fury True Seraphim God Phoenix God Archangel Justice was surrounded by a kaleidoscope of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels, and when it emerged, it was transformed into James Blunt's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Darkness Dark Hellfire Bloody Darkness True Alpha Vampirairan Blood Fire Storm Fury True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Darkness Dark Hellfire Bloody Darkness True Alpha Vampirairan Blood Fire Storm Fury True Seraphim God Phoenix God Archangel Justice, it's a brand-new massive greatsword measuring at 1,050'11" in length with embedded crimson red gems and the Elements of Harmony of Sunny Starscout and her friends and crimson red version of Caleb's cross mark etched on the 950'11" massive, hulking, wide, double-edged black blade, large black vampire bat heads with crimson red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large crimson red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the

James Blunt: Well, I'll be damned, I've grown and evolved even more.

Then, James Blunt puts his left arm around Caleb Maxwell.

James Blunt: (To Danger Duck) Now, unless you want to deal with his two brothers and Allie, you'll leave Caleb alone.

Tyler Maxwell, Alexander Maxwell, and Allie Maxwell hissed and snarled at Danger Duck who fled behind us in fright.

James Blunt: Heh, that'll teach him. (To Caleb Maxwell) You okay, Caleb?

Caleb Maxwell: Yes..., I am.

Jayden woke up to see Typhlosion staring at him.

Typhlosion: Morning Jayden!

Jayden: Oh morning Typhlosion.

Typhlosion: Time for breakfast

Jayden: Be right there!

He went and got dressed and went to the table.

Pizza Steve was having a big ice cream sundae for breakfast.

Nico: Can I have some of that Pizza Steve?

Pizza Steve: Sure thing Nico.

Nico had some.

Jayden came.

Me: Morning Jayden.

Jayden: Morning J.D.

I gave him eggs and bacon.

Me: Pizza Steve went and got himself a big ice cream sundae for breakfast.

Mr. Gus: He's in for a big crash.

Me: I know.

Uncle Grandpa came.

Me: Good Morning Uncle Grandpa.

Uncle Grandpa: Good morning everyone! You guys are sure excited today.

Me: We sure are.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Gabriel's Akuma, The Collector.

Adrien: Oh man, it's Dad's Akuma, The Collector!

Nico: Oh God...! We're gonna have to explain about who he is when we get there.

Gabriel: I agree. Lincoln, where's he at?

Lincoln: You're gonna love this next planet, he's on the planet Icecreamairaira.

Me: Wait, what?!

May: Ice cream planet?! (DROOLS)

Nico: Uh oh, I have a feeling many of us are gonna get ice cream brain freezes! We also need to protect the Miraculous at once.

Lincoln's eyes glowed, and he stripped The Collector of his powers.

Lincoln: Already done, now we won't have to worry about the Miraculous being taken by him.

Nico: So incredible, you were one step ahead every single time.

Me: That's The Man With A Plan.

Lincoln: (Embarrassed Blush) Guys. Alright, now, let's finish our breakfast and then, we head for Icecreamairaira.

Nico: Got it.

We finished breakfast, and we headed to Icecreamairaira to help Lighthoof and Shimmy Shake unlock their Rainbow Power and take down The Collector.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14246.3: The U.S.S. Valorous Phoenix is en route to the Ice Cream forbidden planet of Icecreamairaira and our mission there is to face Gabriel's Akuma of himself, The Collector. This is gonna be a wild one.

Me: This is gonna be a really awesome one.

Camie: It sure is!

Lola: Yeah!

Qin: Boy no kidding!

Pizza Steve: As long as there is ice cream involved, Pizza Steve is cool with it.

Twilight Sparkle: Who doesn't like ice cream?

Me: You know what one of the most disgusting flavors would be? Ranch Dressing flavor!

All of us: YUCK!

Qin: OH YUCK!

Me: That would taste like puke!

Varie: No kidding!

Nico: Neon Tiger, I want to thank you, Shere Khan, and your teams for coming.

Neon Tiger: No problem Nico. I am really excited for this.

Nico: Where's Laney and Tigress?

Me: Oh they are sparing in the gym on the ship. Long before you joined us Nico, Tigress taught Laney how to do Kung Fu and all those moves when she helped them deal with Tai Lung the first time?

Nico: Really? That is cool!

Nico pulled up a monitor and saw them training hard.

Laney and Tigress were really going at it.

When it was done they came back 45 minutes later covered in sweat.

Laney: WHEW! Man what a workout.

Tigress: You did great.

Nico: Tigress, do you love Po?

Tigress: (Caught off guard) Well uh... (Blushes) It's actually more like a platonic friendship friendship and we love each other like siblings do.

Po: Yeah we've been something like siblings ever since I became the Dragon Warrior.

Me: That's okay.

Laney: And Po, Shifu the Furious Five have been amazing teachers. Both to me and Tigress and all of us learned so much in the Jade Palace and beyond.

Po: Laney is a really fast learner like me.

Tigress: She learned over 1,000 styles of Kung Fu from us and all that.

Me: That's impressive!

Nico: I'll say!

Lola: Yeah!

Laney: Yep. And I even was shown the dragon scroll and learned that the way to mastering kung fu is not through strength, it's all through you.

Me: That is very wise and philosophical.

Mantis: (slyly) Sure you two are like siblings?

Monkey: Mantis don't push it. They said they would rather be like siblings.

Po: Yeah and besides we're cool with it.

Shifu: And I couldn't be proud of all of them.

Me: We all are master Shifu.

Qin: Yeah.

Me: Whew! Man what an awesome camping trip.

Nico: That was so awesome!

Laney: Yeah!

Camie: We sure had fun.

Me: And the best part is that I got to fulfill my eagerness to destroy Lothor. After 5 years.

Nico: Happy now?

Me: Much and very.

Nico: Good.

Me: But we had really awesome hike too.

Nico: It sure was beautiful.

Nicole: It sure was.

Nico: Yep. And J.D. was the Scariest Cave in Equestria that scary?

Me: Oh it was! When I first saw the entrance it immediately gave me the creeps. Applejack and her family came out of that cave scared shitless and had nightmares for weeks.

Eli: I don't even want to know what was in that cave.

Lola: Boy no kidding.

Dahlia Wishstar: I'm just glad to be reunited with Carla here.

Carla Turner: When I was growing up away from my mom and dad, me and Dahlia did so much together and we battled evil and all that. She even had me have a rule free muffin. I wished for the power to make any land a holiday land.

Me: How is that against the rules?

Wanda: When Timmy wished every day for it to be Christmas, it put the entire world into gridlock. But after he undid it the Fairy World High Council made it so no one can use the holidays like that.

Dahlia Wishstar: But Carla found a loophole in that wish. It didn't say anything about using it for one day to make it perfect for that holiday only.

Me: Clever.

Carla Turner: It sure is.

Me: Wow! Boy that was a fun camping trip though.

Nico: And so eventful.

Poromon: Still should've picked a more epic setting...

Me: A mission is a mission though. Besides I didn't want to wait till after the war with Anti-Monitor.

Lola: Good point.

Camie: Yeah.

Nico: Come on guys, we all had fun regardless and as long as we had fun then we're cool with that.

Poromon: You're right guys.

Ben: Have you noticed that the last few Gene Slammers are related to species of my aliens?

Me: That is coincidental. But it's cool. We're meeting many Plumbers Kids too.

Helen Wheels: Like how you guys are meeting us.

Xenia: That is true.

Pierce (Ben 10): It's cool we're meeting so many fellow Plumber Kids.

Me: I agree there.

Ymir: I'm confused. What are the Plumbers kids?

Me: They are kids who have the members of the intergalactic police force called the Plumbers for parents as well as Aliens. So they are half human and half of that creature.

Alan Albright: It's true. Just like me. I am half Pyronite. So I am one.

Manny Armstrong: Yep. I'm half Tetramand.

Helen Wheels: I'm half Kineceleran.

Ben: Many friends we know are plumber kids.

Alan: Honestly, I hope we meet ones related to Pyronites, Tetramands, and Kinecelerans.

Me: I have a feeling we will.

Nico: Cool. That will be so awesome.

Ghostfreak: I wonder if there is one for an Ectonurite.

Kevin Levin: (laughs) It's funny that the ones for Nosedeenians were Ducklets.

Me: (LAUGHS) That is true. But Ash said they encountered Three Ducklett in the Unova region that were mischief makers so that qualifies for that.

Ash: He's right on that. Those 3 Ducklett were causing lots of problems.

Nico: Wow the Three Stooges of Pokemon.

WE LAUGHED!

Qin: (LAUGHS) That was funny!

Laney: Nice one!

Nico: Yeah!

Namine put on her duck mask

Namine: Quack quack!

WE LAUGHED MORE!

Laura Zappra: (LAUGHS) Hey that's cute and funny!

Jeanette: It sure is!

Me: (LAUGHS) YEAH!

Lisa Loud: We have arrived at our destination.

Nico: Oh On screen.

We saw that we were at a blue planet and it was Icecreamairaira.

Me: Looks like an ocean planet from up here.

Nico: It sure does.

We got to landing.

We arrived on Icecreamairaira, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Icecreamairaira, this place sure is awesome!

Nico: This is a Forbidden Planet? More like an ICE CREAM WONDERLAND!

Poromon: Forbidden planet my ass!

I got some ice cream in a bowl.

I ate it.

Me: (Eating) MMM! Delicious! I got rocky road and chocolate.

Laney came back with a cone of mint chip.

Laney: Mmm. Mint chip.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Icecreamairaira, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Icecreamairairans.

Poromon got some cotton candy ice cream.

Poromon: (Slurps) Yummy!

Nico ate ice cream with a happy face.

Nico: Oh wow! So delicious!

Ymir: Boy so many flavors here!

Lincoln: And no disgusting flavors here too.

Lola: That would not be good.

Camie: Yeah.

Mary K: This is a planet not for those that are lactose intolerant.

Adam Lyon: Like me. I am VERY Lactose intolerant. Gives me really bad gas and farts.

Poromon: Oh, THAT'S why it's forbidden.

Me: Only for those who are lactose intolerant.

Adam Lyon laughed!

Me: (LAUGHS) Yeah!

I then smirked.

I got a snowball of oreo ice cream and threw it.

Nico laughed and then...

SPLAT!

It hit him square in his face!

Nico: HEY!

Nico licked it off.

Nico: Yummy. Oreo flavor. Okay WHO IS THE WISEASS!?

I held a ball and threw it at him and he ducked and it hit May

SPLAT!

May: HEY!

Manaphy: Mama!

Manaphy licked it off.

Manaphy: Yummy! Strawberry. (GROWLS AT ME) I WILL DESTROY YOU J.D.!

May grabbed her!

May: Manaphy stop it's just ice cream.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a pink, brown, and white sun and moon on his chest, he has long brown, pink, and white hair going down to his shoulders, pink eyes, massive pink angel wings, he has on a pink, brown, and white loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Rocky Icecreamairaira, King of The Icecreamairairans of Planet Icecreamairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Roxanne Icecreamairaira, and I've also been here to Icecreamairaira eight years ago.

Then, all of the other septillions of male Icecreamairairans came to Lincoln.

Rocky Icecreamairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Rocky Icecreamairaira chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she as the body of a goddess and large breasts, fair skin, long pink and brown hair with white streaks, pink eyes, she was dressed in a pink two-piece bikini, she has massive pink angel wings, and she has an ice greatsword in her right hand.

Lincoln: (GASPS) Roxanne Icecreamairaira, Queen of the Icecreamairairans of Planet Icrecreamairaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Roxanne Icecreamairaira, Queen of the Icecreamairairans of Planet Icrecreamairaira, she's Lincoln's Guardian Angel from the planet of Icrecreamairaira in The Forbidden Zone, she's The Queen of The Icrecreamairairans who rules Icrecreamairaira, a planet of endless ice cream of many delicious flavors, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all ice cream, snow, ice and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and all the powers of her people itself times infinity, and the ability to grow even stronger, and just like with Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Icrecreamairaira where he would meet The Icrecreamairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Icrecreamairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all ice cream, snow, ice, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Icrecreamairaira and its core into his body and Icrecreamairaira's Sun into his body to preserve their legacy. Roxanne Icrecreamairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect

Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all ice cream, snow, ice, the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all ice cream, snow, ice, the ability to grow even stronger, and all the powers of The Icrecreamairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Icrecreamairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all ice cream, snow, ice, the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Icrecreamairaira and its core and Icrecreamairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them suffer an unimaginable ice cream brain freeze with the power of Icrecreamairaira.

Lincoln: And there's something I need to tell you.

Rocky Icecreamairaira: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Rocky Icecreamairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Rocky Icecreamairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Rocky Icecreamairaira and the other septillions of male Icecreamairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of all ice cream of all kinds, ice, snow, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a pink, brown, and white aura with snowflakes and ice cream surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Rocky Icecreamairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Roxanne Icecreamairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future

wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you and Helen just told us, Roxanne.

Nico: Wow...!

Roxanne Icecreamairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Roxanne Icecreamairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Roxanne Icecreamairaira with pink gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklaces of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding rings on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged

even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened.

Roxanne Icecreamairaira: That's my special gift to him: Icecreamairaira's Blessing of Divine Ice Cream Arctic Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Roxanne Icecreamairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Icecreamairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Me: This is awesome though.

Manaphy: Yep.

Poromon: Besides, you enjoyed it anyway.

Manaphy: Yeah you're right.

Okay, guys, we're in for one intense battle, we're here on the planet of Icecreamairaira to help Lighthoof and Shimmy Shake unlock their Rainbow Power and take down The Collector.

Me: With what you did in stripping The Collector of all his power, now we can take him down with ease.

Nico: That's for sure. Time we showed that evil Akuma what happens when he crosses us.

We had all of TLPS and The M.O.E. with us.

Sabrina heard a Pokemon cry.

Sabrina Mason: Hey guys look.

We saw a Jigglypuff

Me: Whoa a Jigglypuff!

Ash and friends were scared.

Me: Easy guys easy.

Jigglypuff: Are they scared of me?

Sabrina: They think you're going to sing and put us to sleep and then draw on our faces.

Me: Ash and friends have had several instances with a Jigglypuff that sang and put them to sleep.

Nico: It's true.

Sabrina: Here.

She gave it apples.

Jigglypuff: Thank you.

She ate them.

Sabrina: You're welcome. Wanna come with us?

Jigglypuff: I would be honored.

Nico: But no drawing on innocent people

Jigglypuff: Okay.

Lana: Awesome.

But then we smelled something REALLY HORRIBLE!

Me: (SEAL BARK) (Sniffs) OH GOOD GOD! What the fuck is that horrible stench!

Laney: OH MAN! It smells bad!

Me: Ed!?

Ed: NOT I J.D.!

Me: Whatever it is it's nasty! Wait I know this smell.

Nico: Just a reminder that we found all the Underground Girls.

Me: I know that.

Laney: The smell is coming from that!

We saw a Muk!

Me: Hey a Muk!

Lana: Awesome!

Ed: Cool!

Me: You sure are a stinky one.

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Sheena: Whoa man this one is stinky. Her name is Mina Methanos. She's half Methanosian.

Me: Half of Swampfire's kind!? Whoa!

Swampfire: That is an interesting one.

I put on a nose plug.

Me: (Nasally) Lets go help her.

We went over.

Me: Mina calm down and lets talk.

She got closer, making the smell even worse!

Rainbow Dash: AW MAN! THE SMELL IS BURNING MY NOSE! IT SMELLS WORSE THAN LORI'S FARTS!

Lori: (INSULTED) WHAT EX-CUSE ME!?

Me: Okay lets revert her back before she makes us puke.

I snapped my fingers and she reverted back and was a girl with green hair and red highlights and had green eyes and had fire angel wings and had Muk on her forehead and she had a Cypress Tree in a flame and Swampfire on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There.

The smell vanished.

Everyone sighed in relief.

She woke up.

Mina Methanos: (Groans) What happened?

Me: Are you okay?

Mina Methanos: I think so. Wait where am I?

Me: You're on the forbidden planet of Icecreamairaira. You were turned into a Muk by Dark Gale.

Mina Methanos: Oh man! I was fighting Psyphon and a bunch of his men who were getting parts for robots of some kind.

Me: Those must be the robots we saw Vilgax built when we destroyed him last year.

Nico: The Bioids or the other robots?

Me: The Bloids.

Nico: Ah.

Mina Methanos: He must've had something big.

Me: He did.

We told her all about it.

Mina Methanos: Oh man! I'm glad you guys stopped him even though it was bittersweet for him killing Lord Zedd.

Me: I know.

Rarity: Lets get you some new clothes darling.
